21.22.4.2. Matters arising from the minutes not elsewhere on the agenda.

None

21.22.5. To consider consultation response to Planning Appeals, response to be submitted to the Planning Inspectorate.

21.22.5.1. APP/Q3115/W/22/3291889 Relating to: P20/S4706/FUL: Land to the west of Wallingford Road Adjacent to Sewage Works between Goring and South Stoke RG8 0JA

Temporary planning permission for 25 years for the development and operation of a Transitional Hybrid Energy Project and associated infrastructure including access (2021-08-16 Amended Plans to extend red line, include additional landscaping and landscape details and temporary construction compound, and additional landscape and air quality details submitted 20/04/21 and 21/05/21).

The Assistant Clerk highlighted that a response was only required if the Committee Changed its response as previously given to application P20/S4706/FUL.

Mitigation of planting will reduce the negative views against the ANOB and not addressing neighbourhood plans policy 11.

Resolved: Unanimously approved to not submit further comment to the Planning Inspectorate. The Committee stands by our previous comments and objections. The mitigation of 6.18 is not addressing the neighbour plans policy 11.

21.22.6. To consider applications and approve response to planning authority.

21.22.6.1. P22/S1326/LDP – Jordleys; Manor Road; Goring; RG8 9EN

Lawful Development Certificate - Proposed use Class E - Ancillary Buildings - Swimming Pool

Resolved: Approved Unanimously to OBJECT and submit the response: This is not a planning consent, we ought to consider if planning permission would be granted should it be applied. It should purely be a swimming pool, and not have any residential implications. A flood risk assessment should be taken as it is in a flood risk 3 area. It could feel dominating and not in keeping with the current house which has architectural merit. Object to allow the LDC, and refer this to planning, and attach the General Planning Informative.

21.22.6.2. P22/S1285/FUL – Dorvic; Fairfield Road; Goring; RG8 0EX

Variation of condition 5 (Facing Materials) in application P20/S0372/FUL. Demolition of existing dwelling. Erection of replacement dwelling house.

Permission is given for a modern building, they have built something different to the originally approved plans. It was understood by the application, the change has happened to be the same as the houses along the road. There appears to be a disregard to the planning process.

GORING-ON-THAMES PARISH COUNCIL

Resolved: Unanimously approved to submit the response: OBJECT, as this is a change to original application and progress has already been made towards the change, and attach the General Planning Informative.
