THE QUEEN'S PLATINUM JUBILEE BEACONS

2ND JUNE 2022

YOUR GUIDE TO TAKING PART

Certificate of Grateful Recognition

This A4 certificate will be sent to all participants at the end of June 2022, via email, enabling them to print, frame and keep it as a permanent reminder of the moment in history celebrated.

You may wish to print off extra copies, presenting them to those assisting you in this special tribute to Her Majesty The Queen.

Introduction

A warm welcome to all our fellow celebrators.

There is a long and unbroken tradition in our country of celebrating Royal Jubilees, Weddings and Coronations with the lighting of beacons - on top of mountains, church and cathedral towers, castle battlements, on town and village greens, country estates, parks and farms, along beaches and on cliff tops. In 1897, beacons were lit to celebrate Queen Victoria's Diamond Jubilee. In 1977, 2002 and 2012, beacons commemorated the Silver, Golden and Diamond Jubilees of The Queen, and in 2016 Her Majesty's 90th birthday.

On 2nd June 2022, we will celebrate another unique milestone in our history, Her Majesty The Queen's 70th year as our Monarch and Head of the Commonwealth - her Platinum Jubilee. It is a feat no previous monarch has achieved.

More than 1,500 beacons will be lit throughout the United Kingdom, Channel Islands, Isle of Man and UK Overseas Territories, and one in each of the capital cities of Commonwealth countries in recognition of The Queen's long and selfless service. The beacons will enable local communities, individuals and organisations to pay tribute to her as part of the official Platinum Jubilee Weekend of celebrations from 2nd to 5th June 2022.

There are three types of beacons being lit for this historic occasion:

- A free - standing beacon fuelled by bottle gas (see pages 16 & 17)

- A beacon brazier with a metal shield. This could be built by local craftsmen/women or adopted as a project by a school or college (see page 18).

- A bonfire beacon and (see page 19)

Communities with existing beacon braziers are encouraged to light these on the night.

If you wish to take part, you can register your participation by providing the information requested on **page 15** under the heading, "How to take part," sending it direct to brunopeek@mac.com.

Town Criers

At **2pm** local time Town Criers are being invited to undertake the Proclamation (see page 9) announcing the lighting of the beacons later that evening. **Pipers** - at **9.35pm** local time across the UK and the Commonwealth, individual pipers and pipe bands are being asked to play "Diu Regnare" from central locations of their choice from within their local communities as their personal tribute to Her Majesty The Queen. (This time will vary in each time zone across the world). This unique tune has been especially written for this historic Jubilee by Piper Stuart Liddell, 2020 Glenfiddich

Champion and Pipe Major of the World Champion Pipe Band, Inveraray and District (**see page 11**).

To officially announce the lighting of the beacons at **9.45pm** local time in the country they are in, we have had a unique Bugle Call written, entitled 'Majesty,' and would like to encourage Buglers and Cornet players to undertake this at **9.40pm** on the night from the individual beacon locations within local communities, adding another colourful element to this special tribute to Her Majesty the Queen by musicians from within local communities – (**see page 12**).

"The Royal Scottish Pipers' Society are honoured to participate in our Patron The Queen's Platinum Jubilee Celebrations in June 2022.

Her Majesty's extraordinary service to this country is unparalleled. Accordingly, we encourage everyone to express their appreciation and gratitude by supporting this amazing Jubilee event," said Gordon Wallace, Hon. Pipe Major, Royal Scottish Pipers' Society.

Alan Hay, Chairman of The Royal Celtic Society whose Patron is Her Royal Highness The Princess Royal said, "Having for two hundred years been at the cutting edge of traditional music and language in Scotland, we recognise the enormous commitment Her Majesty The Queen, has made in serving the Commonwealth and its people. We are delighted therefore, to encourage all our members to participate in the Jubilee celebrations and our pipers to play Diu Regnare, composed by our member Stuart Liddell in honour of this historic event."

The National Piping Centre, whose Patron is His Royal Highness The Prince of Wales, is also delighted to be involved in The Queen's Platinum Jubilee Beacons, and will be encouraging

Northumbrian Piper Andrew Davidson.

pipers throughout the UK, Channel Islands, Isle of Man, and in the capital cities of the Commonwealth, to play this special tune five minutes before the beacons are lit that evening.

"The Royal Scottish Pipe Band Association would be delighted to support such an auspicious occasion and we will invite all our members to support this initiative as events like these help promote the long standing relationship the The Royal Scottish Pipe Band Association has with The Royal Family and we congratulate Her Majesty The Queen on her Platinum Jubilee," said Kevin Reilly, *Chairman RSPBA*.

"The Northumbrian piping community will be extremely thrilled and honoured to be involved in this tremendous project being organised to recognise The Queen's Platinum Jubilee," said Tom Fairfax - *Trustee, Northumbrian Pipers' Society*.

A Song for the Commonwealth

To coincide with the lighting of the Beacons, choirs of all types and sizes within local communities are warmly encouraged to sing this unique 'Song for the Commonwealth,' the winner of a Commonwealth-wide song competition organised over the last few months, filling the world with the sound of music and song in celebration of this special moment in The Queen's life. The song should be sung at exactly **9.45pm**. local time in whichever country they are in, on 2nd June 2022. Please sign up your choir for what promises to be a wonderful opportunity, using this link: <https://www.commonwealthresounds.com/qpbj/>

Important: Choirs taking part do not necessarily have to be linked to the lighting of a beacon, it is the involvement of your choir representing your local community in this special aspect of The Queen's Platinum Jubilee Beacons, from a location of your choice that evening, that is the most important - "voices around the globe joining together in celebration."

"On behalf of the Military Wives Choirs, I am thrilled that we are to be a part of The Queen's Platinum Jubilee Beacons. Our network brings together over 70 choirs united through the power of singing, and we are looking forward to sharing in this momentous celebration. We are eagerly anticipating the specially written song for the Commonwealth and look forward to our network rehearsing across the UK and internationally. It is only appropriate that this unique milestone in history is marked with music, the strength of which is evident. Our passion for singing is clear and we are honoured to make these performances into a special event for Her Majesty The Queen's 70th year as our Monarch and Head of the Commonwealth on her Platinum Jubilee," said Melanie Nightingale, *Director, Military Wives Choirs*.

'I warmly encourage Christians and church choirs throughout the country to join in singing the 'Song for the Commonwealth' at 9.45pm on 2nd June 2022, as the Queen's Jubilee Beacons are lit throughout the United Kingdom, Channel Islands, Isle of Man and in each of the Capital Cities of the Commonwealth.

This will be a moment of remarkable celebration, as we join together across different generations, denominations, faiths and communities all over the world in proper tribute to Her Majesty the Queen. My prayer is that this might be a chance to truly celebrate Her Majesty's historic 70 years of service to her country and the Commonwealth, reaching out in friendship, and building community as we are reminded of our common bond under the Crown. May God watch over Her Majesty, may He bless her and her people, and may this wonderful celebration be an occasion to give thanks, both for the Queen and for the God of service and unity,' said *The Most Revd Justin Welby, Archbishop of Canterbury.*

"The Church in Wales is delighted to be joining the tributes to her Majesty the Queen on the historic occasion of her platinum jubilee. We encourage church choirs of all faiths across Wales to join in singing the 'Song for the Commonwealth' at 9:45pm on the 2nd June 2022 as the jubilee beacons are lit across the United Kingdom and the capital cities of the Commonwealth. This is a

marvellous opportunity for disparate nations, communities, faiths and generations to join together in common fellowship and thank Her Majesty for the 70 years of service and leadership she has given to millions across the world. Let us lift our voices as one to honour both our Queen and the God she has served with such faith and diligence," said *The Right Reverend Andy John, Bishop of Bangor (Senior Bishop of the Church in Wales).*

"On behalf of the Church of Scotland, I am delighted to welcome this opportunity to celebrate Her Majesty The Queen's remarkable reign, and the example of faithful service which she has given during the last 70 years. We will be encouraging our congregations across Scotland and beyond to take part in singing the 'Song For the Commonwealth' at 9.45pm on the 2 June next year, at the same time that the jubilee beacons are lit in Britain and throughout the Commonwealth. We also give thanks to God for her witness and for the faithfulness with which she has served the nation. We look forward to joining others throughout the world at a time when coming together as a community has never felt more important." *Lord Wallace, Moderator of the General Assembly of the Church of Scotland.*

"Churches Together in England encourages church choirs throughout England, from every tradition, to come together in local communities, joining where possible with other community choirs at 9.45pm on 2nd June 2022, to make

the celebrations of Her Majesty the Queen's Platinum Jubilee truly memorable, and a fitting tribute to the dedication of her Majesty to the service of the nations of the United Kingdom and Commonwealth. This is an opportunity to join together ecumenically, and with the wider community, to make music, and build community. I hope that every choir in the land will find ways of embracing such a unique opportunity to make music together by singing the "Song for the Commonwealth," forming new friendships and deepening existing ones, in honour her Majesty and the God whom she serves with such faithfulness." *Rev'd Dr Paul Goodliff, General Secretary, Churches Together in England.*

"Churches Together in Britain and Ireland is delighted to support this initiative that encourages choirs across Great Britain and Northern Ireland to join together on the 2nd June 2022 as part of the celebrations of Her Majesty the Queen's Platinum Jubilee to sing together the "Song of the Commonwealth". We hope many choirs will take part and we give thanks for the service that Her Majesty has given over many decades and continues to give." *Dr Nicola Brady, General Secretary, Churches Together in Britain and Ireland.*

"Battel Bonfire Boyes, (photo above) the world's **oldest** bonfire society, is delighted to be lighting a beacon in celebration of The Queen's Platinum Jubilee as part of this amazing tribute," said Matt Southam, press and publicity officer.

"Help for Heroes is honoured to salute Her Majesty The Queen, as we did in 2012, by taking part in The Queen's Platinum Jubilee Beacons. Wounded veterans and their families will proudly light beacons at the four furthest corners of the UK and the Help for Heroes choir will join with voices across the Commonwealth," said, *Melanie Waters, Chief Executive, Help for Heroes.*

"Fram Farmers and its members throughout Great Britain are delighted and honoured to be participating in Her Majesty The Queen's Platinum Jubilee on 2nd June 2022. Farms and country estates will be lighting beacons in tribute to Her Majesty the Queen, continuing a long and unbroken tradition of celebrating Royal Jubilees, Weddings and Coronations. This will be the last chain of Beacons lit during The Queen's reign, a unique occasion for us all to join the nation's tribute to her Majesty, and we would encourage all Farms and Estates to be part of this historic occasion."
Andrew Knowles, Chief Executive Officer.

The Queen's Platinum Jubilee Beacon Tart.

To celebrate this historic moment in The Queen's reign, we wanted to produce a special Tart made from produce from each of the four countries of the United Kingdom, that could be served either hot or cold at the individual Beacon locations, as well as those singing the Song for the Commonwealth from locations of their choice from within their local communities whether they were involved with a Beacon or not, so my friends from Country Women Country Wide have kindly devised a unique recipe for this Tart (see page 20), it's delicious.

"The RNLI are also thrilled to commit to the event by lighting a Beacon in each of their 6 lifesaving regions of the UK," said *Emily Foster, Bicentenary Campaign Manager RNLI.*

"The Royal Institution of Chartered Surveyors (RICS) is honoured to lead the lighting of the UK's Anchor Chain of beacons for our Patron's historic Platinum Jubilee. It is only fitting that this aspect of the beacons will be led by RICS Matrics, a key part of our organisation which supports many thousands of young professionals in shaping their own future history and lasting legacy." *Sean Tompkins, CEO RICS.*

"The NFU is delighted to be supporting The Queen's Platinum Jubilee Beacons and will be encouraging our members throughout England and Wales to light beacons as part of the celebration. From the uplands to the lowlands, our farmers will be lighting beacons on the most iconic parts of the countryside in tribute." *Minette Batters, President, NFU.*

Walking with the Wounded, one of our country's leading Forces charities, will light gas-fuelled beacons on top of the four highest peaks in the UK - Ben Nevis, Scotland; Scafell Pike, England; Mount Snowdon, Wales, and Slieve Donard, Northern Ireland, paying tribute to The Queen while raising valuable funds for the welfare of wounded service personnel.

Beacons will also be lit on The Queen's Sandringham and Balmoral Estates, at the Copper Horse statue of King George III in Windsor Great Park, Hillsborough Castle, Northern Ireland, and on the battlements of the Tower of London. In my home town of Great Yarmouth, Norfolk, the Borough Council will light its beacon brazier on the town's famous Golden Mile. One will also be lit outside the 17th century Tan Hill Inn in the Yorkshire Dales, the highest pub in Great Britain. English Heritage will light at least 17 beacons on heritage sites, and others will be lit in Enniskillen, County Fermanagh, Northern Ireland; Sark and Alderney in Channel Islands, St Davids, the most westerly City in Wales, and the Isle of Wight.

One Voice Wales, which has taken part in previous jubilee events, will be inviting member councils to light beacons, and Historic Houses will encourage member estates to participate too.

National Trust

"The National Trust is delighted to be playing an active role in The Queen's Platinum Jubilee Beacon lighting on 2nd June 2022, in celebration of this unique moment in The Queen's reign. We also took part in The Queen's Diamond and Golden Jubilee Beacons in June 2012 and 2002, as well as the First World War Centenary Beacon lighting in 2018 and look forward to welcoming visitors to attend this special tribute to Her Majesty The Queen," said *Justin Albert, Regional Director for Wales.*

In a similar way to previous Royal Jubilees, the Army Cadet Force Association will be actively supporting this special occasion by lighting the National Sports Beacon at the start of the National Athletics Championships in Grantham, England, one of many others across the UK.

Dyfed & Glamorgan Army Cadet Force will light a beacon on top of Pen-y-Fan, the highest peak in South Wales, as part of a pan-Wales Army Cadets event to mark the Jubilee.

We are also pleased to confirm the involvement of Girlguiding throughout the UK, Channel Islands and the Isle of Man, with *Girlguiding Chief Guide Amander Medler* saying, "I'm delighted that Girlguiding is supporting the lighting of Beacons to celebrate this very special Jubilee marking the 70-year reign of our Patron Her Majesty the Queen."

Beacons are being lit on some of our country's oldest estates, including Woburn Abbey, Highclere Castle, Cholmondeley Castle, Hatfield House, Belvoir Castle, Holkham Hall, Houghton Hall, Bolton Abbey, Blenheim Palace, Arundel Castle, Chatsworth, Wellington, Roxburgh and Badminton. Hadrian's Wall Partnership and its communities along the Wall are also involved and will be lighting celebration beacons.

The Right Honourable Lord McLoughlin CH, BTA Chairman said, "I would like to encourage every City, County, Borough, District, Regional, Community, Town and Parish Council throughout Great Britain to light a beacon in celebration of this unique moment in The Queen's life, and would ask all those taking part to go to **page 15** of this Guide and register their involvement as soon as possible."

Beacons will also be lit at Coastwatch Scotland's Irvine and St Monans stations by their groups of volunteers.

"The National Coastwatch Institution is delighted to be part of this important tribute to Her Majesty The Queen, and will be encouraging all its 56 watch stations around the coast of England and Wales to take part in lighting beacons on the night," said Commander Lesley Suddes RN, Chairman NCI.

"The Chiddingfold Bonfire Association (*photo below*) consider it a great honour in using this opportunity to pay tribute to Her Majesty The Queen by lighting a beacon in celebration of her Platinum Jubilee on behalf of our wonderful village and community. Our tradition of lighting beacons for Her Majesty The Queen extends all the way back to her Coronation in 1953, Silver, Golden and Diamond Jubilees and her 90th Birthday Beacons. The earliest known record of a beacon lighting in the village is for George V's Silver Jubilee of 1935," said Simon Manuel, Chairman of the Association.

and also honour our long-standing involvement with Her Majesty and The Royal Family."

Captain Ian McNaught, Deputy Master of Trinity House, said, "I am pleased that we, at Trinity House, can support this event marking HM The Queen's Platinum Jubilee. By lighting beacons at lighthouses around our shores we will help make this a celebration to remember

TRUST
PLATINUM JUBILEE 2022

"The Queen's Commonwealth Trust (QCT), which was launched in recognition of Her Majesty The Queen's lifetime of service to others and her love for the Commonwealth and its young people, is delighted to be involved in The Queen's Platinum Jubilee Beacons' project, with QCT young leaders lighting beacons across the 54 Commonwealth countries in recognition of Her Majesty The Queen's 70 years of service and her belief that young people across the

Commonwealth are beacons of hope for our collective future," said Christopher Kelly, Chief Executive, The Queen's Commonwealth Trust.

As this will be the last chain of Beacons lit during The Queen's 70-year reign, we hope that individuals, local authorities, voluntary and youth groups, farming communities and others will join with the many organisations who have already agreed to take part in this special tribute to Her Majesty on 2nd June 2022. Let's make it the largest celebration of its kind the world has ever seen.

IMPORTANT: To enable us to register your involvement in this unique tribute to Her Majesty the Queen on 2nd June 2022, please go to **page 15** of the Guide and provide the information requested in **Step 1**, sending it directly to brunopeek@mac.com asap, or by **no later than 30th May 2022**, allowing us to send you updated information in due course.

The Queen's Platinum Jubilee Beacons

A Proclamation

Oyez Oyez Oyez

*Today in our nation - and throughout the Commonwealth -
we are celebrating our glorious Queen's Platinum Jubilee.*

*Elizabeth - the second of that name -
our most beloved Sovereign and Head of the Commonwealth for seventy years.*

*How apt that this should be the Platinum anniversary of her accession -
Platinum - that most noble of metals,
more precious even than gold.*

*And so it is in honour of this unique occasion
that beacons will be lit this evening
throughout the United Kingdom,
the Channel Islands, the Isle of Man and the UK Overseas Territories -
and in all the Capital Cities of the Commonwealth.*

*Let it be known,
in proclaiming this tribute to Her Majesty the Queen on her Platinum Jubilee,
that we are one nation and one Commonwealth.*

Majesty

The playing of Majesty at 9.40pm to fanfare the lighting of the Beacons at 9.45pm

What an honour to be asked to pen a bugle call to fanfare the lighting of The Queen's Platinum Jubilee Beacons.

To think that it will be sounded right across the world, to mark this truly historic event makes me very proud indeed.

It can be played by a solo bugler/cornet/trumpet or at the end of the call there is an opportunity to join with friends to fill the last chord with harmonies.

Buglers of all ages and all abilities should not find it a difficult piece.

So, play it as the title suggests, with Majesty.

Platinum Jubilee Gas-Fuelled Beacon

Bullfinch Gas Equipment

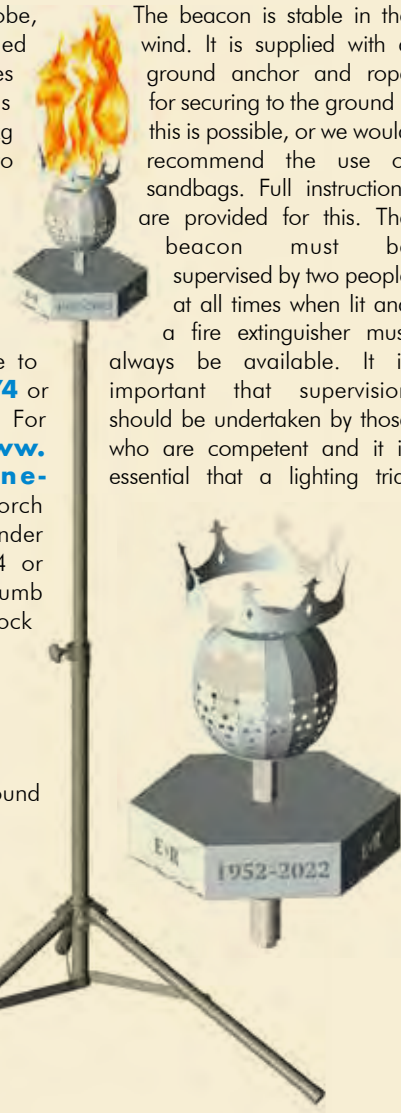

The beacon's burner-head is in the shape of a globe, representing the countries of the Commonwealth, surrounded by a Crown. It is of lightweight construction and comes assembled and complete, with the exception of the gas cylinders, which must be purchased separately. One 47kg propane cylinder or 2 x 19kg cylinders are recommended to give a full flame for a good three quarters of an hour.

These cylinders can be purchased from Flogas Britain who have been supplying Liquefied Petroleum Gas for over 35 years. They have the largest national delivery network in the UK, and hold the Carbon Trust Standard and Royal Warrant. Contact them as soon as possible to avoid delays or disappointment. Phone: **0800 574 574** or contact them via their website: www.flogas.co.uk. For their propane safety data sheet go to <https://www.flogas.co.uk/app/uploads/2-0-propane-cylinder-safety-sheet-v2-1-1.pdf>. The Gas Torch needed to light your beacon safely requires a 400g cylinder of propane with CGA600 fitting - Bullfinch No 1644 or Rothenberger or equivalent. Travis Perkins, Screwfix, Plumb Centers and some DIY stores should have these as stock items, or search online.

The Platinum Jubilee Gas-Fuelled Beacon Package contains:

- Burner unit with Crown & Platinum Jubilee insignia
- 2m high stand
- Ground anchor and rope for fixing the stand to the ground
- 10m hose with the regulator for connecting to the gas
- Gas torch for lighting
- Spanner
- Leak detecting fluid
- Hose assembly and Y manifold to link 2 cylinders
- Lighting and safety instructions

The above items are packed into 2 strong cartons. The tripod describes a circle area of about 1.32m diameter and the beacon has an extended height of about 2.15m.

The beacon is stable in the wind. It is supplied with a ground anchor and rope for securing to the ground if this is possible, or we would recommend the use of sandbags. Full instructions are provided for this. The beacon must be supervised by two people at all times when lit and a fire extinguisher must always be available. It is important that supervision should be undertaken by those who are competent and it is essential that a lighting trial

takes place before the event to ensure that everyone is fully trained and familiar with the operation. The price of a gas-fuelled Platinum Jubilee Beacon is £490 plus VAT, including carriage to your door within UK mainland (Highlands and Islands excluded). There will be an extra charge for other areas.

Some of the benefits of this style of beacon are that it can be seen for miles once lit, is suitable for all manner of high

and low locations, is easily collapsible and once used can be stored away for later use.

Platinum Jubilee Gas-Fuelled Beacon

21CC Group Ltd

The beacon will come ready for easy assembly, designed with a crown at the top and a special date plaque underside. The beacon will burn for approximately 1 hour using two 13kg standard propane gas cylinders, which are available from most gas stockists and petrol stations around the UK. The gas assembly is easily connected to the burner by a quick release fitting. The beacon is inherently stable; however, we recommend the use of anchors on soft ground or sandbags on hard ground for additional stability. Full set-up instructions are included within the pack and we recommend a trial set-up and lighting before the actual event to familiarise yourself with the set-up and operation. We have included two long-reach lighting sticks so that you can practice lighting the beacon in advance. We would also recommend that a fire extinguisher is available when lighting the beacon and whilst it is burning and that two people are always present.

The Platinum Jubilee Beacon package contains:

- Assembly, lighting and safety instructions
- 2m high stand and burner
- 10m hose with the regulator for connecting to the gas
- Two long-reach lighting sticks
- Spanner and leak detection fluid
- Hose and Y splitter manifold to link 2 cylinders
- No additional connections required - all you need is in the box

The lighting of a gas-fuelled beacon at Edinburgh Castle, Scotland in celebration of Her Majesty The Queen's Diamond Jubilee in June 2012.

The Queen's Platinum Jubilee Beacon Brazier

Beacon Brazier with Metal Shield

A beacon brazier will provide a permanent reminder of this unique moment in The Queen's reign. It can be built by local craftsmen and women, and may be used for future historic occasions in your community. It could be sited in a country park, on a hilltop overlooking the sea or a lake, in the centre of your town or village, and could become a tourist attraction for your area.

Materials Required for Beacon Construction

Wooden centre post consisting of 305mm x 305mm wooden post, 6.25 metres in length of which 2 metres goes into the ground.

Basket and fixing brackets consisting of:

- 1 x 920mm diameter steel plate.
- 1 x 4,178mm long 60mm x 5mm steel flat bar rolled into 1,330mm diameter ring.
- 1 x 3,455mm long 60mm x 5mm steel flat bar rolled into 1,100mm diameter ring.
- 1 x 2,985mm long 60mm x 5mm steel flat bar rolled into 950mm diameter ring.
- 1 x 2,922mm long 150mm x 5mm steel flat bar rolled into 930mm diameter ring.
- 12 x (approx 1,250mm long) 60mm x 5mm vertical bars (rolled to shape).
- 1 x 310mm x 310mm x 300mm high connection box welded to base of basket.
- 1 x hanging shield and support: 3.7m length of 38mm diameter solid steel rod.
- 1 x 920mm x 760mm steel plate 3mm thick 4 x connection brackets 8mm thick (see detailed drawings left).
- 2 x pins and loops.

Bonfire Beacon

Locate the bonfire at least 60m away from buildings, roads, railways and public rights of way, and a safe distance from dangerous materials and overhead power lines. Ensure it has good access for the transportation of materials for the bonfire and sufficient space for spectators to stand upwind.

Obtain the landowner's permission and involvement.

Liaise with your local fire brigade and all emergency services in your area, presenting them with your plans, and seek their advice and support.

1 Prepare site by removing top layer of turf and stack away from fire area. Obtain seven poles, 5-6m in length. Attach four guy ropes to top of one pole and anchor as shown.

2 Erect remaining poles as shown, ensuring tops are secured in place.

3 Use either pallets or suitable lengths of timber, spreading them over ground area of beacon for a good through draught. Secure timber horizontally between poles as shown, preventing material placed over the framework from dropping through. Construct access tunnel to the middle of the beacon. Keep middle empty

until required. Always construct the bonfire so it collapses inwards as it burns.

4 Use only wood for combustible materials. Do not burn dangerous items such as foam-filled furniture, old tyres, aerosols or tins of paint. Build upwards until height of centre pole is reached. Materials around top should be loosely packed to allow air flow. Cover bonfire to keep it dry.

5 Fill centre with suitable, dry combustible materials. Check construction is stable and remove any unsuitable materials that may have been added. Look specifically for fireworks, aerosols, highly inflammable materials or containers with such materials.

6 Construct a safety barrier out of ropes and stakes or scaffold poles to ensure public is kept at a safe distance from the fire.

7 *In daylight, and for several hours, and up to lighting, check that there are no children or animals playing or hiding in or round the bonfire. Arrange for at least 12 marshals to be in attendance, and undertake a sufficient safety briefing before lighting the beacon.*

8 The person looking after the fire should not wear lightweight clothing that could ignite easily. They should wear a substantial

outer garment of wool, or other material of low flammability, and stout boots. They should know what to do in the event of a burn injury, or a person's clothing catching fire, and should have a fire blanket ready in the bonfire area along with a number of fire extinguishers.

9 Lighting: the safest and recommended approach is to use paper and solid firelighters in six places just inside the walls of the beacon to ensure an even burn. Never use flammable liquids such as paraffin or petrol to get it going as this can result in uncontrolled spread of fire or explosion.

10 To light the beacon: from poles 2m in length, prepare hand torches for lighting with paraffin-soaked rags wired around one end. Remember, paraffin is dangerous and great care should be taken. Paraffin can be used as directed, but it is still dangerous and should at all times be treated with great care - for example, always ensure all excess paraffin is drained off rags before use. If spilt on your clothes during the preparation of your beacon lighting you should replace those items of clothing before approaching any naked flames. In particular, always remember to replace the lid on any container of unused paraffin and store it in a safe place away from naked flames. Do not use an accelerant on the fire itself.

Bonfire Beacon, Shipston-on-Stour, Warwickshire, England.

▲ After the event, extinguish fire and collect remaining debris. ▲ Dig over site and re-lay turf. ▲ Leave site clean and tidy.

If you are inviting personal guests to your home it is worth checking with your household insurer that you are covered in the unfortunate circumstances that there should be an accident. If your event includes inviting the public, or it is a third party venue then, where applicable, the following advice should be heeded, to ensure you have a safe and enjoyable event for everyone involved.

Licensing

Generally, all public entertainment has to be licensed by the local authority. The law on this aims to ensure the safety of the public and performers. Local authorities treat each event individually, and what one will allow another will not. Do not be put off by the length of some of the forms - the licensing officer is there to help you.

The licensing officer's job is to advise the local authority's licensing committee on the granting of public entertainment licenses. For small scale events he or she, in effect, makes the decision. Only if your event is contentious will the licensing committee decide to consider the application in detail. Talk to the licensing officer as soon as possible. In Northern Ireland, if you plan to sell alcohol at an event, you will need to apply for an occasional liquor license from the Northern Ireland Court Service.

Insurance

Unfortunately, accidents can happen at even the best organised events. Therefore, you will need to consider and obtain insurance cover for your event, whether you are holding an event on your own premises or someone else's. beacon/bonfire events require specialist public liability cover. If you hire a park or venue or use land owned by a third party for your activity, they are likely to require you to have your own suitable insurance to cover your liability for any injury to the public or damage to other people's land or property.

Legal Essentials and Safety

If hiring equipment for the event, you may need to insure these items; you may also need to consider cover for loss of any financial outlay you incur if the event has to be cancelled for reasons beyond your control, or loss of money, particularly if you are holding a fund-raising event. Therefore, to help you obtain the appropriate insurance, and risk management advice, we are working closely with Unity Insurance Services, which is a specialist insurance broker in the voluntary and non-profit sector.

They have developed a range of bespoke insurance covers specifically for the Beacon/Bonfire events. Unity is owned by a charity and donates all its profits back to charity, so to obtain a quote or for more details or advice on the insurance cover you may need, please visit Unity's website or telephone them on 0345 040 7702.

Alternatively, the licensing officer may be able to direct you to a suitable specialist company or broker, but you should not try to source this kind of insurance from a non-specialist.

Emergency Services

Tell the police well in advance about the type of event you are planning, and get in touch with your local community police officer. Write to the fire brigade and ambulance service, particularly if you are planning to have a beacon/bonfire, fireworks, or an event that will attract a large crowd. St John's Ambulance and the British Red Cross will provide first aid and sometimes a vehicle. In some areas they are simply happy to receive a donation. In others, expect a fee to be charged.

Food and Drink

Basic food hygiene guidelines should be followed at all times if you are providing food and drink. Caterers must have food hygiene certificates. Advice on this subject can be obtained from your local council environmental officer.

Alcohol

If you want to sell alcohol you will need to secure a licence. From February 2005, licenses are granted by the local authority rather than the Magistrates Court. You should therefore contact your local authority licensing section and seek information from them on how to apply. During 2005 all existing licenses have to be renewed and this will inevitably lead to long lead-in-times. Please apply as early as possible.

Site Clearance

The local authority will arrange for clearance and disposal of litter after your event if it is on public ground (check for possible charges). You can help this process by arranging litter bins or recycling bins around the site, and a crew to clear up throughout the event.

Hiring or Borrowing Equipment

Your local authorities, or local event organisers may be able to help you with contacts for supplies such as marquees, portable toilets, barriers and bunting, or may in some cases have these for you to hire and borrow. You may also need to consider generators, a public address system, and emergency flood lighting. If you need to arrange insurance for your hired equipment, Unity Insurance Services can arrange this for you too.

All Ability Access

Access for people with a disability is very important. Many local authorities run community transport schemes. Talk to them about arranging transport. On greenfield sites, access may be improved by cutting the grass before the event.

THE QUEEN'S PLATINUM JUBILEE BEACON TRAIL 5TH MAY - 2ND JUNE 2022

If your location is lighting a beacon anywhere in the world we also encourage you to take part in this specially designed augmented reality trail that will create buzz and awareness in the four-week run up to the lighting on the 2nd of June. The Queen's Platinum Jubilee Beacon Trail will take families on a free, whistlestop tour of Her Majesty's 70 years of service.

Families and friends in locations taking part will be able to visit seven venues around their village, town or city centre, learning about a different decade in The Queen's reign at each one. Players will learn about The Queen's part in modern history as well as engaging in a fun story with characters like Sir Barnaby Beacon. Along the trail they'll meet him and his friends from Buckingham Palace, and they'll be able to see and interact with them in augmented reality.

An example trail vinyl - actual printed vinyls may vary

How It Works for Players

To take part is very simple, players don't need to download an app or even register beforehand.

Step 1

Players go online to find the trail map and visit the venues in their location, in any order.

When they visit a venue they simply find the window vinyl and scan its unique QR code.

Step 3

A digital stamp will automatically pop up on their phone's browser and tell them about that decade in The Queen's reign.

Step 4

Players can then choose to see the character in AR. This means that the character will appear life-sized in the player's environment, leading to perfect selfie opportunities and yelps of joy from children!

Step 5

Once players have collected all seven of the digital stamps, they will be given information about where and when their local beacon will be lit, and encouraged to share this with their friends and family.

How it Works for Hosts

What We Do:

- Provide all the window vinyl artworks with QR codes
- Set up your trail on the collection platform and create your digital map
- Show your trail on a central bespoke website

Step 2

Cost

You can bring the trail to your location for four weeks for just £499, which includes the full artwork pack (delivered worldwide) and all digital setup and assets. This means that even if you also need to purchase one of the gas beacons, the whole event would cost under £1,000.

How to Take Part

We advise hosts to sign up as soon as possible to give adequate pre-marketing time but the deadline for applications is 7th April 2022.

To see more or to sign up as a host, please visit High Street Safari's website highstreetsafari.com/jubilee or contact the project director, Stephen Blackwell, at info@highstreetsafari.com

- Run a large scale marketing campaign
- Give you a Marketing Toolkit, specially developed for the trail
- Send you a final report on user analytics

What You Do:

- Decide where you want to put up the seven trail vinyls within your area
- Give us the list so we can create your map
- Promote the event locally using the Marketing Toolkit

The Queen's Platinum Jubilee Beacon Tart

Ingredients representing all 4 nations of the UK
England: Cheddar Cheese **Northern Ireland: Potatoes**
Scotland: Smoked Salmon **Wales: Leek**

Average cost of ingredients per tart, between £3.75 & £5.00

The following quantities will serve TEN people.

Pastry

140 g (5 oz) plain flour
 35 g (1 ¼ oz) margarine
 35 g (1 ¼ oz) vegetable fat
 About 1 ½ tablespoons cold water

Or use ready-made shortcrust pastry

* 20 cm (8") loose-bottom flan tin

* baking beans

Filling

100 g (4 oz) Smoked salmon (trimmings or chopped small)
 50 g (2 oz) leek
 100g (4 oz) cooked potatoes
 70g (2 ¾ oz) Cheddar cheese (grated)
 200 ml (7 fl oz) single cream
 2 large eggs (beaten)
 1 tablespoon fresh chopped parsley
 Black pepper
 Butter or oil

1. To make pastry - place flour in bowl add the fats and rub in lightly with fingertips until mixture resembles fine breadcrumbs. Add enough cold water to bind to a soft dough, knead briefly and shape in to a ball. Wrap and chill for 30 minutes.
2. Roll out the pastry and use to line the flan tin. Prick the bottom of the pastry with a fork. Line pastry shell with foil and fill with baking beans. Place tin on a heated baking tray and bake in preheated oven at 200°C Fan (Gas 7) for 10 minutes, remove foil and baking beans, return to the oven for a further 10 minutes.
3. Reduce oven temperature to 160°C Fan (Gas 4)
4. Scrub potatoes and place in a pan of lightly salted boiling water to cook for 15 minutes. Drain and allow to cool before removing the skin and then slicing thinly.

5. Finely chop leek. Heat a little butter or oil in a small frying pan, add chopped leek to the pan and cook over a low to moderate heat, stirring occasionally, for about 10 minutes until soft but not coloured - allow to cool.
6. Mix together cream, beaten eggs, chopped parsley and plenty of ground black pepper. Layer filling in pastry case; spread smoked salmon over base of tart followed by cooked leek and then 50 g (2 oz) grated cheese (keeping remaining 20g (¾ oz) to sprinkle on top). Top with thinly sliced cooked potatoes. Sprinkle remaining grated cheese over the top then gently pour cream and egg mixture in to the tart.
7. Bake in oven for 30 - 35 minutes until filling is set and golden. Serve cold.

NB These quantities also make 18 small tarts using 8cm (3 ¼") plain round cutter and lining patty tins. When making small tarts there is no need to blind bake the cases first. Bake small tarts at 160°C Fan (Gas 4) for about 30 minutes until filling is set and golden.

Guide to serving

A construction of seven Platinum Jubilee Beacon Tarts as shown below will serve 70 guests.
 Each tart represents a Decade of Her Majesty's reign.
 Each slice represents a Year of Her Majesty's reign.
 You will need: 7 x 8" freshly made Platinum Jubilee Beacon Tarts
 7 x 8" x 0.5" silver (platinum) cake boards

1 x 20" tea tray

2 or 3 x Union Flag napkins

Optional: 2 additional silver (platinum) cake boards if greater elevation is required

Additional napkins to hand to guests with their slice of tart

Create two stacks of 3 x 8" tarts, each on a silver (platinum) cake board, and place side by side on a 20" rectangular tray covered with Union Flag napkins. Place a further tart centrally on top (7 tarts in total).

The above produces a 6" high stack of tarts. If further elevation is needed an additional cake board could be placed under each stack of 3 tarts.

Once the top tart has been ceremonially cut, remove it from the stack and set to one side to cut into ten slices. This will avoid crushing the tarts underneath. Carry out the same process for each subsequent tart, remembering to remove each one from the stack before cutting into ten. The slices can then be handed round to guests from their individual boards accompanied by napkins if desired.

The Clerk
Goring-on-Thames Parish Council

Dear Laura

Sponsorship opportunities during the GAP Festival 2022

Following your comments after receiving our previous applications, when you said it would be preferable to have the discussion around the potential of 'sponsoring' an event, we have set out a suggestion below for councillors to consider at the 10 January meeting.

We feel a very appropriate event(s) to sponsor is either the morning Jubilee event to be held in the Sheepcot field, or ideally both events on that day, including the afternoon Street Party. Both are 'Festival events' insofar as they are being held within our festival period of 2 - 12 June and our festival planning team is taking the lead on organising the Jubilee Day Celebrations on the Sunday 5 June.

Should you consider sponsoring the morning event in the 'Jubilee Arena' (see attached sketch of how the Sheepcot field may look on that day), the cost we believe will be in the order of £4 - £5,000 as some of the costs will be shared with the afternoon Street Party. We estimate the total cost for both events on that day will be c. £15,000. (Marquees/Tables/Equipment £8k, Portable toilets £2k, PA system & Radios £3k, Bridge safety cladding/Decorations £1k, H&S/First Aid/Ambulance cover, Litter bins & disposal £1k)

As the Jubilee Day will be the most significant day in the whole festival period in many respects, this presents a high-profile opportunity for the council to be seen as the main sponsor. It is a stand-alone event and therefore all the banners, notifications/literature and separate programme can carry 'Sponsored by Goring-on-Thames Parish Council'.

Should you, however, prefer to sponsor another event in the overall programme, there are some marquee events currently not sponsored by other organisations, but we believe supporting the big national day of the decade, is the prime event. We trust the council will look favourably on this opportunity to support the residents and help create memories of a lifetime for the children, as all previous Jubilee events have done before.

Thank you.

SAFEGUARDING POLICY

1 Introduction

The purpose of this policy is to make clear to all members, staff, volunteers, and contractors what is required in relation to the protection of children, young people and vulnerable adults. Children, young people, and vulnerable adults have the right to participate, have fun and be safe in the services provided for them and the activities they choose, or their parents / carers choose for them. This policy will help to maintain a safe and positive environment for children and vulnerable adults.

2 Policy Coverage

This policy applies to all members, employees, volunteers, and contractors working in partnership with Goring-on-Thames Parish Council. Under the Children Act 2004, Goring-on-Thames Parish Council has a duty to co-operate with other agencies and authorities to promote the well-being of children and young people. Oxfordshire County Council is the lead agency for the protection of vulnerable adults.

It is not the role of Goring-on-Thames Parish Council to investigate allegations of abuse. However, all members, employees, volunteers and contracted services providers have a responsibility to take action when they suspect or recognise that a child or vulnerable adult may be a victim of harm or abuse. This policy is to be used in conjunction with the Council's Risk Management Policy, Health and Safety Policies, Equal Opportunities Policy, Complaints Policy and Procedure, Disciplinary and Grievance Procedures.

The phrase '*children, young people and vulnerable adults*' refers to:

- Anyone under the age of 18 years
- Someone who is over the age of 18 who is or may be
 - in need of community care services by reasons of mental health or other disability, age or illness and is, or
 - unable to take care of him or herself, or
 - unable to protect him or herself against significant harm or exploitation

When the term '*parents*' is used, it is used in the broadest sense to include parents, carers and guardians.

3 Policy Principles

Goring-on-Thames Parish Council recognises that all children and vulnerable adults have an equal right to protection from abuse. It is committed to safeguarding children and

vulnerable adults and protecting them from abuse when they are engaged in services organised and provided by, or on behalf of, the Council.

Referrals of suspicions of abuse cannot be anonymous and should be made in the knowledge that during enquiries the agency which made that referral will be made clear.

Goring-on-Thames Parish Council will not tolerate the harassment of any member, employee, volunteer, contracted service provider or child/vulnerable adult who raises concerns of abuse.

4 Policy Statement

Goring-on-Thames Parish Town Council is committed to taking all reasonable precautions to safeguard the welfare of children and vulnerable persons that use its services and will promote a safeguarding culture and environment.

- We will endeavour to keep children and vulnerable adults safe from abuse.
- Suspicion of abuse will be responded to promptly and appropriately.
- We will always act in the best interests of the child or vulnerable adult.
- We will proactively seek to promote the welfare and protection of all children and vulnerable adults living in the local community.
- We will endeavour to ensure that unsuitable people are prevented from working with children and vulnerable adults through, as appropriate, its recruitment and selection policy and by reminding hirers of their safeguarding responsibilities.
- We will take any concern made by a member, employee, volunteer or contracted service provider or child / vulnerable adult seriously and treat it with sensitivity.

5 Procedure and Systems

Definitions of Abuse

- **Abuse** covers any form of physical, emotional, mental and sexual abuse including bullying, including lack of care that leads to injury or harm. For vulnerable adults abuse may also be financial.
- **Neglect** is where people fail to meet a child's or vulnerable person's basic physical / psychological needs and is likely to result in the serious impairment of their health or development, e.g. failure to ensure that a child is protected from unnecessary risk of injury, or exposing them to undue cold.
- **Physical Abuse** is where physical pain or injury is caused, e.g. hitting, shaking, biting, etc.

- **Sexual Abuse** is where children or vulnerable adults knowingly or unknowingly take part in an activity that meets the sexual needs of the other person or persons involved. This includes inappropriate photography or videoing.
- **Emotional / Mental Abuse** is where there is persistent emotional ill treatment that causes severe and persistent adverse effects on the child's or vulnerable person's emotional status e.g. bullying (including cyber and text bullying), constant criticism and unrealistic pressure to perform.

It is important to recognise that disabled children may be particularly vulnerable to abuse and may have added difficulties in communicating what is happening to them. Dependency on others for primary needs, e.g. feeding and clothing may make a person feel powerless to report abusive treatment.

This policy is inclusive of all children, young people and vulnerable adults, irrespective of their age, gender, race or ethnicity, religion, disability or sexual preference.

Use of Video and Photography

The use of photographs and images of young people will be controlled to prevent possible misuse. In general, agreement will be sought from parents or guardians that images can be used as appropriate.

6 Responding to Allegations

If a person discloses abuse by someone else:

- Stay calm, take the allegation seriously.
- Allow the person to speak without interruption, accepting what is said, but DO NOT investigate
- Only ask questions for clarification, do not ask leading questions and do not attempt to investigate.
- Alleviate feelings of guilt and isolation, while passing no judgement. Reassure them that they did the right thing by talking to you.
- Advise that you will try to offer support, but that you MUST pass the information on, do not offer to keep secrets.
- Record the facts as you know them.
- Refer the allegation immediately and directly to the appropriate person. If an employee or volunteer is implicated, refer to their Line Manager. If a manager or another young person is implicated, refer directly to the Parish Clerk. If the Parish Clerk is implicated, refer to the Chairman of the Council. All allegations

must be referred, no matter how insignificant they seem to be, or when they occur.

- Try to ensure that no-one is placed in a position which could cause further compromise.

As soon as possible after the incident or disclosure has occurred:

- Write down notes, dates, times, facts, observations, and verbatim speech.
- Ensure the correct details are available, the young person's / vulnerable adult's name and address, and the name and address of their parent or guardian.
- Immediately contact the Social Services / Safeguarding Team at Oxfordshire County Council. Ask for a duty officer and indicate that you wish to discuss a matter of child / vulnerable person protection. Ask for the name of the person with whom you are speaking. Do not filter out or withhold any information. Ask if there is anyone else who should be informed.
- Prepare a confidential file. Record all notes, conversations, and advice from Social Services. Every effort should be made to ensure that confidentiality is maintained for all concerned.
- Store information in a secure place with limited access to designated people, in line with data protection legislation.
- Follow the advice from Social Services; take no other action unless advised to do so by Social Services. Do not attempt to investigate any matters – this is not the role of the Parish Council.
- If in doubt about the advice you have received at any stage refer to Social Services for guidance.

Responding to concerns about a child's welfare where there has been no specific disclosure or allegation.

All members, employees, volunteers, and organisations contracted to provide services on behalf of the Council are encouraged to share concerns with the Parish Clerk. The Parish Clerk will, if appropriate, make a referral to Social Services.

Recognising abuse is not always easy. The list below provides some indicators of abuse; however, the list is not exhaustive and contains only indicators, not confirmation, of abuse:

- unexplained bruising, marks or injuries on any part of the body e.g. cigarette burns, bite marks.
- bruises which reflect hand marks or fingertips (from slapping or pinching)

- an injury for which the explanation seems inconsistent, or which has not been treated adequately.
- sudden changes in behaviour, including becoming withdrawn or becoming aggressive, severe temper outbursts.
- reluctance to get changed e.g., for swimming.
- neglected in appearance, dirty or 'smelly'.
- constant hunger, sometimes stealing food from others.
- inappropriate dress for the conditions.
- fear of parents or carers being approached for an explanation.
- flinching when approached or touched.
- neurotic behaviour e.g., hair twisting, rocking.
- being unable to play.
- fear of making mistakes.
- self-harm.
- fear of being left with a specific person or group of people, lack of trust in adults.
- sexual knowledge which is beyond their age or development age.
- sexual drawings or language.
- saying they have secrets they cannot tell anyone about.
- not allowed to have friends.

Confidentiality

Members, employees, volunteers, and contracted service providers must not discuss allegations of abuse, substantiated or not, with anyone other than in connection with the formal investigation. Where it is necessary to put in procedures to prevent continuing abuse the matter should be shared with the Parish Clerk so that appropriate risk assessments may be undertaken.

7 Prevention

Recruitment

- Prospective employees will be interviewed and previous, relevant experience will be noted. Two appropriate references will be taken up for all employees. All employees will undergo a probationary period.
- All members, employees and volunteers who are required to carry out duties that involve working with children or vulnerable adults or whose roles mean they may come directly into unsupervised contact with children or vulnerable adults will be checked by the Government's Disclosure and Barring Service (DBS) and / or appropriate safeguarding agency. In line with best practice, these checks will be repeated every three years.

Training

- The council will make the Safeguarding policy available to all members, staff and volunteers. Line managers will encourage good practice and identify any training needs required through the Council's Appraisal System.
- All members and employees will be expected to read this policy and sign the Declaration at the end of the document (Appendix A).
- Members will be offered appropriate training on safeguarding children and vulnerable adults.

Reporting

The Council is committed to maintaining an open culture where members, employees, volunteers, children, vulnerable persons, parents, guardians and carers feel able to express concerns both about child protection and issues of poor practice.

In addition to the procedures outlined in this policy, the Council's Complaints Policy is available to all members, staff, volunteers, and the general public.

8 Codes of Practice and Behaviour

These guidelines have been devised to protect children and vulnerable adults from abuse, as well as to protect members, staff and volunteers from situations where false allegations may occur.

The guidelines apply to those working with children or vulnerable persons involved in activities organised by or on behalf of Goring-on-Thames Parish Council or at services provided by Goring-on-Thames Parish Council.

Members, staff and volunteers must:

- Treat everyone with respect, regardless of their age, ethnicity, social background, ability, sexual orientation, culture, or religious beliefs.

- Provide an example of good conduct they wish others to follow.
- Plan activities which involve more than one other person being present, or at least which are within sight or hearing of others.
- Respect a person's right to personal privacy.
- Provide access for young people to talk to others about any concerns they may have.
- Encourage young people and adults to feel comfortable and caring enough to point out attitudes or behaviours they do not like.
- Remember that someone else might misinterpret their actions, no matter how well-intentioned.
- Recognise that special caution is required when discussing sensitive issues, such as bullying, bereavement, abuse, or personal development.
- Recognise that some children or vulnerable adults will be more vulnerable to abuse than others and may face extra barriers in getting help because of their race, gender, age, religion, disability, sexual orientation, social background, or culture.
- Challenge unacceptable behaviour and report all allegations/suspicions of abuse.
- Be identifiable and always wear a name badge.

Members, staff and volunteers must not:

- Engage in physical horseplay, such as wrestling or tickling.
- Have any inappropriate verbal or physical contact with children or vulnerable people or make suggestive remarks or gestures.
- Permit abusive youth peer activities (e.g., initiation ceremonies, ridiculing, bullying etc.).
- Play physical contact games with children or vulnerable adults.
- Jump to conclusions about others without checking the facts.
- Ask children or vulnerable adults to do things that are potentially dangerous, illegal or otherwise unreasonable.
- Exaggerate or trivialise abuse issues.

- Show favouritism to any individual.
- Rely on just their good name to protect them.
- Believe it could “never happen to me”.
- Take chances when common sense, policy or practice suggest a more prudent approach.
- Allow allegations made to go unchallenged, unrecorded, and not acted upon.

Goring-on-Thames Parish Council takes its responsibility very seriously. Employees who breach these guidelines will face investigation and may face disciplinary action, which could lead to a dismissal. Volunteers in breach of the above Code of Conduct will have their services terminated with immediate effect and their parent organisation (as appropriate) will be informed. If a member does not adhere to the policy, there may be grounds for reporting their behaviour to the Monitoring Officer, who may require an investigation under the Member Code of Conduct. Where there is evidence of illegal activity, the member, employee, or volunteer will be reported to the relevant authorities and may face a criminal investigation.

9 Procedure in Relation to Specific Services

Work Experience

Goring-on-Thames Parish Council may offer work experience placements. The Council will ensure that employees working with children or vulnerable adults are aware of the Safeguarding Policy. Line managers are responsible for the health, safety and welfare of work experience students who under law are regarded as employees.

Employees aged under 18

Goring-on-Thames Parish Council may employ workers aged under 18. The Council will ensure that all employees are aware of the Safeguarding Policy. Line managers are responsible for the health, safety and welfare of all employees.

Grants

All organisations applying for a grant will be required to supply a copy of their safeguarding policy in order for their application to be progressed.

Council Assets and Facilities

Independent sports clubs and private individuals who regularly use the assets and facilities operated by Goring-on-Thames Parish Council should have appropriate child protection and vulnerable adult policies in place, commensurate with the level of contact they have.

Furthermore, their employees or volunteers who have significant and regular unsupervised contact with children and vulnerable adults should have satisfactory DBS checks.

The Council will state on its Booking Forms that it is the Council's expectation that groups will follow good practice procedures in relation to Child and Vulnerable Adult Safeguarding.

Use of Contractors

Goring-on-Thames Parish Council will take reasonable care that contractors doing work on behalf of the Council are monitored appropriately. Any contractor or sub-contractor engaged by the Council in areas where workers are likely to come into regular contact with children, young people, or vulnerable adults, should have its own equivalent Child Protection and vulnerable adult policies, or failing this, must comply with the terms of this policy. This requirement will be written into the contract. If this is not met, the contractor will be deemed to be in breach of their contract.

Internet and e-mail Policy

Please refer to Goring-on-Thames Parish Council's Data Protection policy.

First Aid

The administration of first aid to children, young people and vulnerable adults can present risks. Under ordinary circumstances, a child or young person can be administered with first aid only if their parent or guardian expressly permits this course of action.

When administering first aid, wherever possible, employees should ensure that another adult is present, or is aware of the action being taken. Parents/carers should always be informed when first aid is administered.

Child welfare is of paramount importance. In certain circumstances members, employees, volunteers, and contracted service providers may undertake first aid as a last resort, notifying parents / carers as soon as possible, to minimise a child's or vulnerable adult's distress.

Special Events & Photography in General

It is an unfortunate fact that some people have used children and young people's events as opportunities to take inappropriate photographs or footage of children, every attempt should be made to ensure that this does not happen. Members, employees, volunteers, and contracted service providers should be vigilant at all times. Anyone using cameras or film recorders for or on behalf of the Council should obtain consent from the parents of children being photographed or filmed before the activity commences.

When commissioning professional photographers or inviting the press to cover Council services, events and activities the Council's expectations must be made clear in relation to child protection by checking the credentials of any photographers, ensuring identification is

worn and by not allowing unsupervised access to children or one to one photographic session.

The Council acknowledges there is no law preventing people from taking photographs in public, including taking photos of other people's children. Goring-on-Thames Parish Council wants to encourage quiet enjoyment of all council owned assets, with residents and visitors having no need to worry about photographs being taken of them without permission. The Council does not permit photographs to be taken from or on land owned and managed by the Parish Council, including:

- Sheepcot Recreation Ground
- Gardiner Recreation Ground
- Whitehill Burial Ground
- Bourdillon Field
- Rectory Garden
- Ferry Lane Open Space

unless in the following situations.

- Council Events
 - Safeguarding protocols to be followed, permissions sought from parents / guardians. Professionally commissioned photographers or press to be checked and identification to be worn.
 - Notification of any photography and how it will be used to be attached to any booking forms and notices.
- Hirers and Hire Events
 - To be notified of the Safeguarding Policy, to be asked for a copy of their safeguarding policy. To ensure policy includes seeking the permission for taking and publication of photographs.
