

	Please rank your TOP THREE priorities for establishing or renewing equipment/areas for the different ages/groupings.	Please rank your TOP THREE priorities for LOCATION to establish or renew equipment/areas.	BOURDILLON - In principle, do you agree that this is the right approach?	Please provide comments and/or suggestions for BOURDILLON FIELD.
1	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	.
2	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND	YES, I AGREE	Benches yes, but NO covered areas. Waste of money. People can take covers with them.
3	Young children/toddlers (up to 3yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	NO STRONG VIEWS	Covering areas begs the question: who would keep them clean? The covered station bridge steps are sad proof that weather the elements dirt and rubbish will prevail. Also ugly.

4	Young children/toddlers (up to 3yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	NO STRONG VIEWS	Covering areas begs the question: who would keep them clean? The covered station bridge steps are sad proof that weather the elements dirt and rubbish will prevail. Also ugly.
5	Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	.

63			NO STRONG VIEWS	.
64	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank THIRD, All family/general areas for all ages: Rank FIRST		YES, I AGREE	However I do not agree to covered shelters, it invites inappropriate use. Surely people will make appropriate precautions during inclement weather conditions.
65			YES, I AGREE	Unfortunately the equipment keeps getting destroyed. The cost is ongoing. The children from school no need this area.
66			YES, I AGREE	.
67	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Adult (for exercise): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	.

Agree in principle of a primary school age focus but inevitably families visit with younger and slightly older siblings too and thus equipment should have elements that cater for slightly wider age range. The mound although giving a fun vantage point for children also creates areas of the park that are difficult to see as a parent. Supportive of shelter to make the area suitable in all weathers. The park provides no natural shelter from the sun. I asked my children (age ___ and ___) what they would like to see here. Equipment more like that at South Stoke, Moulsoford, Crowmarsh, or Benson. Climbing equipment incorporating a taller slide and scramble nets/climbing wall/ladders. Swings. A zip wire. They do like the 3 existing pieces of equipment that spin. At this age group, equipment that inspires role play, uses senses and is more physically demanding is required. When the primary school renewed their play equipment they successfully involved the children to vote on pieces of equipment. I wonder if that approach could be used in part here to ensure children have a park that feels like they had direct input, 'theirs' to use, respect and 'look' after.

Many primary aged children will have younger siblings at similar age to play there too. Shelter isnt really needed - there are trees for shade and we wouldn't go in the rain! It also might encourage teens to hang out / rubbish and bottles not great for young children / plus might put off young families from going. Spend this perhaps on soft flooring so it doesnt become muddy. Both paths running along the sides of the field are too thin for pushchairs it would help that these are widened. The walking chain at the back isnt used at all. No one knows how to play on the frame with the long blue plastic.

Strongly disagree with the provision of covered areas to shelter from rain or sun! People are capable of taking waterproofs, umbrellas, sun shades and hats for protection. The cost of constructing and maintaining shelters is not justifiable. The other big issue to consider is the inappropriate use of such areas by teenagers(+/-) to gather and drink, take drugs etc, leaving rubbish and materials hazardous to young children, wildlife and pets. For shade and cover best to plant trees . . . don't believe the circumspect advice of an architect, without very solid evidence. We have to live with climate change and make positive adaptations not build unnecessary structures to hide from it!

191	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Yes there should be a refurbished playground for primary age children and toddlers (who accompany parents to school). Please can the field be dog free as we always trod on dog mess when my children were young and walking across the field (which was not good when they got to school).
192			NO STRONG VIEWS	I don't go there!

193	Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	NO, I DISAGREE	Whilst it is located behind the primary school it is an area used by teenagers too. It could be great for the whole community so agree on picnic benches. I imagine something more akin to Blewbury Park - something for everyone - play equipment from preschool to young adults, sports (football/basketball/skateboard areas) and seating. Plant trees for shelter from the sun. If it's raining who will stay in the park?
194			YES, I AGREE	.
195	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	A range of play equipment which has something for children 0-12 years so that offers a range of challenge. Again, I don't think covered areas are needed, better to spend this money on decent equipment.
196	Young children/toddlers (up to 3yrs): Rank FIRST, Teens (12/13yrs+): Rank THIRD, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	Lots more trees and varied foliage and surface (not just grass, but also wood chips, pebbles, etc.)
197	Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank SECOND	YES, I AGREE	Could also easily have a small boules (petanque) area for teenagers and adults
198	Teens (12/13yrs+): Rank THIRD, Adult (for exercise): Rank FIRST, All family/general areas for all ages: Rank SECOND	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Yes, I agree - this is next to the school and is a safe environment.
199	Young children/toddlers (up to 3yrs): Rank THIRD, Adult (for exercise): Rank FIRST, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Good proposal to support social engagement near primary school

200	Teens (12/13yrs+): Rank THIRD, Adult (for exercise): Rank FIRST, All family/general areas for all ages: Rank SECOND	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	This sounds fine to me.
201	Teens (12/13yrs+): Rank THIRD, Adult (for exercise): Rank FIRST, All family/general areas for all ages: Rank SECOND	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	I agree 100%
202	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	NO, I DISAGREE	I agree, but with the addition that this area should incorporate play space/equipment for littler children too. Families don't tend to operate in siloes, often having children who straddle age ranges. If you have a child in primary you might also have a toddler or reception aged child – should one child only be able to play there with appropriate age equipment, and then what, have to go to another location to please the younger child? Plus, parents might want to entertain a smaller child whilst waiting for the elder to finish school. Very supportive of renewing in that location, but unsupportive of the delineation of age group equipment across the spaces in the village as I don't think it reflects how families would need to use play spaces.
203	Young primary children (4-7yrs): Rank FIRST, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Makes lots of sense to focus on this age group
204	Young primary children (4-7yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Makes sense as it's next to the primary school
205	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Responsible dog owners and well behaved dogs should continue to have access to the field. Use and emptying of the dog bin should be improved.

206	Young children/toddlers (up to 3yrs): Rank FIRST, Teens (12/13yrs+): Rank THIRD, All family/general areas for all ages: Rank SECOND	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	Seems appropriate as it is next to the Primary school
207	Young children/toddlers (up to 3yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank THIRD, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	this is the logical site for primary aged children though useful to have some items for younger children's use as they may be accompanying parents collecting older siblings
208	Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Benches for parents and grandparents to sit and observe children, have picnic etc. would be great.

In principle, I agree with the proposal to locate equipment for primary-aged children next to the school and this is a safe, enclosed (and underused) space. Remember also that site GNP6, allocated in GNP for housing and with a current planning application submitted but outstanding, is required to provide a developer-funded secure play space for 6-12s. You can see the plans online and they include a playground. The north of the village could find itself over-provided, with poorer provision in the centre/south.

A complete overhaul akin to all the great play spaces in surrounding villages is required (e.g. Blewbury, Warborough etc). Covered areas not essential. Well designed play equipment can be for all ages. All current residents backing onto Bourdillon decided to live there in the knowledge that it was an existing childrens' play area; a proper adventure play area would be an asset to the primary school's offering. Maybe this is the best position for the skate park / bike track? Or adjacent to land being developed for more family houses i.e. GNP6.

397	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Ferry Lane Open Space (next to the river): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Yes - agreed

398	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	This has been needed for years!! , Park at the moment is not suitable. More play equipment needed for the children its all looking very worn.And seating areas, also some shaded areas, there is none!
399	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	100% agree. Benches just outside the boundary of the park would be useful for parents with dogs.
400	Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	I would be cautious how many sheltered areas you provide as these will be used by teenagers looking for somewhere to drink
401			YES, I AGREE	It should be child-focused because of its proximity to the school
402			YES, I AGREE	It should be a child-focused area because of the proximity to the school
403	Young children/toddlers (up to 3yrs): Rank THIRD, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	close to school
404		Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	NO, I DISAGREE	I would support the replacement etc of equipment, and maybe a few benches but I do not see the need for covered areas, which will only encourage certain groups gatherings at unsocial times. I would think this should be a priority for young children especially set so close to the School.
405	Young children/toddlers (up to 3yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Sensible proposal as next to the school
406	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank THIRD, Ferry Lane Open Space (next to the river): Rank SECOND, Rectory Garden (next to the Village Hall): Rank FIRST	YES, I AGREE	South Stoke has an excellent playground providing a rich playing experience for children of a wide range of ages. Perhaps Goring could look at that and a number of the other well equipped playgrounds in the area before formulating a plan.

407	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank FIRST, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	As the field is behind the Primary School it is important that this area should be given priority for children of that specific age group
408	Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank FIRST	Ferry Lane Open Space (next to the river): Rank THIRD, Rectory Garden (next to the Village Hall): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	A good idea
409	Teens (12/13yrs+): Rank SECOND, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank FIRST	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	NO STRONG VIEWS	Except with respect to shelters which are unnecessary for the purpose suggested, but could provide a high maintenance haven for anti-social activities
410	All family/general areas for all ages: Rank FIRST	Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	All of the above makes sense
411	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Sheltered area is not necessary and may encourage older teens to congregate in this isolated area late into the night. Any final plans should be further discussed with neighbouring properties. The installation of the basketball/football goal was introduced without consultation with neighbours and has resulted in damage as kids climb over fences to retrieve balls.

412	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	NO, I DISAGREE	I think this area should be for preschool children as well
413	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	NO, I DISAGREE	I think this area should be equipped for preschool children as well as primary aged children.
414	Young primary children (4-7yrs): Rank SECOND, Adult (for exercise): Rank FIRST, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank THIRD, Ferry Lane Open Space (next to the river): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	.
415			NO STRONG VIEWS	.
416	Young primary children (4-7yrs): Rank FIRST, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	.

418	Older primary children (8-11/12yrs): Rank FIRST, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	.
419	Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Rectory Garden (next to the Village Hall): Rank SECOND	YES, I AGREE	Because it is close to the school. Well situated.

420	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Adult (for exercise): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND	YES, I AGREE	.
421	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	.
422	Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank SECOND		YES, I AGREE	Benches and shelters should be located along the perimeter of the field.
423	Young children/toddlers (up to 3yrs): Rank SECOND, Teens (12/13yrs+): Rank THIRD, All family/general areas for all ages: Rank FIRST	Ferry Lane Open Space (next to the river): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Rectory Garden (next to the Village Hall): Rank FIRST	YES, I AGREE	.

This would cater for older brothers and sisters.

607	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	I strongly think the existing equipment needs to be replaced. Benches are needed but strongly disagree with covered areas as sadly these will become public toilets and drug dealing areas
608	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	As the field is also frequently used by teenage children (playing football or basketball) this age group should also be kept in the focus.
609	Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank FIRST	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Absolutely. It is a sensible extension of the school .

610	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	I think the balance between the five areas has been thought through well.
611		Bourdillon Field (behind Goring Primary School): Rank FIRST, Rectory Garden (next to the Village Hall): Rank FIRST, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Near school
612	Teens (12/13yrs+): Rank SECOND, Adult (for exercise): Rank FIRST, All family/general areas for all ages: Rank THIRD	Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Great place for a child focused area
613	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank SECOND, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Ideal safe place for primary school children as it was originally intended.
614	Young children/toddlers (up to 3yrs): Rank THIRD, Young primary children (4-7yrs): Rank THIRD, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD	NO STRONG VIEWS	Does make sense though seeing as it is located next to the Primary School.
615	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Good for children and parents

Plus it would provide a welcome play area for the many families in Cleeve.
634	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	This is logical with the adjacency of the primary school

637	Older primary children (8-11/12yrs): Rank THIRD, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	NO, I DISAGREE	While I have no objection to renewing play equipment for children, to erect any form of covered area for weather protection creates the ideal place for Teens to hang around evenings, spraying graffiti, leaving litter etc. Seating could be useful!
638	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank SECOND, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Ferry Lane Open Space (next to the river): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Sounds sensible
639	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	There is already a sign asking for dogs to be kept on a lead but this is widely ignored. I think it would be good to have this restriction so as to minimize the risk of dog fouling and over exuberant dogs molesting little people
640	Young children/toddlers (up to 3yrs): Rank THIRD, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank FIRST, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	However, would not be happy with covered areas as this may encourage drug taking/drinking and anti social behaviour. There have been problems in the past with young people congregating in this area.

654	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	Some extra litter bins and a complete ban on dogs (at least anywhere near the play area)
655	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	This is logical as the field is near the primary school. Our play areas for this age group compare very unfavourably with those in, say, Pangbourne.
656	Young children/toddlers (up to 3yrs): Rank THIRD, Teens (12/13yrs+): Rank FIRST, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD	YES, I AGREE	Adventure playground similar to South Stoke's
657	Teens (12/13yrs+): Rank THIRD, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Ferry Lane Open Space (next to the river): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	This is where all the young children go and it would be great to make it a much better space for them.
658	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	a great space to blow off steam after school. perfect place for playground
659	Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	It would also be beneficial for older people to have something like a boules/petanque area for social interaction and exercise.
660	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank THIRD, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Larger central structure with multiple access/exit points

661	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank THIRD, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Its the obvious place
662	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Make sure adults supervising have plenty of cover and seating
663	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	Ideally should have an 'adventure playground' emphasis where children can explore and improvise play.
664	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Updated play area for primary kids of all ages much needed
665	All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	I don't see the need for a covered area as this will become a base for youths and therefore likely to encourage drug and drink abuse.
666	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank THIRD	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	It should be a safe adventure playground using natural materials as much as possible
667	Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank FIRST, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	A well used facility
668	Young primary children (4-7yrs): Rank SECOND, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	The opportunity here is great but it needs to be teenage proof!!!

669	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	This is a great idea a perfect age group. Many parents and children going there after school and at the moment equipment does not suit the age group
670	All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	This makes sense, as the Bourdillon field is right behind the school, so will be used by young children after school. It also seems to me to be the safest open space for younger children (safely enclosed and away from main roads)
671	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank THIRD, Ferry Lane Open Space (next to the river): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Upgrade the play equipment
672	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank SECOND, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	The existing equipment is tired and should be replaced.
673	Young primary children (4-7yrs): Rank THIRD, Teens (12/13yrs+): Rank FIRST, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	Agree with the approach
674	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank FIRST, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	The current set up is poorly thought out and does not fulfil the potential of the space
675	Teens (12/13yrs+): Rank THIRD, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	NO, I DISAGREE	The current play equipment only takes up a relatively small part of the Field, the rest being a boring area of grass. In addition to the installation of new equipment, the land should be made more attractive by planting more trees there, and even perhaps a community orchard, such as the one at Blewbury, which co-exists with a great playground and a skateboard track. Some picnic tables could be installed too.

676	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Desperately needs equipment for children of all ages. Crowmarsh park, Benson park and even south stoke park are complete inspirations
677	Young primary children (4-7yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank FIRST	Ferry Lane Open Space (next to the river): Rank FIRST, Rectory Garden (next to the Village Hall): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	This is the right approach as the field is close to the primary school
678	Teens (12/13yrs+): Rank THIRD, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Ferry Lane Open Space (next to the river): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Given the location, I agree that this is a good place for equipment for primary aged children.
679	Young children/toddlers (up to 3yrs): Rank THIRD, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Important to give this space some attention.
680	Young children/toddlers (up to 3yrs): Rank THIRD, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Rectory Garden (next to the Village Hall): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	As long as doesn't have consequence for other users i.e.taking away space
681	Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Cover from rain
682	Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND, Adult (for exercise): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	NO, I DISAGREE	I'm not sure it needs to be child-focussed, I don't see that many children play there and I live nearby.
683	Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Ferry Lane Open Space (next to the river): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	NO, I DISAGREE	It should have facilities for primary children but there is also space to add in facilities for older children as well

684	Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank SECOND	Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	It is potentially a lovely play area for young children and their parents need somewhere to sit. It currently feels as if it is due for a refurb
685	Older primary children (8-11/12yrs): Rank SECOND, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Do young children go to the playing field in the rain? Trees for shade would be better
686	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank THIRD, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	The playground here is reasonable but quite small.
687	Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	NO, I DISAGREE	This equipment appears very useable. Please provide some much needed equipment for older children.
688	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank FIRST, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank THIRD, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	NO STRONG VIEWS	Bourdillon is very useful for children at the primary school and is secluded from general view so is probably a safe place for young children to play. Existing equipment was bought substantially with cash raised from charitable donations and some public subscriptions. Ideally, funds for its replacement should be raised in a similar way.
689	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	As the Bourdillon Field is so close to the primary school and as it is already regularly used by primary school children, it seems sensible that new equipment is for that age-group (and maybe additionally for younger children - siblings of those at school).
690	Young children/toddlers (up to 3yrs): Rank THIRD, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	Agree - this is most used by the children of Goring primary school. As long as it remains a dog friendly area too.

691	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND	YES, I AGREE	This area definitely needs refurbishing
692	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST		NO STRONG VIEWS	Though it is next to the primary school, it is in an area of the village where families with older children live, and is a popular and safely accessible space for all children. Worth considering increasing facilities for older children here if space allows.
693	Young children/toddlers (up to 3yrs): Rank THIRD, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank FIRST, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Ferry Lane Open Space (next to the river): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	NO STRONG VIEWS	It's a small area - a sensory play might be worth exploring. There is very little in the village to support children with disabilities
694			YES, I AGREE	Because of its proximity to the Primary School.
695	Young children/toddlers (up to 3yrs): Rank THIRD, Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST, Adult (for exercise): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	It is a popular place for children after school
696	Young children/toddlers (up to 3yrs): Rank THIRD, Teens (12/13yrs+): Rank FIRST, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank SECOND, Ferry Lane Open Space (next to the river): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	The playground mostly serves the primary school pupils and their parents so yes I think this is right

697	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank SECOND, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	I agree
698	Young children/toddlers (up to 3yrs): Rank FIRST, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	Given its location close to the primary school the focus here seems correct.
699	Young children/toddlers (up to 3yrs): Rank THIRD, Young primary children (4-7yrs): Rank FIRST, All family/general areas for all ages: Rank SECOND	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND	YES, I AGREE	Also should have some equipment suitable for younger siblings
700	Teens (12/13yrs+): Rank SECOND, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank FIRST	Ferry Lane Open Space (next to the river): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank THIRD	YES, I AGREE	Not certain that a covered area is really necessary
701	All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	A shelter for rain seems un-necessary, and it would need to be large to hold 2-3 families trying to shelter at the same time. I think trees would be better shelter from the sun too.
702	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	.
703	Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	No further comment

704	Older primary children (8-11/12yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	NO, I DISAGREE	I don't see any evidence to support this view. It is in the centre of a well populated area of the village and possibly more teenage living children close by. This needs to be researched before a decision is made.
705	Young children/toddlers (up to 3yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank THIRD, Rectory Garden (next to the Village Hall): Rank SECOND	YES, I AGREE	That sounds fine
706	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank THIRD	Ferry Lane Open Space (next to the river): Rank THIRD, Rectory Garden (next to the Village Hall): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	a superb idea - right by the school. Seems obvious and no sports there that may cause issues.
707	Young children/toddlers (up to 3yrs): Rank THIRD, Teens (12/13yrs+): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank SECOND, Rectory Garden (next to the Village Hall): Rank THIRD	YES, I AGREE	I have no specific suggestions
708	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	NO STRONG VIEWS	Provided older kids provided for elsewhere then just needs to be a good use of the space
709	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank THIRD	Ferry Lane Open Space (next to the river): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Makes sense
710	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	NO STRONG VIEWS	No strong views
711	Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank THIRD	YES, I AGREE	As this is next to the Primary School it is right for the Bourdillon Field to be child-focussed.

712	Young children/toddlers (up to 3yrs): Rank FIRST, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank SECOND, Adult (for exercise): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank FIRST, Ferry Lane Open Space (next to the river): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Rectory Garden (next to the Village Hall): Rank THIRD, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	Definitely needs upgrading, there is no climbing and and merely any suitable to primary school children equipment available
713	Teens (12/13yrs+): Rank SECOND, Adult (for exercise): Rank FIRST, All family/general areas for all ages: Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	maybe get another football goal as the one there gets over-crowded when lots of children are there
714	Young primary children (4-7yrs): Rank THIRD, Older primary children (8-11/12yrs): Rank SECOND, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank FIRST, Sheepcot Field & Pavilion: Rank SECOND	YES, I AGREE	This seems sensible.
715	Older primary children (8-11/12yrs): Rank SECOND, Teens (12/13yrs+): Rank THIRD, All family/general areas for all ages: Rank FIRST	Bourdillon Field (behind Goring Primary School): Rank THIRD, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Sheepcot Field & Pavilion: Rank FIRST	NO STRONG VIEWS	.

717	Young primary children (4-7yrs): Rank SECOND, Older primary children (8-11/12yrs): Rank FIRST, All family/general areas for all ages: Rank THIRD	Ferry Lane Open Space (next to the river): Rank SECOND, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank THIRD, Sheepcot Field & Pavilion: Rank FIRST	YES, I AGREE	Should be renewed

718	Young children/toddlers (up to 3yrs): Rank SECOND, Young primary children (4-7yrs): Rank FIRST, Older primary children (8-11/12yrs): Rank THIRD	Bourdillon Field (behind Goring Primary School): Rank FIRST, Gardiner Recreation Ground & Pavilion (often referred to as 'the cricket ground'): Rank SECOND, Rectory Garden (next to the Village Hall): Rank THIRD	YES, I AGREE	Fully agree with the proposal. Goring is far behind the majority of local villages in terms of quality of play equipment. Bourdillon is the best place to prioritise given the proximity to the school and location of families in the village being more in this area.

1	NO, I DISAGREE	I think you should take professional advice in respect to the inclusion of special needs children.	NO, I DISAGREE	I see no need to change the current focus on the ground. Cricket and football has been played here for over 100 years. Why change? Seats were always provided until removed and a covered area was provided until removed by the Council.
2	YES, I AGREE	Benches yes - NO to covered areas.	YES, I AGREE	But no covered areas.
3	NO, I DISAGREE	We are very concerned with the suggestions relating to the open space at the bottom of Ferry Lane and wish to set out the key issues. We should add that we have lived [near] the space for _____ years and know very well what happens at different times: 1. Restricted vehicular access (signs erected by the County Council at the top of the Lane make this clear). 2. Lack of parking for cars including disability access. Cars already block access to the Thames Water pumping station that is required to be accessible 24 hours a day for obvious reasons. 3. Sensory impairment and the River Thames presents a real safety issue. The river bank is often deceptively slippery. A young child drowned there a few years ago, in June, strapped into a push chair that slipped into the river in sight of her mother. 3. There is regular drug use and drug dealing at dusk in that space which we witness but dare not act upon for fear of reprisals. A covered area would be present an ideal cover for this activity. The resultant increase in drug paraphernalia left behind must be expected. Who is supposed to clear up after this? 4. The Pumping station releases effluent into the Millstream. We have had this problem for over ___ years and continue to notify Thames Water of the problem. The effluent often smells and presents a serious health hazard. This must be addressed before encouraging any increased activity in the area. 5. Covered areas, wherever they are placed, attract rubbish and anti social behaviour. To be blunt, particularly in recent years, people use the Millstream as a toilet; a covered area would provide a dryer option for the purpose. We are so surprised by the proposal and can only assume that the idea emerged from someone who is entirely unaware of the issues.	YES, I AGREE	Please NO to covered areas that attract rubbish.

8	YES, I AGREE	.	YES, I AGREE	.

9	YES, I AGREE	.	YES, I AGREE	.
10	YES, I AGREE	Important to keep this small area nature-focussed to provide a calm space and the conservation of wild life and plants.	YES, I AGREE	The main area of the ground will have to be closely mown for cricketers. The edges should be left unmown with a view to conserving natural grasses and flowers.
11	NO STRONG VIEWS	My priority is a small access point to launch canoes - for a village on Thames it is really hard to launch a canoe	YES, I AGREE	Cricket AND football
12	YES, I AGREE	.	YES, I AGREE	.
13	YES, I AGREE	I agree with the idea of a nature and sensory space - but please be aware drug users have been known to use this area so covered areas could encourage this usage. Evidence of drug related debris regularly appears.	YES, I AGREE	However, the play are should expand to cover all primary ages.
14	YES, I AGREE	.	YES, I AGREE	.
15	NO, I DISAGREE	This space is too small for anything else. It's one of the few points of access to the river for paddleboarders, canoeists, etc.	YES, I AGREE	.

18	NO, I DISAGREE	I do not consider the area is suitable for special needs due to the nearness of the river and the access is not good.	NO STRONG VIEWS	I do not consider the covered shelters are necessary.

24	YES, I AGREE	.	NO, I DISAGREE	This is the heart of the village. Football and cricket have always been played there for as many years as I can remember and why you think its called the cricket ground you must be new to the village and its sporting history and the days of Wednesday football for the shopkeeper being played there.

34	YES, I AGREE	.	YES, I AGREE	.

35	YES, I AGREE	I would like to see the design of the covered areas before saying yes to these. In view of the vandalism that used to occur in this area, I would like to see the play area, benches and litter bins constructed of vandal-proof material if this is possible. Benches and bins used to be set alight and tossed into the millstream, together with loads of bottles and cans.	YES, I AGREE	Again, I would like to see the design of the covered areas before saying yes to these. I would like to see regular football played here out of the cricket season to ease the wear and tear on Sheepcot Field. The Council always liaised with clubs in the past and were far more aware of when matches were being played and where, and how often.
36	NO, I DISAGREE	Shelters are a waste of money. I would like this space to be maintained to a better standard so people can enjoy the open space, but can see wildlife anywhere in the village and surrounding area.	NO, I DISAGREE	This is not known as a cricket ground!! Football has been played on this Rec for many years (maybe longer than cricket). Please get your facts right!!! This area has been left to the village for sports not a Council office.
37	NO STRONG VIEWS	.	NO, I DISAGREE	Don't believe that the adult outdoor exercise equipment is actually ever used? At Streatley, I never see anyone using it. Agree with the remainder of the ideas.
38	YES, I AGREE	.	YES, I AGREE	Slight concern are expenditure. The primary school playground should be priority and then really other ways these fund could be used to benefit those that are struggling with the cost of living squeeze.
39	YES, I AGREE	Would be good to see use made of this space perhaps some monitoring of vehicle parking in adjacent end of road could be monitored.	YES, I AGREE	Current playground equipment is aged and can feel unsafe. Tree maintenance above slide also needs to be more regular.
40	NO, I DISAGREE	Leave it as it is.	NO, I DISAGREE	I am told most cricketers come from outside village. I think they should allow the one soccer pitch as well.

64	NO, I DISAGREE	This space is perfectly equipped already for quiet relaxation with the three benches already in place. The suggested covered areas are not necessary and will invite wild camping and inappropriate use. Surely during inclement weather conditions people will come prepared.	NO, I DISAGREE	I disagree to exercise equipment, more benches and covered areas. Exercise equipment will be a 'one day' wonder p is open to vandalism as the activity is not supervised. NO to shelters - people can shelter in front of the cricket pavilion. This space is used by many elderly residents for quiet recreation and watching play.
65	YES, I AGREE	Would love this to happen.	NO STRONG VIEWS	It's fine as it is.
66	YES, I AGREE	.	YES, I AGREE	.
67	NO, I DISAGREE	No shelters. They will be slept in and use for the wrong purposes. It's a natural space not to be spoilt by structures.	NO, I DISAGREE	No indication of what equipment being considered. The last proposal was for c75m of equipment needing a 4m high safety net to protect children from cricket balls.

70	YES, I AGREE	The area needs to be under some surveillance - as it is sometimes used for doubtful purpose - too hidden away.	NO, I DISAGREE	The existing role/areas for cricket (and nets) and soccer fixtures should be maintained. Do not let the bowls area die. Get out of the pavilion.
71	YES, I AGREE	A big enough covered area for big groups to sit and options for picnics would be nice.	YES, I AGREE	The play park is in dire need of updating, but please can we keep the slide! The exercise machines are a fab idea!!
72	NO, I DISAGREE	We removed waste bins etc as they were being set on fire and a lot of vandalism - just put benches and tables.	NO STRONG VIEWS	.

75	YES, I AGREE	Agree the beauty of the river and nature should be preserved and enjoyed. As a parent to young children, I would not be too comfortable with any 'play' space too close to the river due to safety.	YES, I AGREE	The current play area for children is in desperate need for a refurb especially with the fantastic play spaces on offer for other villages. It would be desirable to opt for wooden structures rather than metal framed playground

105	YES, I AGREE	Good to keep this as a nature-focussed area, retaining and adding to the number of benches.	NO STRONG VIEWS	I favour improving the playground for very young children and adding equipment for all primary age children. All-family exercise equipment in other villages has been little used. Benches: yes. Shelters: perhaps if they will be designed and cost of provision and long-term maintenance settled.
106	NO, I DISAGREE	Leisure for families and a 'small craft' launch area. Should the sensory play area be included in the Rectory Garden idea?	YES, I AGREE	Fine

140	NO STRONG VIEWS	Agree with a place to relax. Benches. The area is quite sheltered with trees providing some shade I think. I feel the area should remain natural, peaceful and mostly open. The area would still need to be a walk through and not a contained play area. Not sure the area needs permanent structures but if used I consider they should be made of natural materials and blend in. That said sensory equipment would be great somewhere - is this the right location? Is it accessible enough? Depending on the special needs a quieter setting like this may be more appropriate than incorporating into other play areas. Think I would need to see plans to understand how the space would be structured and enable an informed opinion on the use of this space.	YES, I AGREE	The proposed improvements generally sound appropriate. Would question whether the playground should be exclusively for the very young given families with very young children will often have another child say of young primary school age. So equipment that would inspire that age also whilst being safe for the very young would make a family visit workable. All family exercise equipment outside of this area would also be a great asset if the right equipment is chosen. Include provision for outdoor concerts/theatre where using Rectory Gardens is not appropriate.
141	YES, I AGREE		YES, I AGREE	refurbished playground is a good idea
142	YES, I AGREE		NO STRONG VIEWS	
143	NO, I DISAGREE	Would prefer this money to go into the other play areas to make them even better. The ground is often sodden and it's dark under the trees and right by the river! I wouldn't recommend this location for any kind of SEN garden right by the river. Wildlife is easily accessed further along the path further down to the fields. If anything this could be a later phase if further budget allows but I'd suggest not stretching it too thin across all areas and focus on key spaces that are already used.	YES, I AGREE	There are plenty of trees for sun shade and if it rains less likely for people to use. So shelter feels like a waste of money. As mentioned before might also encourage teens to gather - rubbish bottles etc not great for toddlers!!! Spend instead money on making the fencing around the play space smarter. Agree with age choice here lots of mums with toddlers meet here regularly.
144	YES, I AGREE	Any work should not change the feel of the area.	NO, I DISAGREE	The Gardiner has been the home of Goring United for many years and plays a large part in many villagers lives. It should be prioritised as a home for both cricket and football and money should be invested to improve the playing surface and gradient. Higher levels of football insist on facilities currently not available in Goring. This should be one of the villages aspirations. The edges should have suitable equipment installed if safe and practical.

145	YES, I AGREE	Nature focused is a good approach	YES, I AGREE	Sensible
146	YES, I AGREE	Could there be a safe way to get close to the river bank for smaller children to look - I mean a slope with a rail or something like that.	YES, I AGREE	.
147	NO STRONG VIEWS	Benches would be a good idea.	NO STRONG VIEWS	Would give priority to refurbished playground.

150	YES, I AGREE	Agree to principle of nature-focus, including benches but NOT shelters as these would be a security and maintenance liability.	YES, I AGREE	Agree to general approach but NOT provision of shelters as these would be a security and maintenance liability.
151	NO, I DISAGREE	The proposals would overcrowd the area only additional benches are needed, certainly not a covered area.	YES, I AGREE	There should not be any covered areas.
152	NO, I DISAGREE	The proposals would overcrowd the area only additional benches are needed, certainly not a covered area.	YES, I AGREE	There should not be any covered areas.

153	YES, I AGREE	Concerned about covered area that may encourage unwanted activities	NO, I DISAGREE	The name, Gardiner Recreation Ground should be retained and this space should be kept for the present usage of cricket, football and bowls. The pavilion should be used only for sporting activities as originally intended and should be vacated by the Parish Council as soon as possible. The covered area at the front of the pavilion can be used to watch the football and cricket matches and additional benches would be a good idea. These could be sponsored by the clubs and perhaps as memorial benches with no cost to the parish.
154	NO, I DISAGREE	This is a very small area and I'm not sure quite what wildlife (apart from geese and ducks) would be observed! There are already a number of benches for people to sit along the towpath, including four in this open space.	NO STRONG VIEWS	Surely more space here for the suggested 'sensory area'
155	NO, I DISAGREE	Agree area should be nature focused and any provision to promote sensory areas and wildlife knowledge/appreciation is excellent. The riverside is not an area where 'casual play' is to encouraged - the river has to be respected and safety of all is a priority. Area to be kept as natural as possible and accessible to all. Strongly disagree with the provision of covered areas to shelter from rain or sun! People are capable of taking waterproofs, umbrellas, sun shades and hats for protection. The cost of constructing and maintaining shelters is not justifiable. The other big issue to consider is the inappropriate use of such areas by teenagers(+/-) to gather and drink, take drugs etc, leaving rubbish and materials hazardous to young children, wildlife and pets. For shade and cover best to plant trees . . . don't believe the circumspect advice of an architect, without very solid evidence. We have to live with climate change and make positive adaptations not build unnecessary structures to hide from it!	NO, I DISAGREE	Agree area should have benches for 'supervisors' (note: other people take children to the park not just parents!!!) to relax and rest while observing children at play. Also, to watch cricket etc. Strongly disagree with the provision of covered areas to shelter from rain or sun! there is already the pavilion with a covered area. Benches could be added to make any recreational time at the Gardiner easier People are capable of taking waterproofs, umbrellas, sun shades and hats for protection. The cost of constructing and maintaining shelters is not justifiable. The other big issue to consider is the inappropriate use of such areas by teenagers(+/-) to gather and drink, take drugs etc, leaving rubbish and materials hazardous to young children, wildlife and pets. We have to live with climate change and make positive adaptations not build unnecessary structures to hide from it!
156	YES, I AGREE	Lovely idea	YES, I AGREE	This should remain cricket focussed as there are plenty of football pitches in Sheepcot fields

157	NO, I DISAGREE	We think this area would only be used in fine weather so covered areas would be a waste of money and could attract delinquency.	YES, I AGREE	.
158	NO, I DISAGREE	We think this area would only be used in fine weather so covered areas would be a waste of money and could attract delinquency.	YES, I AGREE	.
159	NO STRONG VIEWS	It would be great if there was a place families could sit by the river with a picnic, to enjoy the sunshine, take paddleboards into the river or swim in the river. I don't feel as though the river is very accessible in Goring for families to enjoy with no obvious space set aside.	NO, I DISAGREE	I think the playground could also cater for older children, rather than being only for very young children. This is a more central location in the village than the gardiner recreation space and would be a good location a range of age groups to play and socialise.
160	YES, I AGREE	.	YES, I AGREE	.
161	YES, I AGREE	.	YES, I AGREE	Great plan
162	NO, I DISAGREE	Very much used as a footpath to the river. Definitely NO shelter and already plenty of new seats. Don't think wild. However planting would survive as many people picnic there in the summer.	YES, I AGREE	.
163	YES, I AGREE	I don't think a covered area is necessary. It will have maintenance and vandalism problems and may invite inappropriate behaviour.	NO, I DISAGREE	I agree with the playground refurbishment and benches but there is no need for a covered area or exercise equipment. Those items will need maintenance and will be a target for vandalism.
164	NO, I DISAGREE	I am opposed to the provision of shelters. They can be misused and gather litter, etc.	NO, I DISAGREE	As before, I am opp0sed to the erection of shelters. I think adult exercise equipment is rarely used.

170	YES, I AGREE	.	NO STRONG VIEWS	.
171	YES, I AGREE	There needs to be parking spaces so that people who can't walk far can access the site.	YES, I AGREE	Who will be responsible for making sure the all-family exercise equipment is regularly inspected and maintained?
172	YES, I AGREE	We are lucky to live by the river and I think we should take full advantage of it. I also support access to the river at Ferry Lane for paddle boards and canoes as access to the river in Goring is not easy at present.	YES, I AGREE	This is the obvious place for cricket based activity
173	YES, I AGREE	.	YES, I AGREE	.
174	YES, I AGREE	.	YES, I AGREE	.
175	YES, I AGREE	Be careful not to overdevelop the area. Larger bins for rubbish and dog waste are needed.	YES, I AGREE	.

178	NO, I DISAGREE	.	YES, I AGREE	no football at all, use only Sheepcot
179	NO, I DISAGREE	.	YES, I AGREE	no football at all, use only Sheepcot
180	NO, I DISAGREE	This is a peaceful spot as it is. It is delightful as it is for people with special needs. Adding further structures will detract from the beauty of this tranquil place.	NO, I DISAGREE	I agree with refurbishment of the playground. Cricket, football and bowls have always been played, and the practice nets already exist. Adult exercise equipment would be too intrusive.
181	YES, I AGREE	nice relaxing area	YES, I AGREE	space works well
182	YES, I AGREE	One of the most visible sites in the village. Lots of tourists/visitors see the site & think it would benefit from improving access & aesthetics of the site.	YES, I AGREE	Works well on current usage
183	NO STRONG VIEWS	See above re: shelter. This area has become increasingly neglected and badly needs a solution to the impact of increased foot traffic across the grass, perhaps a paved or gravel path.	NO, I DISAGREE	There should be no negative impact on the current uses of this space so additional uses of the edges are likely to be problematic and the Sheepcot proposals seem to be the best location for exercise equipment. There may be a need for more benches but the pavilion's verandah already provides emergency shelter.
184	NO STRONG VIEWS	Not great for small children as could fall in river	NO, I DISAGREE	The park there was donated by a child that died - how would he be remembered?

185	YES, I AGREE	.	YES, I AGREE	Apart from exercise equipment, no one ever on it at Streatley, waste of money.
186	YES, I AGREE	.	YES, I AGREE	Apart from exercise equipment, no one ever on it at Streatley, waste of money.
187	YES, I AGREE	Sensory space very good idea	YES, I AGREE	It is a beautiful area of open space. Let's use it to its full capacity
188	YES, I AGREE	Sensory space very good idea	YES, I AGREE	It is a beautiful area of open space. Let's use it to its full capacity
189	YES, I AGREE	Fantastic space for children	YES, I AGREE	The playground is always busy as the mums like it's location but we wish it was more like benson! The slide is very high and we are all worried about accidents on it. The benches are a great idea.
190	NO STRONG VIEWS	There will be a need to make this area safe. The river bank had low fencing but that was taken up by 'boat launchers'. Fishermen put up overnight shelters here in the season.	NO STRONG VIEWS	.
191	NO STRONG VIEWS	It is a small area and looks nice as it is. It would be helpful to have a wide path for pushchairs and wheelchairs through the space as it is often muddy) and benches for picnics.	YES, I AGREE	This sounds a good idea. Please can the area be DOG FREE as there is a lot of dog mess on the football pitches/cricket areas and people let their dogs off in the dark.
192	NO STRONG VIEWS	I like the nature concept, but not the covered shelters due to the hooligan element we can normally expect!	YES, I AGREE	Covered areas need to be graffiti proof!

193	NO, I DISAGREE	Like the idea of a sensory play area just not convinced Ferry Lane Open Space is the right location. Why not Gardiners Recreation? It is an area that feels a little neglected - the stream could be tidied up every quarter.	NO, I DISAGREE	When I had young primary school children I always felt the play area was too focused on the very young children. When you have friends and family visiting you walk into the centre of the village so there is nothing presently in the village for primary school-age children (nor young adults but not sure if this the best place for them). I think it is a great ground for cricket. Review the number of benches required as feels like there is quite a few already. Parents rarely sit down to watch children playing especially if the children are young!
194	YES, I AGREE	Picnic tables as before, though wooden structures of any kind are vandalised in this area, burnt, etc. Sadly therefore concrete. NO covered areas too useful for drug related problems.	YES, I AGREE	Keeping covered areas to the minimum, they will have to be maintained.
195	NO, I DISAGREE	I think it is already nature-focused and a lovely peaceful place to sit, have picnics. I do not think it needs covered areas - if you are out, you are out.	NO STRONG VIEWS	I agree with a refurbished playground for 0-3 years. I don't agree with the exercise equipment as don't think this is used enough to warrant the cost/upkeep or covered areas.
196	YES, I AGREE	.	YES, I AGREE	.
197	NO, I DISAGREE	It is very surprising that there is no public access to the river in Goring for canoes and paddleboards and this seems an obvious location.	NO, I DISAGREE	The current thinking is reasonable but too exclusive. The bowling green could be used as a croquet club at minimal expense when the bowls club moves to Goring Heath later in the year, and there are village residents who want to to form a Goring Croquet Club, which would be an asset to the village and used by teenagers and upwards. It would be within easy walking distance of the centre of the village, and also be an attractive spectator sport. An area for cricket nets can be provided at much less expense elsewhere on the Gardiner.
198	YES, I AGREE	This sounds like the right approach although it needs to be carefully planned so as to not encourage anti-social behaviour.	NO, I DISAGREE	With the bowls club green becoming available, that space should be given over to croquet which has a similar requirement for a good quality lawn and it would seem a waste for the lawn to be redeveloped for any other use. Croquet is suitable for ALL ages and this is the only suitable site for 'proper croquet' in the village. Also, this location, being very central, makes it easy access by foot for most residents.
199	NO, I DISAGREE	A launch for paddleboards and canoes would be excellent	NO, I DISAGREE	Strongly disagree with covered areas in that location as they will attract drug users, smokers, anti social behaviour. Would like to see bowls maintained.

200	NO STRONG VIEWS	I think this is fine as it is really - a peaceful, quiet area for people to enjoy nature.	NO, I DISAGREE	There seems to already be good provision for cricket and football and as this is an accessible central location, the bowling green, which I understand is soon to be available, would be perfect for croquet. While this would be a great addition for older adults (who seem under-represented in this questionnaire) but also for all ages. Speaking as someone who has been a member of nearby croquet clubs (that are not so nearby) I know I would be keen to join a croquet club if one was available on a good quality lawn.
201	YES, I AGREE	I like the idea of this being a nature area.	NO, I DISAGREE	When the bowling club terminates its lease this year there will be no provision for sport in Goring for the over 60s (who make up a quarter of the village's population). I suggest that the bowling green with its high quality lawn would be excellent for croquet (rather than a practise pitch or childrens playground).
202	YES, I AGREE	I think this location is an under used and under maintained space. Slight concerns of the safety of this as a space to play - more so for those with special needs, due to the proximity to the river, the substation and the stream. I want to see something done here as there is actually very limited 'river frontage' for the village people to enjoy but I just worry of the risks of encouraging this as a play space!	NO, I DISAGREE	As per my feedback on the Bourdillon, I'm generally unsupportive of segregating the play areas. In this location especially there is such a huge amount of space and actually devoting c90% of that space to cricket which gets played but a few weeks of the year feels the wrong balance. I think more space should be dedicated to a larger play area (or multiple areas) to encompass more than very young children. This is the 'heart' of the village as spaces go, let's not limit the time frame someone can go and easily enjoy the space without taking part in an organised cricket or football match. I don't play cricket or football and I have a 2.5yr old, so your plan actually sounds to me like we won't be catered for in this location for much of our future unless we take up football or cricket at a local team level. When I was growing up there was adult swings there as well as smaller swings, I don't understand why something that provides across ages can't happen again. Also, again, this reflects how families live and their needs - not a child of one age in one park and the child of another in another...
203	YES, I AGREE	Great idea	YES, I AGREE	Sounds inclusive and exactly what is needed to address all needs
204	YES, I AGREE	I agree but would like to ensure the space is a nature area that is accessible and enjoyable for all	YES, I AGREE	I'm happy for it to be used for cricket but that should be accessible to all our at least some of it rather than just nets for the cricket club only. I'm more keen on the aspects of modernising the play equipment and more family areas
205	YES, I AGREE	The charm of this space is it's unspoiled nature so minimum change please.	YES, I AGREE	It is right to provide for all ages in the centre of the village.

206	YES, I AGREE	This area is so close to the river that it should be left as untouched as possible	YES, I AGREE	Seems the right location for cricket but please refurbish the playground for very young children
207	NO, I DISAGREE	1) I am concerned about safety at this site. Children /adults with special needs usually need close supervision and are less aware of dangers . The river would be a serious risk 2)would those with physical disabilities be able to access the area ? parking ? level paths ? 3) sheltered areas would surely encourage more drug dealing and other anti social behaviour- though it could also be argued that young adults need somewhere to meet up	YES, I AGREE	the current playground for younger children is well used , just needs updating and ideally some equipment for slightly older siblings . The playground at Crowmarsh is brilliant for a wide age range -have we got the space to do something similar ? Play equipment -swings, seesaw etc used to be in the corner on the other side of the pavilion . Can that space be used as well as the existing area?
208	YES, I AGREE	Picnic tables also would be welcome. Perhaps sponsored in memory of a loved one.	YES, I AGREE	Specific outdoors exercise equipment for adults would be a welcome addition.
209	YES, I AGREE	A low-key approach is suitable here. It does not need to be 'Disneyfied'.	NO, I DISAGREE	Cricket and football have co-existed here for over 100 years, and there seems no reason to discontinue this approach, especially as football is largely a winter activity, and cricket a summer one - so they are essentially complementary. Any overlaps have been managed successfully in the past.
210	YES, I AGREE	A low-key approach is suitable here. It does not need to be 'Disneyfied'. Any overlaps have been managed successfully in the past.
211	YES, I AGREE	Again I don't think covered areas are a good idea. In this location they are unsightly and are not necessary fir the enjoyment you outline above.	NO, I DISAGREE	I agree strongly it should remain cricket focused and that the playground fir young children be refurbished. I disagree strongly with all family exercise equipment as this will take away from the ambience of the cricket ground. We have a beautiful, high quality ground, used for county matches etc. let us enjoy it in peace and keep it natural. Further equipment is unsightly and could be noisy and will definitely be a distraction when in use: there is no need for the equipment- people chat, have picnics, throw balls etc - create their own fun and use their own initiative and imagination, if we constantly provide entertainment we lose what these opportunities afford us. Please don't ruin this lovely amenity by feeling the need to crowd it with extra 'entertainment'.

212	YES, I AGREE	This site is rather isolated and seems an unsatisfactory situation for young children	YES, I AGREE	This site is very central and is already in use for both formal and child-centred activities and could easily be improved

225	YES, I AGREE	Should be kept much as it. No play equipment. It is quite frequently used by teenagers.	YES, I AGREE	The playground for very young is well used; including by myself with my grandchildren. We are lucky to have cricket in the middle of the village, and we should keep it cricket focussed. All-family exercise equipment could be expensive, and you would need to assess demand.
226	NO, I DISAGREE	other areas in greater need, existing playgrounds should cater for all needs	NO, I DISAGREE	agree the playground needs updating. Cricket club need space for nets considering the amount of use. Other areas could be used for adult equipment

235	YES, I AGREE	Very in favour of making use of this wonderful space. Currently very dark, vegetation needs cutting back. Mill stream should be cleared and kept clear as this will be a wonderful focal point.	YES, I AGREE	Needs to be safe to use while cricket taking place. Do you have stats to indicate % usage for cricketers vs other users? Need to be fair to all.

245	NO, I DISAGREE	What we really want is a public slipway and this might be a good place for it. Structures such as shelters would tend to attract vandals and make the area seem more urban.	YES, I AGREE	See previous comment about shelters.
246	YES, I AGREE	.	YES, I AGREE	Sounds great! However the exercise will not get used. Better to leave space to watch cricket!

262	YES, I AGREE	The current mostly wild setting should be retained. Playing by the river may be dangerous.	NO, I DISAGREE	I disagree with the edges having exercise equipment or structures. This is not appropriate on perimeter of football or cricket pitches. In the corners it would be OK though. Otherwise OK. Can bowls green be used for croquet?
263	NO STRONG VIEWS	.	YES, I AGREE	There is a shortage of football pitches at Sheepcot there still needs to be a permanent pitch
264	NO STRONG VIEWS	.	YES, I AGREE	There is a shortage of football pitches at Sheepcot there still needs to be a permanent pitch
265	YES, I AGREE	Good to have equipment for SEN people of all ages	YES, I AGREE	Provide rain and sun shade for the play equipment for the very young
266	NO, I DISAGREE	leave it in its natural state as it is. Maybe a more substantial pathway would be a good plan to enable safe use during wet weather.	YES, I AGREE

268	NO STRONG VIEWS	For my reservations, see above. What is the evidence for this proposal? Its a nice idea but children would need careful supervision near the river bank. And the place is currently over-run with nettles!	NO STRONG VIEWS	For my reservations, see above. What is the evidence for this proposal? I do think that the main activity here should be sport and exercise, in the spirit of Mr Gardiner's gift to the village. The play-space does need refurbishment and the location is suitable for families with young children. Could the play area be extended to use the bowling green, soon to be abandoned? Teenage/adult exercise equipment could be accommodated round the edge, but should not encroach on the cricket sight board areas. However, resources are not infinite and this space is already well-endowed with facilities, other than perhaps, a public toilet.
269	YES, I AGREE	I do not agree that covered areas are a good idea otherwise I agree	YES, I AGREE	*no* covered areas please!
270	YES, I AGREE	Special needs and rivers do not mix, and any form of barrier would be the wrong approach. I agree with the nature-focussed approach but access to the river for fishing but not swimming or boating should be maintained.	YES, I AGREE	However the loss of the bowling green would be losing part of village character.

289	NO, I DISAGREE	It is hard to disagree with having areas for individuals of special needs but it is not clear how many people you are trying to cater for, also the ferry lane area is a under water / a quagmire for much of the year	YES, I AGREE	Not sure covered areas are necessary
290	YES, I AGREE	It\'s too small to do anything other with.	YES, I AGREE	Could even put a skate park here, it being in the centre of the village.
291	YES, I AGREE	Make it less muddy in winter.	YES, I AGREE	A central area for the village.
292	YES, I AGREE	But having experience of special needs children, area near River makes me nervous!	YES, I AGREE	In principle. But please do not remove any trees or flowerbeds around the edge. The space provides peace and tranquility and much mneeded 'open' space in lockdown. We don't need to busy-up all spaces in the village.
293	NO, I DISAGREE	Ferry Lane open space is prone to flooding and is often muddy. Not very accessible for S W individuals - no parking.	YES, I AGREE	.

319	NO STRONG VIEWS	.	YES, I AGREE	I welcome this suggestion of activities for different ages and activities in the centre of our village. Shelters could prove a problem - groups congregating for drinking, etc, leaving rubbish. They will need maintaining and are costly.
320	YES, I AGREE	Seems a reasonable suggestion for using this small area.	NO, I DISAGREE	This ground was donated for recreation of the whole village which therefore should be for all types of activities including all sport related activities. It is not just a cricket ground.
321	NO, I DISAGREE	It is too near the river for people with special needs	YES, I AGREE	Not sure about covered areas, the trees provide shade
322	NO STRONG VIEWS	.	YES, I AGREE	.
323	NO, I DISAGREE	I do NOT agree to COVERED AREAS as could lead to ASB. Benches yes. Please can we reduce height of trees around water pumping/treatment area as the shadow causes path through to Ferry Lane to get very muddy.	YES, I AGREE	Although again 'covered areas' might not be appropriate.
324	NO, I DISAGREE	The two uses of the area seem contradictory and shelter is unnecessary with all the trees around it.	NO STRONG VIEWS	Once again, I cannot see the need for shelters.
325	YES, I AGREE	It certainly needs improvement	YES, I AGREE	This is a lovely open space in the heart of the village. The main problem would be car parking spaces
326	NO, I DISAGREE	It would not be suitable for disabled users as there is no space for disability parking at the end of ferry lane. Also, there would need to be a solid pathway for wheel chairs. Secondly this area is used by young people at night for drug purchase and any shelters would only encourage this activity	YES, I AGREE	The infants play equipment is in need of updating comparable to other play areas in the near vicinity

327	NO, I DISAGREE	Play area negates relaxation and will scare wildlife! A child fell into the river there some years ago and that child died. Who do you mean by Special Needs individuals? May be benches, but over the top again to have them covered. It could spoil the views. What about waste management for dog poo and rubbish thrown by people relaxing and playing?	NO, I DISAGREE	I overlook this recreation ground so have bias towards keeping this area as it is. By all means up date the children's play area that was given by The Moses family. All family exercises equipment smacks of urbanisation. It also gives fuel for antisocial behaviour which is already evident on the field especially evenings. Parking is problematic. Spaces are limited. People ignore the double yellow lines (recently repainted) causing this part of Cleeve Road to this be single Lane. More seating means more rubbish. And as for covers to shelter from rain or sun this sounds like urbanisation again. If it rains it rains and we have umbrellas and outdoor clothing. If it's sunny you take appropriate action to take care.
328	NO STRONG VIEWS	Ok as is	YES, I AGREE	As above

332	YES, I AGREE	Good idea	YES, I AGREE	The playground does need a refurbishment
333	YES, I AGREE	Benches by the river would be an excellent idea to cater for those who want to sit and observe.	YES, I AGREE	I agree this needs some development with a focus on cricket. But what about rugby instead of football. There is no rugby facilities.

334	NO STRONG VIEWS	None	NO STRONG VIEWS	None
335	NO STRONG VIEWS	Not an area often used by my family. Areas for quiet contemplation always a asset to local areas	NO, I DISAGREE	Would be good to have something suitable for slightly older age group rather than just very young. This space seems well used by families on this side of the village rather than the area behind school.
336	YES, I AGREE	A great option	YES, I AGREE	The play area needs modernisation

339	YES, I AGREE	It would have to be safe as by the river	NO STRONG VIEWS	I think it would better for the teens- keep them in the village so it's accessible For all
340	YES, I AGREE	Seems like a sensible idea	YES, I AGREE	
341	YES, I AGREE	If enhancing this is the right approach but less priority than others.	YES, I AGREE	Should be the hub of the village.

342	YES, I AGREE	While I agree with the proposal, this area is tucked away and wouldn't get as much use, so I don't think much of the funding should go here.	YES, I AGREE	Sounds good
343	NO, I DISAGREE	Would prefer it was left as an unfurnished open space. Not a site for vandalism and all night raves.	YES, I AGREE	bit like a village green then.
344	YES, I AGREE	Keeping it nature focused since it's so close to the river sounds sensible.	NO STRONG VIEWS	Don't mind either way
345	YES, I AGREE	This should be an area to 'commune' with nature. The Goring in Bloom team have done so well elsewhere around the village. Could they consider applying their magic here as well? The area by the posts (Ferry Lane road side) needs great improvement.	YES, I AGREE	No particular comment.

362	NO, I DISAGREE	It would be a lovely thing to do with the space but not until we have successfully achieved amenities for the majority of children/ teens in the village.	YES, I AGREE	This could be a lovely area for the under 5s. More should be made of the Pavilion; an amenity for residents not offices.
363	YES, I AGREE	.	YES, I AGREE	.
364	YES, I AGREE	.	NO, I DISAGREE	The Rec is an important resource for Goring United Football Club which is grown in its membership. I wouldn't want to see anything that reduced its ability to access these facilities.

368	NO, I DISAGREE	I certainly do not agree that a play area for Special Needs in individuals should be established - too close to the River and could be dangerous. This are should be kept nature-focussed. No covered areas.	NO, I DISAGREE	Should be kept as cricket focussed and footall, with a small area for SMALL children. No all-family exercise equipment.

372	YES, I AGREE	this is a fantastic ideas!	NO, I DISAGREE	We believe the football club has equal rights to the pitch & should be shared equally!
373	NO, I DISAGREE	No covered areas - open to abuse. No play area - it must be left as undisturbed as it is so close to the river. Any development would be detrimental to the tranquility of the area.	YES, I AGREE	But no covered areas which could encourage anti-social behaviour.

389	YES, I AGREE	Living willow planting which could have a benefit of creating barriers to boat launching and a boardwalk	YES, I AGREE	Centre of village ideal for adult exercise and watching games. Extended play areas for younger children
390	NO, I DISAGREE	How will the covered areas be maintained? Will this encourage people to drink and leave rubbish?	YES, I AGREE	Danger from large trees on boundary, so equipment would be difficult to place safely without encroaching on cricket pitch

391	YES, I AGREE	Should be left as natural as possible.	YES, I AGREE	Possible reuse of bowls area for croquet.
392	YES, I AGREE	The stream running alongside perhaps could be developed to allow the children to feel the water, introduce running water eg fountain?	NO, I DISAGREE	Parking is already an issue without further developments. More often or not, cars park on the double yellow lines on Cleeve Road.
393	YES, I AGREE	While I agree with idea, I am not certain the area is big enough to support what is planned. It would be wrong to cut back the shrubbery that grows on the drainage tributary since this provides cover for a lot of wild life including a King Fisher.	NO, I DISAGREE	I support the refurbishment do the children's play area. I do not support the installation of all-family exercise equipment. This would end up with over-crowding the space available and detract from the cricket field setting. I support viewing benches but not shelters since they would inevitably become after dar party areas for teenagers.
394	YES, I AGREE	I think the idea of a nature and sensory theme in this area would be good for the village and its visitors.	YES, I AGREE	I think that all family exercise equipment would be a welcome addition to our village
395	YES, I AGREE	agree	YES, I AGREE	agree
396	NO, I DISAGREE	Benches and covered areas might lead to use for anti social behaviour	YES, I AGREE	No covered areas
397	YES, I AGREE	Yes - I agree	NO STONG VIEWS	However - I think this is a preferable location for Bowls or Croquet - allows people to come and watch who are in the village without having to drive to Sheepcot

398	NO STRONG VIEWS	Not sure if this area would benefit from the money that it would take to do this plus also would there be a team of people making sure it's clean and tidy all the time?	YES, I AGREE	Much better park is needed for the children and some more benches
399	YES, I AGREE	Interested to see how this could be made accessible for those with different abilities.	YES, I AGREE	No comments
400	NO, I DISAGREE	This is a small space which could do with tidying up but to me seems mainly a space passed through when walking. More dog bins in Goring would be good!	YES, I AGREE	it seems well used at the moment
401	YES, I AGREE	It should be nature-focused as opposed to being person-focused because of its location	YES, I AGREE	The quality of the turf and grass makes it best-suited to cricket which would be ruined if other sports were played there, such as football
402	YES, I AGREE	It should be nature-focused rather than person-focused because of its location	YES, I AGREE	It should be cricket focused and any other sport such as football would ruin the cricketing area
403	NO, I DISAGREE	This should be a space for all	NO, I DISAGREE	This should be a space for all and not preference minorities. Similarly, the football could be moved.
404	NO, I DISAGREE	Ferry Lane should be left as it is, an open green space. This area is on a flood plain which does on many occasions flood badly. Wildlife and plants can already be observed there without the need for anything else. The area already has benches and covered shelters will only encourage certain people to hang around. Litter is also always a problem there in the summer months.	NO, I DISAGREE	The Gardiner has always been the main sports ground and the centre of the village. I am no sure where this comment 'referred to as the Cricket Ground' has come from but having lived here _____, and living _____ to the rec., I have never heard of it before. The Gardiner Rec., was given to the village as a recreation ground for sports and outdoor facility. It has always been football in the winter, cricket in the summer and all other outdoor social activities including Carnivals, fetes, Gap Fest., etc., throughout the year. Being the centre of the village it is in walking distance for many of us. It does not need covered areas as it will only encourage certain people to hang around at unsociable hours. which they already do in the summer months.
405	NO, I DISAGREE	Leave as is. Already has seats and area to small for additional structures.	YES, I AGREE	Central position in village reasonable to cater for all ages and activities.
406	YES, I AGREE	In addition perhaps we could have another access point to the river for people who want to paddle board and canoe. The existing access next to the lock is very busy with larger boats in the summer and of course turbulent when the lock is emptying which makes it rather intimidating for those of us using small craft.	YES, I AGREE	The playground should also include some equipment for older children as families with more than one child will not want to have to visit two separate parks

407	YES, I AGREE	It is important to have an area in the village which is strongly nature-oriented.	YES, I AGREE	The focus should be on cricket as the field is at the centre of the village. There are adequate facilities for football at the Sheepcote Recreation Ground.
408	YES, I AGREE	Would need to ensure safety as very close to the river	NO, I DISAGREE	The football club has played at Gardiner for over 100 years it would be very said to lose their home pitch, especially as the football and cricket clubs seasons do not overlapp.
409	YES, I AGREE	Except with respect to shelters which are unnecessary for the purpose suggested, but could provide a high maintenance haven for anti-social activities	YES, I AGREE	Except with respect to shelters which are unnecessary for the purpose suggested, but could provide a high maintenance haven for anti-social activities
410	YES, I AGREE	The reasoning above sounds very logical.	NO, I DISAGREE	I am in agreement that the ground be used for cricket and if the bowling club closes then there is logic for that area to be used for additional cricket nets. I also have no objection for the current play area for small children to be refurbished. I object to the edges etc to be used for all-family exercise equipment. I think this will be an eyesore on what is currently a beautiful park and dangerous when cricket matches are on. I think building covered areas also run the risk of being eyesores and will likely be only used at night by people as somewhere sheltered to go and drink alcohol/smoke drugs as is often the case with the current pavilion. While I'm at it i object to the current chaining of the goalposts when not in use to the barrier on the edge of the park (_____). It has become a permanent feature (apart from two hours use on weekends during the football season when they are moved onto the pitch). They could easily be chained to a tree at the other end of the park and hence not in anyone's direct view but the football club refuse. Suggestions welcome. Thanks.
411	YES, I AGREE	This is a pleasant quiet area	YES, I AGREE	None

412	YES, I AGREE	I agree but not so sure about need for shelters - keep it simple	NO, I DISAGREE	It should be cricket focussed with some football use. As it is in the Conservation Area there should be no new built amenities, but left as open and natural as it is today - and that includes no structures or shelters. The beautiful garden in the north-west corner should be preserved. The cricket nets are in the optimal position position as according to the cricket club there is no better place for them. The bowling green could become a croquet lawn.
413	YES, I AGREE	As this area is so close to the river it would be nice to keep it as natural as possible. The covered areas should be designed to blend into the landscape as naturally as possible	NO, I DISAGREE	I think it should continue to be cricket focused with ancillary football use. The playground for very young children should remain and be refurbished. As the bowls club will soon be leaving this area I would be in favour of this being taken over by the croquet club. As this is within the conservation area it is essential that structures and shelters are kept to a minimum and kept on the east side of the field as they are at the moment. The field benefits from a beautiful mature planted area on the north west corner and this should be preserved.. The cricket nets are in the perfect place in the north west corner and according the cricket club there is no other place on the field that would work as well.

431	NO STRONG VIEWS	Not sure it is the best place to get good views of the river and wildlife. Agree it needs to be tidied up and there are already a couple of benches	YES, I AGREE	Agree with all the above. This is the most visible and central park for visitors so should be kept well.
432	YES, I AGREE	.	YES, I AGREE	.
433	NO STRONG VIEWS	As long as there aren't too many benches/structures on this area which would detract from the views. Room for walkers.	NO, I DISAGREE	Would this preclude football? Cricket in the summer, football in the winter months. Also, please protect the Goring in Bloom garden area which is beautiful. Need space for walkers too.
434	YES, I AGREE	.	NO, I DISAGREE	Football has always been played there and is as important as the cricket. They work together.

437	YES, I AGREE	.	YES, I AGREE	.

438	YES, I AGREE	An nice suggestion, as this area is currently not used much. There isn't much scope for actually relaxing by the river here because only a small area at one end is by the river bank, but a sensory play area for individuals with special needs and others is an appealing idea. However encouraging it to be used more will require someone to collect up rubbish which is likely to accumulate.	YES, I AGREE	I didn't rank this plan because there are several different suggestions within it. I would be in favour of the playground for very young children being refurbished, and of the benches and covered areas. The all-family exercise equipment is a nice idea but it's difficult to predict how much this would be used. It would be worth observing the all-family exercise equipment at Streatley recreation ground at different times to see how much that is used - I have rarely seen it used but perhaps this is because of the times of day I have been passed.
439	YES, I AGREE	Not to familiar with this area but seems like sound thinking to me being close to the river	YES, I AGREE	This area is in the heart of the village and as a keen cricket fan that should be it's core function. It is widely used and therefore should be seen to offer more functions as mentioned above if the need is there.
440	YES, I AGREE	I think this would provide an excellent , accessible space for family oriented nature watching which does not really exist elsewhere in the village	YES, I AGREE	I agree in principle and would reinforce that , as with other areas , this green space should be refurbished with attractive equipment that enhances the natural beauty and does not detract or make difficult the viewing of cricket etc
441	YES, I AGREE	The provision of a sensory play area may discourage wildlife from frequenting the area but if this was sited at the pedestrian entrance way from the lane it may be a practicable idea.	YES, I AGREE	I agree with the current thinking shown above.
442	NO STRONG VIEWS	This is perfect place to facilitate place to allow people access to the river. The previous costed scheme to allow launching site for sups (??) should be revisited to enable area to be safely used and avoid bank erosion. After all the name 'Ferry Lane' says it all that this is perfect location to legitimate existing informal access.	YES, I AGREE	.
443	NO, I DISAGREE	Love this area as it currently is. It has benches and we have waterproofs/sun hats.	YES, I AGREE	Frequently used the playground - beautiful location.

446	YES, I AGREE	.	NO, I DISAGREE	The area is used by young children and is a great joy for residents of nursing homes and older people to sit and watch cricket or have picnics and watch the world go by. The proposal would destroy this heart of the village. Parking would be big problem.
447	NO, I DISAGREE	Sorry to say but a covered area is inclined to encourage (drugs / smoking)	YES, I AGREE	More benches important
448	YES, I AGREE	.	YES, I AGREE	Definitely more benches needed
449	YES, I AGREE	But why covered areas in a mature formed area.	YES, I AGREE	Why covered areas? They would provide ideal shelter for drug exchange.
450	YES, I AGREE	At the moment there is often a lot of litter in the summer in this area. It would be good if the new plan could find some way of dealing with this.	NO STRONG VIEWS	No strong views
451	NO, I DISAGREE	Keep the grass mown, but otherwise leave as natural as possible. The river area is quite urbanized enough already.	NO, I DISAGREE	Keep the areas at the edges uncluttered, and don't offer opportunities for vandalism.
452	NO, I DISAGREE	Leave well alone. It's a bit out of the way and sight. I believe it could be damaged. Too remote.	YES, I AGREE	Benches could pay for themselves memorial. No covered areas please.

466	YES, I AGREE	.	NO, I DISAGREE	Could be a mixed use, running track for teenagers/adults around edge. All sports considered.
467	NO, I DISAGREE	Leave the place alone. Certainly no 'covered areas' - if it's raining don't go there.	NO, I DISAGREE	Please no 'covered areas'
468	YES, I AGREE	The name says it all - it's an ancient route to the river, so should be made available for launching canoes and paddleboards. Goring is woefully provided for these.	YES, I AGREE	It's the quintessential village green in many respects, so cricket is ideal.
469	YES, I AGREE	Not high priority but would be nice	NO STRONG VIEWS	Care should be taken that stray cricket balls cannot hit users of the exercise equipment
470	YES, I AGREE	No covered area as attracts litter and camping. Need paddle board launch area	YES, I AGREE	No covered area wanted
471	NO, I DISAGREE	Please keep natural. Do not spoil this lovely area with covered areas.	NO, I DISAGREE	Agree to all of the plans EXCEPT disagree with proposal for all family exercise equipment which takes up space, costs money and looks awful. It is also never used as intended in my experience.

YES, I AGREE	No additional shelters are required, They are costly and a litter and maintenance liability for little appreciable benefit. They are also an eyesore.

494	NO, I DISAGREE	Leave it as it is. No need to change.	NO, I DISAGREE	No need for exercise equipment. Otherwise agree.
495	NO, I DISAGREE	I think it should be left as a wild area.	YES, I AGREE	It seems an obvious area for all Goring residents to enjoy as a central location for relaxation and enjoyment.
496	YES, I AGREE	Include 3 fishing platforms for disabled anglers.	YES, I AGREE	Proposed ideas seem ok
497	YES, I AGREE	Would be a lovely area to relax and have a picnic, so inclusion of picnic facilities useful.	NO, I DISAGREE	I am not sure what is meant by ancillary football but my view is that both football and cricket should remain the focus of this area, at the heart of the village. Any equipment in this area is likely to be used by a wide age range as spectators of the cricket/football brings a crowd. So shouldn't be focused on too young.

508	YES, I AGREE	It should be a quiet, peaceful space the encourages wildlife and a variety of plant species.	YES, I AGREE	Keeping the area for cricket with a playground for young children is the best option. I disagree with usage for football as this is already provided for at the Sheepcot. Likewise, exercise equipment is best accomodated at the Sheepcot.

511	YES, I AGREE	.	NO, I DISAGREE	Why can't the croquet be done on the bowls green then its fenced in. The football club has been there since 1901 unless you get more ground at Sheepcot then they need to play here.

512	NO, I DISAGREE	This is a very small area that should probably be left alone and natural as it is. Benches to sit on and a path through the area so that it can be navigated even when very muddy would be good	YES, I AGREE	The children's play area does need to be refurbished Dog waste is again a real problem: too many owners let their dogs off the lead and look the other way
513	YES, I AGREE	.	YES, I AGREE	.
514	NO, I DISAGREE	There should be a proper landing stage here for safe access to the river for non-powered craft – paddleboards/kayaks, etc. Put the sensory play in Rectory Garden.	YES, I AGREE	.

Some form of natural/tasteful barrier to slow down uncontrolled running towards the river might be desirable.	YES, I AGREE	Why just equipment for very young children? Surely equipment for older children too would be very appropriate. Both age groups will be visiting Goring and this is the park that most visitors will be accessing. Also, if locals are going to into the village it would be helpful that play equipment served all ages conveniently.

575	NO, I DISAGREE	Anything more than benches will attract teens and vandalism.	YES, I AGREE	.

576	YES, I AGREE	n/a	NO STONG VIEWS	I am not happy to see adult exercise equipment cluttering the field
577	YES, I AGREE	But emphasis on keeping it quiet and pleasant.	NO STONG VIEWS	Sounds a bit 'busy'. Playground suggestions, fine. What does 'ancillary football use' - does the pitch stay or go??
578	NO, I DISAGREE	Please do not clutter our riverside with unnecessary infrastructure. leave it for people to enjoy simply as it is	NO, I DISAGREE	Refurbish the childrens playground if necessary, but do not clutter with further equipment. Leave the open field for cricket and general relaxation. Definitely no adult fitness equipment
579	YES, I AGREE	n/a	YES, I AGREE	n/a
580	YES, I AGREE	No covered area	YES, I AGREE	No covered area
581	NO STRONG VIEWS	n/a	NO STONG VIEWS	I believe the cricket have enough facilities at Gardiner Rec. I hope the bowls club stays where it is (no option selected so input no strong views)
582	YES, I AGREE	Don't agree with covered shelters	YES, I AGREE	No covered shelters
583	NO STRONG VIEWS	n/a	YES, I AGREE	n/a

584	YES, I AGREE	n/a	YES, I AGREE	n/a
585	YES, I AGREE	n/a	YES, I AGREE	n/a

587	NO STRONG VIEWS	n/a	YES, I AGREE	n/a
588	YES, I AGREE	n/a	YES, I AGREE	n/a
589	YES, I AGREE	reserve the area, put in a path leading to the river for pushchairs and wheelchairs. Dig up and replant the grass, inset flower beds etc	YES, I AGREE	see no need for all family exercise equipment. But do need more seats and shelter areas and more rubbish bins
590	YES, I AGREE	reserve the area, put in a path leading to the river for pushchairs and wheelchairs. Dig up and replant the grass, inset flower beds etc	YES, I AGREE	see no need for all family exercise equipment. But do need more seats and shelter areas and more rubbish bins
591	YES, I AGREE	This idea seems to be a very well thought out one.	YES, I AGREE	Again a well thought out proposal
592	YES, I AGREE	No strong views, as natural as possible is good, with these suggestions being good.	NO STONG VIEWS	A sheltered area might be over development, with roof etc. If it rains, no,parent will be watching cricket or supervising the childrens play area. If anything it might encourage picnicking and rubbish dropping.

593	YES, I AGREE	Very good idea.	NO, I DISAGREE	There are plenty of places for equipment in other spaces. Keep this one for cricket and spectators.
594	NO STRONG VIEWS	No strong views	NO, I DISAGREE	Isn't football also an established activity on the Gardiner Recreation Ground? Wouldn't that disadvantage the local football clubs?
595	YES, I AGREE	Picnic tables would be good, and some toddler play equipment	YES, I AGREE	The corner with the garden should be removed/completely reconsidered as it makes it too much like a front garden and less like an accessible space for recreation.
596	YES, I AGREE	That sounds perfect	YES, I AGREE	I agree, would be good to have benches and adult equipment
597	NO, I DISAGREE	Just maintain the area and have some benches. Put in a board walk for when it is wet.	NO, I DISAGREE	Yes to cricket focus, play area for 3-8 year olds (3 year olds like older kids stuff, toddlers just need slopes and logs and little paths), yes to benches and shelter, no other equipment needed. If adult play equipment is the only option for older kids they will play on it so this is not a good place for it.
598	NO STRONG VIEWS	Not Covered areas - these will encourage people to congregate in the evenings (not those people for whom you are trying to provide the service!)	YES, I AGREE	I agree, EXCEPT for covered areas - these are NOT necessary, and will encourage people to congregate in the evenings (especially those who arrive by train...)
599	NO, I DISAGREE	I believe there should be access to the river provided to swimmers, canoists and paddleboarder	YES, I AGREE	Again I think this is fine but the real need is sheepcot
600	YES, I AGREE	Agree nature focussed and timber structures	YES, I AGREE	The playground is urgently in need of updating. Agree this one should be focussed on pre-school children

601	NO, I DISAGREE	With shelter, it will become the local drugs and booze hangout for youngsters	YES, I AGREE	As with Ferry Lane, the provision of shelter invites the drug and booze users.
602	NO STRONG VIEWS	I notice that the dog poo bin by the river is usually overflowing by Saturday night. It's not a great sensory play area when it is. Additional refuse bins for coffee cups are needed.	YES, I AGREE	But it's good to see football in the winter too.
603	YES, I AGREE	n/a	NO STRONG VIEWS	n/a
604	YES, I AGREE	The shelters should be sited not to block the view of the river.	YES, I AGREE	The shelters should be sited sensitively.
605	YES, I AGREE	Good location Good use of open space	YES, I AGREE	Good use of space with added value for general exercise
606	YES, I AGREE	It would be good to see this space cleared for use. The stinging nettles are gradually taking over and it looks a mess!	NO, I DISAGREE	It could include some of this, but there are some people who are not interested in cricket.

607	NO, I DISAGREE	I think this should remain the open space that it is with the addition of more benches and litter bins. Again disagree with sheltered areas as these will become public toilets and drug dealing areas.	NO, I DISAGREE	The definition of Recreation is a space for ALL sport and leisure. I have lived in Goring all my life and have never known this area to be called "the Cricket Ground". As the Parish Council are well aware this space for decades has successfully been used for Football and Cricket with no problems at all. You are also aware that Goring Football teams, boys, girls, men and woman have thrived the past few years with the dedication and lot of time given by volunteers and changing their use to "ancillary use) will mean the loss of teams as there isn't enough space at Sheepcot. Why try and change something that has worked successfully for years. The Recreation Ground and the Pavilion should be for the use of the Football and Cricket teams in equal measure. I strongly agree the children's play equipment is in dire need of replacement. With young Grandchildren, I find we have to travel to other villages to get decent play equipment for them to use. Woodcote have a great area for all age groups. The grounds definitely need a lot more benches but again a strongly disagree with covered areas as these will become public toilets and drug areas in the evening. As for adult exercise equipment I think this is a waste of public money. This kind of equipment is at Streatley park and I go by there on a regular basis and have never seen it being used.
608	YES, I AGREE	Love the idea of a natural "sensory garden" rather than a "play area". Not sure if covered areas are really important. Usually this space is busy when the weather is nice and dry. As it gets quite muddy with rain (and it takes a while to dry), it's more the hikers passing the area when the weather isn't good...	NO, I DISAGREE	Yes to cricket and football use. Also yes to refurbishment of playground but with equipment for a wider range of ages. Equipment for toddlers (0-3) can be used from approx 6 months (swing) to 3 years which gives max. 2.5 years of use. Hardly any 3 year old is still playing on "equipment for babies". If there are things to play for a wider age range you have not only an attraction for the families (siblings) watching cricket/football matches but you also cover a longer period of using the equipment. (A more challenging equipment can be used from a young age on in a different way older children are using it. But older children are hardly entertained with toddler equipment.) I also like the thought of "all-family equipment" but in a much more "natural" way than it can be found at Streatley rec (metal fitness equipment). I would be absolutely happy to explain, what I mean with "natural fitness equipment" don't hesitate to contact me. One experience I made myself and also see with other parents/children on fitness equipment for adults: I never see anyone training there "properly". It's mostly children trying things out on machines which are too big for them and hence more dangerous than anything. Often leading to frustrated children and stressed parents.
609	YES, I AGREE	Perfect viewpoint for those with mobility issues, and more peaceful than the main lock area	NO, I DISAGREE	This is primarily a cricket pitch, soccer has much more space at Sheepcote Field. It would benefit with more spectator seating/rubbish bins

610	YES, I AGREE	I think the balance between the five areas has been thought through well.	YES, I AGREE	I think the balance between the five areas has been thought through well.
611	YES, I AGREE	Should be focused on nature and relaxation. Not a play area, this will conflict with relaxation	YES, I AGREE	Agree
612	NO, I DISAGREE	This space should as an area of natural beauty	NO, I DISAGREE	Keep for cricket
613	YES, I AGREE	Make it safe. Clear the millstream so that children could observe fish and other river creatures. Encourage otters. Concentrate on sensory area, maybe a mini maze.	YES, I AGREE	BUT keep it to Cricket and Football with extra seats to encourage picnic's In summer. DEFINATLY NO, NO, NO to the suggested all-family exercise THIS SHOULD BE ON THE SHEEPCOTE FIELD
614	YES, I AGREE	The space currently seems a little redundant as currently being just an access point to the Thames Path.	NO STONG VIEWS	No additional views on this.
615	NO, I DISAGREE	I would prefer it to left alone as simply part of the river scenery	NO, I DISAGREE	It is simply not big enough to absorb more exercise equipment. This is a cricket field in summer and football in winter and should be left as it is for everybody to enjoy, including dog walkers. The children's playground is well situated and should be left as it is. I also think that shelters are unnecessary as there are plenty of mature trees to provide natural shelters and there are several benches already. Please leave well alone. If you want extra exercise equipment what is wrong with Sheepcote which has more than enough space? Please do not destroy the character of our beautiful cricket ground in the heart of the village by erecting unsightly and unnecessary equipment when there are several other places that could be used.
616	YES, I AGREE	Maintain tranquility in river setting	YES, I AGREE	Evolution, not revolution

617	NO, I DISAGREE	It is a small area and should be left as it is apart from repair and maintenance of the bank. It is a very busy and much loved route for walkers and others to and from and along the towpath. No shelter or covered area. There are better sites for a sensory area.	YES, I AGREE	No shelter. Include adult exercise equipment such as at Streatley Rec, preferably along Cleeve Road boundary. Locate croquet lawn in place of vacated bowling green.
618	YES, I AGREE	focus on nature and water good idea, maybe play area with water features and equipment for learn about haptics etc are well suitable here	YES, I AGREE	Focus on family recreation here the right approach, this area is most central to village centre and also attracts visitors, and to provide something for families/all age groups seems appropriate
619	YES, I AGREE	n/a	YES, I AGREE	n/a
620	YES, I AGREE	n/a	YES, I AGREE	n/a
621	YES, I AGREE	Sounds sensible	YES, I AGREE	Areas for exercise would be welcome
622	NO STRONG VIEWS	Xx	YES, I AGREE	Surely no covered areas are needed. there are trees. Would very much welcome a wider range of ages for the general use equipment provided.
623	YES, I AGREE	Sounds imaginative and a real asset to the community and visitors	YES, I AGREE	Could any of the area (esp. around the edges and at the top) be left unmown for wildlife or is this too costly to manage?

624	NO STRONG VIEWS	Its right in the main river Thames flood plain and the land is very wet and muddy for most of the winter. I don't think it warrants building covered areas	YES, I AGREE	seems ok
625	YES, I AGREE	Not sure about covered areas??	NO STONG VIEWS	Seems like a reasonable plan
626	YES, I AGREE	My only concern is the close proximity to water - so supervision is needed for younger children	YES, I AGREE	Central location makes this a very good focal point form sport and families
627	YES, I AGREE	Peaceful place	YES, I AGREE	Outdoor activities
628	NO, I DISAGREE	This should be left as a natural open space in general but should function as the location for launching light water craft. This is the only place where this can be installed in our riverside community. The Village has requested this for many years and it would provide opportunities for water sports for teenagers.	NO, I DISAGREE	This is an iconic open green space in the centre of the village. The proposals to erect exercise equipment on the field around the edge will change its well loved character and will be detrimental to Chilterns AONB. The field is already being very well used all year around for exercise without any equipment being available. The two nets currently in the North West corner are in the best position for practice sessions. This has been confirmed by ECB There is no mention of the bowling green. If the bowls club moves to Goring Heath the space should be offered to the Croquet club who require a lawn of the same high standard. It should not be turned into an area for cricket practice as this will destroy what is a first rate space for alternative recreation with associated pavilion facilities for club matches, The existing playground should be refurbished. The Bloom garden should be retained. There should be no exercise equipment on the edges of the cricket pitch at any point around the boundary because: It is dangerous to the public and will distract and impede players running over the boundary leading to risk of injury. It will be a Health and Safety risk. There is no parking in the immediate vicinity. There are roads around 3 sides of the Gardiner Field, all of which present different levels of danger for children. Lyndhurst Care Home residents and others access the cricket field off Lyndhurst Road to watch the sport being played year round, along the Northern side of the field. Equipment around the edge will impede their mobility and vision. This will also apply to all spectators. Putting shelters on the field will attract antisocial behaviour. The previous shelter was been used for a variety of illegal uses such as drug taking and under-age drinking. The last one was removed by the council for these reasons.

629	NO, I DISAGREE	The Ferry Lane open space floods frequently and easily becomes waterlogged. It does not seem like a suitable area for this sort of development.	YES, I AGREE	N/A
630	YES, I AGREE	Defo low eye and encourage sensory play no equipment	YES, I AGREE	Great ideas
631	NO, I DISAGREE	This is a natural green space & should be kept this way. Parking very limited nearby	YES, I AGREE	All sounds good
632	NO, I DISAGREE	This should not be a play area at all. It is a riverside location that should be protected and maintained as an area of peace and tranquillity	YES, I AGREE	N/A
633	YES, I AGREE	A lovely spot ideally positioned for observation and relaxation.	YES, I AGREE	All family exercise equipment as on Streatley recreation ground would be a welcome addition to the playground for younger children. This would make it a trul all age recreation ground, making it more attractive for general use plus for families watching cricket, football taking place.
634	NO STRONG VIEWS	It would also make an ideal landing stage for canoes and small watercraft	YES, I AGREE	Agree
635	YES, I AGREE	Nothing of this kind currently in village	YES, I AGREE	Needs update
636	YES, I AGREE	I agree with the proposition.	YES, I AGREE	I agree with the proposition.

637	NO, I DISAGREE	There used to be benches in this area along with pic nic benches and rubbish bins. All of these were destroyed by visiting Yobs with bin set alight and benches destroyed the result of this idea can be seen now with nothing left. Regarding disabled access and use, there is no adequate parking as the open space at the bottom of Ferry Lane is the entrance to Thames Water pumping station and has to be kept clear at all times. This area was given to the P.Council but in part comes under the Highways Dept as Ferry Lane continues to the rivers edge. Counsellor Jefferson may be able to help with this ownership! Before any change from what is there now some research needs to be done!	YES, I AGREE	Again, any erection of covered structures could prove more of a problem with regards to graffiti, a place for Yobs to hang around evenings into nightfall causing problems to the neighbouring care homes. So I say no to structures!
638	YES, I AGREE	Approve of the nature focus	YES, I AGREE	A new football pitch would be great
639	NO, I DISAGREE	This is not a safe space for riverside fun. A riverside fun place should have either no access to entering the water or safe access.	YES, I AGREE	Where there are covered spaces teens will congregate. This may be the best of the available areas
640	YES, I AGREE	Again would be concerned about covered seating and anti social behaviour.	YES, I AGREE	More benches needed but uncovered so as to deter anti social behaviour. I understand there are no seats on the veranda outside the pavilion as concerns about anti social behaviour.
641	NO STRONG VIEWS	No strong views either way.	NO STRONG VIEWS	Not sure about the covered shelters.

642	YES, I AGREE	n/a	YES, I AGREE	n/a
643	YES, I AGREE	n/a	YES, I AGREE	n/a
644	YES, I AGREE	n/a	YES, I AGREE	n/a
645	YES, I AGREE	n/a	YES, I AGREE	More parking would be great. the bowls green?
646	YES, I AGREE	n/a	YES, I AGREE	n/a
647	YES, I AGREE	n/a	YES, I AGREE	n/a
648	YES, I AGREE	Facilities should blend in with the nature, don't really need covered area	YES, I AGREE	The pavilion toilets should be accessible from the outside for when the pavilion is locked, especially as the play area is for very young children. More dog poo bins with notices about the nuisance caused by dogs mess to sports and small children
649	NO STRONG VIEWS	Leave it as is.	YES, I AGREE	Good space for cricket and football. Nice pavilion. Play equipment needs upgrading and make use of bowling green space now club has moved.
650	YES, I AGREE	Should be promoted as peaceful area preferably	NO STRONG VIEWS	no views
651	NO STRONG VIEWS	Its just access to river. Leave it. Perhaps spend money on very slippery surface along tow path towards goring. Dangerous when wet	YES, I AGREE	I agree in principal. No area for older children in playground currently
652	NO, I DISAGREE	Covered area, sort of bandstand important, but better if in area such as Rectory Garden when in view of public to discourage misuse/	YES, I AGREE	Leave matter to those who have studied the possibilities

653	NO, I DISAGREE	Leave as it is	NO STONG VIEWS	N/A
654	YES, I AGREE	Given how much it is used, it might be a good idea to make a gravel path to stop the existing muddy track getting any wider.	YES, I AGREE	Might be nice to have a cafe here? Also more litter bins / dog waste bins
655	YES, I AGREE	Excellent idea. We should all become more aware of plants, biodiversity and nature. Mental health benefits abound.	YES, I AGREE	Family exercise equipment is an excellent idea. Something like a 'trim trail' would be very good.
656	YES, I AGREE	Small areas that people could walk round with boards describing what could be seen	YES, I AGREE	Suggestions above are good
657	NO STRONG VIEWS	As a user of the river in the summer, it would be great to be able to launch our Paddleboards in that area	NO STONG VIEWS	I don't personally use that area but the plans sound very sensible
658	YES, I AGREE	open water also presents a risk so makes sense to have this for more relaxed and nature focused activities	YES, I AGREE	this would also be a great space to have a village fete once a year
659	NO, I DISAGREE	It seems extraordinary that there is no public access in Goring where people can put a canoe in the river. Why not at Ferry Lane?	NO, I DISAGREE	There is demand for a croquet lawn in Goring for players of all ages. Given the high cost of providing a suitable surface and given that the Bowls Club plans to move to Goring Heath, the bowling green can very economically be re-purposed for a Croquet Club. This would still leave ample room for all cricket activities on the Gardiner.
660	YES, I AGREE	Would keep this fairly natural	NO, I DISAGREE	Does anyone really use exercise equipment? I've never seen anyone using the equipment in Streatley rec, other than kids playing on it. Why a play area for young kids only? Would be good to have stuff for older kids too. Picnic benches would be good.

661	NO, I DISAGREE	It should be left as a quiet unspoilt space for contemplation Benches but NO covered area	NO, I DISAGREE	Leave it as it is and spend the funding improving roads and pavements
662	NO, I DISAGREE	Please don't ruin it by adding structures. The benches currently there provide useful and sufficient seating and are relatively unobtrusive. It should be a quiet place for contemplation and enjoyment of nature.	NO, I DISAGREE	Cricket and football as described. Benches for parents/adults. Avoid cluttering up with excessive adult equipment and sun/rain shelters. Retain the green nature of the site.
663	YES, I AGREE	Needs picnic tables - and rubbish bins (that are regularly emptied!).	YES, I AGREE	Also needs equipment for older children than 'very young' ones. When families come to watch dad play cricket they need somewhere to occupy all ages of children.
664	YES, I AGREE	Above sounds good.	YES, I AGREE	There is a lot of space that could be used more effectively.
665	YES, I AGREE	Again, I don't see a need for a covered area. People have coats and umbrellas.	YES, I AGREE	No covered areas. IN this location they would detract from the overall look and serve no really useful purpose.
666	YES, I AGREE	The emphasis should be on providing seating areas with a few picnic tables and shelters. Thought should also be given on regular bin emptying!	YES, I AGREE	The refurbished play area should also cater to the needs of primary school children and not only to the very young. As far as possible natural materials should be used
667	NO STRONG VIEWS	Would probably benefit visitors more than residents.	YES, I AGREE	It certainly needs facilities for watching cricket.
668	NO STRONG VIEWS	Although I support sensory activities, this place is too damp to really use it comfortably. Must take some trees out too otherwise too dark. I guess you would have to create a barrier from the river as well to avoid accidents with children.	YES, I AGREE	Sounds good. Shelters from the weather is a good idea. There is nowhere in the village like that

669	YES, I AGREE	This would be a great addition to Goring outdoor life	YES, I AGREE	The playground definitely need to be replaced as it is very old. I like the idea of focusing on sports. We visited many towns and villages during last few years and always were amazed how much equipment can be provided for older children like skaters parks, cycling trials, etc. It would be great to see an option for school-age children and focus not only on preschoolers.
670	YES, I AGREE	Agree, so long as the area for people with Special Needs is safe for them (not right next to the river bank or stream), but I'm sure you've thought of that already!	NO STONG VIEWS	This seems logical, but I think it would be a shame to lose football from the Gardiner Rec as it's a nice central village location for spectators.
671	YES, I AGREE	A sensory area	YES, I AGREE	Renew play equipment. Not really suitable for football.
672	YES, I AGREE	The sensory area is a good idea.	YES, I AGREE	Refurbished play equipment is a good idea. Ancillary football use is unnecessary as we have the Sheepcot for that
673	YES, I AGREE	Nice idea	YES, I AGREE	OK
674	NO STRONG VIEWS	No strong view	YES, I AGREE	The village desperately needs outdoor equipment for all
675	NO STRONG VIEWS	Whilst applauding the concept, the provision of shelters in such a secluded place could lead to their use for antisocial behaviour. If the area is made more attractive many more people will use it. A lot of rubbish could be left there, which might harm the wildlife, as well as being unsightly, unless it is provided with adequate litter bins that are emptied frequently.	YES, I AGREE	This would be fine as long as the all family equipment is carefully placed so as not to interfere with games/pitches; also it should be well away from the boundary with Cleeve Road due to the dangers of children running into the road which is always busy with traffic and has parked cars.

676	YES, I AGREE	Yes please	YES, I AGREE	Yes playground definitely can be modified. Cricket facilities updated more made of. Pavillion
677	YES, I AGREE	I would like to see a way for launching small boats but realise that this is not practical	NO STONG VIEWS	Current use seems right
678	YES, I AGREE	The area would be enhanced with the above proposal.	NO STONG VIEWS	There is a need to take into account the fact that there branches falling from the lime trees that border the recreation ground, so safety needs to be considered.
679	YES, I AGREE	Love the idea to connect the villagers with the river, and especially the SEN area.	YES, I AGREE	This seems a sensible approach.
680	YES, I AGREE	No comment	NO, I DISAGREE	It should not be cricket focused. The football team have played there for a hundred years and should stay.
681	YES, I AGREE	Sheltered areas would be good	YES, I AGREE	Exercise equipment would be a good idea
682	NO STRONG VIEWS	I don't understand how a sensory play area would work in that area.	NO, I DISAGREE	I've never heard the Gardiner referred to as the Cricket ground. Football has been played on Gardener since 1901 and I want to continue to see it played there in the heart of the village. Cricket and Football have always coexisted with no issues. I think this wording above is misleading and disrespects the long history and current growing popularity and football participation in the village.
683	NO, I DISAGREE	It is a good place to add in more activities, a launch place for paddle boards, a place for BBQs	YES, I AGREE	It would be great to have adult exercie facilities around the recreational area

684	YES, I AGREE	It has the potential to be a lovely area but is currently just a thoroughfare that is muddy and uninteresting most of the time. Its proximity to the river means that any vulnerable users would need to be safeguarded	YES, I AGREE	It is really only a cricket ground in the summer and a dog toilet all year round. It would be great if such a focal point of the village were transformed into an area that welcomed recreational use by families
685	NO, I DISAGREE	Too near the river for young children	YES, I AGREE	Lots of facilities in the centre of the village
686	YES, I AGREE	Sounds nice	YES, I AGREE	In principle yes, but I think the playground could also have some equipment for slightly older children - lots of siblings have to hang around watching cricket!
687	NO STRONG VIEWS	Nice idea but not addressing the need for older children.	NO STRONG VIEWS	The priority is older children.
688	NO, I DISAGREE	Sadly, Ferry Lane is used by some people who behave in an anti-social manner, such as under-age drinking and the use of drugs. The site has a history of vandalism (criminal damage), including destruction of seats, picnic tables and litter bins. In order to be safe for systemic use for, eg, nature observation and by people with special needs the site would require regular supervision and, possibly, additional safety measures on the river bank. Also, the site is vulnerable to serious flooding, as in July 2007 and winter 2007/08 when several metres of embankment were lost due to unauthorised mooring and the remaining embankment redesigned and reconstructed at a cost of some £30,000 to the parish council.	NO STRONG VIEWS	It seems to be under-used.
689	NO STRONG VIEWS	Agree that this should be a nature-focussed area.	YES, I AGREE	I like the current use of the Gardiner Recreation Ground - especially the use for cricket, bowls and the play equipment for the very young.
690	YES, I AGREE	This is a missing element in Goring	YES, I AGREE	Agree

691	YES, I AGREE	Something simple along the lines of a forest school would fit well here	YES, I AGREE	I really like the idea of having exercise equipment here, I would definitely use it!
692	NO STRONG VIEWS	If focussing on special needs would be useful to have disabled parking bay(s) nearby.	YES, I AGREE	.
693	YES, I AGREE	See previous comments	YES, I AGREE	This should be a no dog space.
694	NO STRONG VIEWS	I'm not sure about the necessity for the provision of sheltered areas.	NO, I DISAGREE	I believe that the Gardiner has enjoyed many years of shared space use between both the football and cricket teams. I see no reason why it should be more cricket focussed now. The increasing membership numbers, over the years, of all the Goring football teams, means there constant demand for availability for the football pitches in the village.
695	NO, I DISAGREE	I think it may encourage anti social behaviour	YES, I AGREE	The equipment needs updating
696	YES, I AGREE	Sounds lovely	YES, I AGREE	A sports focus is right I think

697	YES, I AGREE	I agree	YES, I AGREE	I agree
698	YES, I AGREE	Sensory would be great but also a launch for water sports which would bring visitors from outside the village and money to our local businesses.	YES, I AGREE	Agree this is a cricket focussed area. Improved nets for the ever popular cricket club would be of huge benefit to the local children that regularly use the facilities.
699	YES, I AGREE	This sounds lovely	YES, I AGREE	Should also have equipment for older siblings
700	NO, I DISAGREE	Yes to all except the need for a covered area	NO, I DISAGREE	Again yes to all except the covered area
701	YES, I AGREE	N/a	NO, I DISAGREE	I agree mostly. I disagree with the exercise equipment - A well designed climbing frame would provide similar exercise and workout, and be more appealing to users.
702	NO, I DISAGREE	Limited use of area which is difficult to access	NO, I DISAGREE	Should be for children, not one sport specific
703	YES, I AGREE	no further comment	YES, I AGREE	no further comment

704	NO STRONG VIEWS	It would be good to have an area by the river to relax and enjoy nature.	NO, I DISAGREE	I don't see any reason why this should be cricket dominated. It is THE prime central village recreation area and ideal for teenage recreation facilities. Cricket is only a 5 month per year sport. Teenage recreation is a 12 month need
705	YES, I AGREE	It will be seen by visitors so should be nice.	NO, I DISAGREE	Shouldn't be used for yet more football. A bigger play area would be nice.
706	NO STRONG VIEWS	I think there are better places - more "open" spaces for such important needs. This would become a white elephant.	YES, I AGREE	If you visit other places with the adult exercise equipment you will see it is clunky, dirty and not really used for its intended purpose. The people that generally want to use such equipment join a gym, class or exercise at home. The Gardiner would become something of an eyesore with such equipment.
707	YES, I AGREE	No specific suggestions	YES, I AGREE	No specific suggestions
708	YES, I AGREE	Sounds like good use of space	NO STONG VIEWS	Provided older kids have somewhere to use seems sensible
709	YES, I AGREE	Sounds good	YES, I AGREE	Good use of the space
710	NO, I DISAGREE	I don't think it's suitable for special needs people as it's too close to the river. They might fall in and drown.	NO, I DISAGREE	Too much emphasis on cricket to the exclusion of other worthy activities.
711	YES, I AGREE	I don't think there needs to be shelter from rain and sun - this is a natural area and should be left as such. Those with and without special needs can sit on benches without special provision. Shelters of this sort would probably encourage gatherings of teenagers/young adults who would disturb the tranquility of the area and probably leave litter, which is already a problem here.	NO, I DISAGREE	I agree that this field should be cricket focussed, with ancilliary football. However, any equipment for adult use should be confined to one area only and shelters are not necessary, making Goring suburban. This recreation ground is used by many people for walking dogs etc and it should not be cluttered up with equipment and shelters. There are plenty of trees to provide shade and most people will either bring umbrellas or choose not to venture out in the rain.

712	YES, I AGREE	really good idea to make it a relaxing but accessible space	YES, I AGREE	Yes, really need to improve the playground area and set up family friendly equipment to encourage all family
713	YES, I AGREE	benches and flats surfaces that make it easy for wheelchairs to get down there (no grass or bumpy road surfaces)	NO, I DISAGREE	with all the football teams in goring (both goring robins and goring united) sheepcote is already played on too much and the pitches deteriorate over the season so not being able to play on the gardiner would worsen this situation and goring united would not be able to have the 5 teams it currently has. I also believe it would be unfair to force everyone to play on sheepcote as the pitches there would not be able to cope with the amount of play as it would have every team in goring playing on it week in week out, the gardiner being used as a football pitch is fair as the cricket season and football season do not tend to over lap
714	NO STRONG VIEWS	Has access to the river been considered? Both risk to young children but also benefits of a put in point for paddleboards, kayaks etc	YES, I AGREE	Sounds fair

716	YES, I AGREE	What a lovely idea	NO, I DISAGREE	Gardeners recreation ground has always been a hub of sport, cricket in the summer and adult football autumn/winter, why cannot this still be the case, I think it's great the ideas you have, but cant understand removing the football would benefit Goring sports

1	NO STRONG VIEWS	Provision of covered areas although attractive will encourage congregation of people across all the age ranges. And maybe contradictory to these objectives.	YES, I AGREE	Might the demise of the Bowling Club provide croquet facilities. The possible use of that area should not fit well with the siting of the play area, reference to Gardiner Rec

YES, I AGREE	Again, I would like to see the design of the covered areas before saying yes to these. As you know this is a public open space and I would not want a large area covered in hard surfacing and fenced off as a multi-purpose court. I would like to see proposed plans for this before commenting further. I agree noisy skate parks should be sited at the top of the field. There has been frequent vandalism and drug use in this field often caused by young people using trains from Didcot, Cholsey and Tilehurst free of charge at night, I would like measures taken to reduce this risk once normal life returns again. _____ used to lock the gates at night (10pm) and unlock at 8am in the morning which helped a lot. This ceased _____ in 2003.

37	NO STRONG VIEWS	.	NO, I DISAGREE	Skate park should not be at the top of field - poor access/poor visibility means won't be as well utilised as it could. Put above the tennis courts? Yes to football and tennis but problem at present is these can only be used in daylight. Flood lights would enable use more widely.

NO, I DISAGREE	I disagree strongly to create a skate park and pump track - this would preclude elderly residents and walkers and would be very noisy to adjoining houses; apart from inviting vandalism as it will be an unsupervised activity. Who is responsible for the maintenance of the equipment - shelter invites inappropriate use.

71	YES, I AGREE	Would be nice to have some sculptures/art from local artists.	YES, I AGREE	Absolutely essential to have something for teens! Cholsey skate park is brilliant. 83	YES, I AGREE	I am not at all keen on any kind of 'structure' so near the church and visible to all. Structures decay, area damaged.	NO STRONG VIEWS	I don't really know that area. Thanks for the change to consider and comment.
84	YES, I AGREE	.	YES, I AGREE	The proposal for a 'teen space' will inevitably attract vandals (and possibly drug use etc) would certainly cause litter problems. It would require strict supervision. Who will provide this at what cost? For all proposals in category 3 there needs to be a) safeguarding against vandalism, b) provision for clearing up litter.

89	YES, I AGREE	.	NO, I DISAGREE	NO to pump track and skate park - its used in the summer for the children and tennis - what about the elderly who like to just sit and enjoy the view.
90	YES, I AGREE	.	YES, I AGREE	Could the car park be extended to the other side of the pavilion, as the car parking on Gatehampton Rd. At weekends it is very busy, and would stop parking leading up to the Rec on either side and to put up no parking signs.
91	YES, I AGREE	But no covered areas - ugly and unnecessary.	YES, I AGREE	This is probably the only area to take covered areas but only if very sympathetically built - tiled roof, wooden supports, open sides.
92	YES, I AGREE	.	NO, I DISAGREE	Already well-used for football and tennis, and there's not enough parking at the moment. A skateboard park at the top of the field would be quite 'out of the way' and less easy to access for teens.

99	YES, I AGREE	A beautiful but underused space in the centre of the village. A more attractive entrance and benches would encourage use.	YES, I AGREE	Area at top of hill would be the most appropriate place in the village for teenage attraction and exercise ie skate park. A more mature age group would really value croquet. Congratulations - excellent ideas to enhance our wonderful green spaces. Please don't forget teenagers!

105	NO STRONG VIEWS	I agree with the suggestions apart from the provision of covered areas. Any shelter would need to be designed very carefully to enhance and not be an eyesore in this elevated space at the heart of the village.	NO STRONG VIEWS	I agree with the overall approach and provision of benches. If the pavilion is refurbished I see no need for covered areas in addition. If cover: visual impact, price and sustainability would be the concerns.
106	YES, I AGREE	Fine idea	YES, I AGREE	Croquet?! No! Flood lights for football training.

113	YES, I AGREE	Keep as quiet, reflective area in line with its donation to the community. No ball games. Leave the mature trees.	YES, I AGREE	Proximity to the train station will allow use of skate park by teens from outlying village and Reading. It will be lovely to share the benefits of our community with them. Need to consider rubbish collection. If there is a bin at the top, who will empty it? If there isn't few will bring their litter down to the bottom.
114	YES, I AGREE	.	YES, I AGREE	.
115	YES, I AGREE	.	NO STRONG VIEWS	Free - to be open to ALL - unlike the current tennis courts.

116	YES, I AGREE	.	NO, I DISAGREE	[The] road which is adjacent to the Sheepcot Recreation Ground has between 20 and 40 cars parked on a Saturday and Sunday morning. This is in addition to the cars parked in the parking area at the bottom of the field. In the summer there are noisy parties with litter and broken bottles and litter remaining. I understand that these are not locals. I would suggest that you apply your minds to providing better parking and larger doggy boxes. No skateboard park which will create more noise and encourage bad behaviour and dropping litter. It can also attract drug taking. Better traffic calming. Better lighting. The countryside is for the many who take care of it. Dog walkers in general pick up. The sporting fraternity are not generally so bothered.
117	NO, I DISAGREE	Leave it as is. Needs to have flexibility for large events which means leaving as open space. The reality is those who want to sit down are few and far between because of the draw of the riverside.	YES, I AGREE	.
118	NO STRONG VIEWS	Difficult to be a quiet space when it is in a busy part of the village. Perhaps Ferry Lane would be more suitable. Especially being close to the river.	YES, I AGREE	I don't think croquet is needed. Agree with teen space. Also need to include flood lighting for football training.

140	YES, I AGREE	Given the location of this area at the centre of the village and passed by visitors through the village I think it would be great if the area is used more frequently in a respectful way and any structures should be in keeping. I would like to see open air theatre in the village - is this a location where this could happen or Gardiners?	YES, I AGREE	Agree with the main purpose of this area as an active one. Sports clubs are very active in the village and are let down by the current facilities. All weather, floodlit pitches would be an incredible asset to the local community and enable football training to remain more in the village and attract more use like football holiday camps at other times of the year (Reading football club hold a summer football school here attracting 100 plus local children). Pavilion - A clubhouse akin to the cricket one at Gardiners would be appropriate with the upscale of facilities. I think there is actually a massive opportunity for a permanent cafe/stall at this location given proximity to the station too where there is no longer a hot drinks outlet. Improved facilities are great for the local community but will also attract more visitors which should be seen as a positive and help to boost the local economy. Croquet - could bring generations together. Pump track/skate park - strongly approve an amenity like this. Currently go out of the village to surrounding ones for this activity. Although appealing to the teen community, I would argue from use in other villages a wider demographic would use it from primary aged children to adults. Of all the things proposed changes I think this could be the most popular one and provide something for older children. Thank you for reviewing open spaces. The village really has fallen behind in having modern, fit for purpose play and sporting amenities such as these. Would like to see plans progressed and implemented as soon as possible.
141	YES, I AGREE	Not big enough for anything else	NO STRONG VIEWS	No interference with the main activities _football and tennis. Other activities ,only if room.
142	YES, I AGREE		YES, I AGREE	I agree with the focus on football and tennis. Adding extra facilities may be good, but should not be so positioned as to restrict the possibility of future development of the tennis club to provide a greater range of options for Goring residents.
143	YES, I AGREE	Love idea of seasonal structure for music just please a nicely designed and in keeping with the surroundings in the centre of the village. Better bench set up would be appreciated the benches under the trees get dirty and covered in slime! No need for rain and sun shelter - there are plenty of trees and as we saw at christmas carols people brought an umbrella! Focus the money on other areas of this project.	YES, I AGREE	Just consider any shelter might encourage congregations of teens - make sure lots of bins for rubbish. A lot of people walk their dogs here so dog bins? Croquet sounds fab but how many people would actually use it each year for the cost of its upkeep and installation? Perhaps worth understanding the demand for this. Could instead invest in bowls and cricket pavilion for broader use as a space that could be hired?
144	YES, I AGREE	Important to retain the quiet ambience. Would this area be appropriate for croquet?	NO, I DISAGREE	Sheepcot is used by a huge number of children in particular, and adults, for football. There are currently insufficient pitches to cater for the village and whilst I am all in favour of a skate park and croquet I fear that these activities will further limit the availability and quality of pitches.

145	YES, I AGREE	This area isn't welcoming and I have often felt like I don't have a right to be in there. Could this be improved with signage?	YES, I AGREE	Definitely pump track and different focus areas.
146	YES, I AGREE	Sounds good.	YES, I AGREE	The skate park is a great idea because I have seen successful version elsewhere, like Pershore, where lots of children from 8ish up to 18 were using it together.

149	YES, I AGREE	Agree to more user-friendly approach but NOT provision of covered areas as these would be a security and maintenance liability.	NO, I DISAGREE	Agree to improvements to current football and tennis facilities but NOT to use of upper areas for 'teen space' or other intensive use.
150	YES, I AGREE	Agree to more user-friendly approach but NOT provision of covered areas as these would be a security and maintenance liability.	NO, I DISAGREE	Agree to improvements to current football and tennis facilities but NOT to use of upper areas for 'teen space' or other intensive use.
151	NO, I DISAGREE	There is a contradiction in your question: the Rectory Garden is already a quiet reflective space - the introduction of a programme of activities and concerts would not enhance its character. More benches would be an asset, protection from sun and rain is not needed.	YES, I AGREE	An area for croquet? Exercise facilities for adults would be more beneficial.
152	NO, I DISAGREE	There is a contradiction in your question: the Rectory Garden is already a quiet reflective space - the introduction of a programme of activities and concerts would not enhance its character. More benches would be an asset, protection from sun and rain is not needed.	YES, I AGREE	An area for croquet? Exercise facilities for adults would be more beneficial.

153	NO, I DISAGREE	This is a lovely quiet area next to the churchyard and church. I think a covered area is inappropriate and may encourage unwanted activities. There are already plenty of trees to shelter under.	YES, I AGREE	The pavilion definitely needs refurbishment. A skate park is a good idea for the older children. The covered area could be left until a future date to see if it is appropriate as again it may be misused. As the tennis club caters for all age groups, tennis needs to be encouraged with an updated clubhouse, floodlights, a padel tennis court and a longer lease .
154	NO STRONG VIEWS	It would be lovely to see parts of this relatively bare area planted up with native hedging, shrubs and flowers (bee and butterfly friendly) to attract such creatures and possibly more wildlife. This would make it a far nicer place to sit and 'reflect'. I suggest that the money GIB have raised to potentially alter the village signage would be much better invested here.	NO, I DISAGREE	Sheepcot is already heavily used for football, with pitches covering most of the area. The football club always used to put away the nets, but in 2020 began leaving some out, which has now progressed to all of the nets littering the field. On a Saturday, both grass verges up the driveway into the field - and all along Gatehampton Road - are chock-a-block with vehicles. (Indeed, I am concerned that one of these days there will be an accident, with a child or animal running out between the parked cars). As for covered areas for teens at the top of the field and possibly a skate park?? An open invitation to attract groups of kids to loiter and litter. Will the Parish Council provide someone to collect all the litter which will no doubt be deposited? Sorry if I sound cynical, but I regularly clear up glass bottles (sometimes smashed), plastic bottles, cans, sandwich, sweet, crisp and cigarette packets etc etc from around the existing four benches in Sheepcot. Any covered area would make matters worse. People also sit on the benches at the top of the field to enjoy some peace and quiet and watch the sunset. Please, no noisy skate park or pump track to spoil this. And, I believe I'm correct in saying, cycling in Sheepcot Field is not allowed.
155	YES, I AGREE	Agree that the Rectory Garden is used for quiet and reflective activities and pursuits (open air yoga etc). It is the only 'quiet' area in the village. It should be kept quiet, whilst free and relaxed use it encouraged for all ages. Agree area should have benches for 'supervisors' (note: other people take children to the park not just parents!!!) to relax and rest while observing small children at play. Strongly disagree with the provision of covered areas to shelter from rain or sun! People are capable of taking waterproofs, umbrellas, sun shades and hats for protection. The cost of constructing and maintaining shelters is not justifiable. The other big issue to consider is the inappropriate use of such areas by teenagers(+/-) to gather and drink, take drugs etc, leaving rubbish and materials hazardous to young children, wildlife and pets. For shade and cover best to plant trees . . . don't believe the circumspect advice of an architect, without very solid evidence. We have to live with climate change and make positive adaptations not build unnecessary structures to hide from it!	YES, I AGREE	Good idea - mixed use to benefit varied ages and activities. This maybe one village recreation area that could benefit from some shelter due to the nature of its use with large groups gathering for football. Access to the 'top' area of the field - if extra facilities (e.g. skate zone or similar) are provided - needs to be seriously considered to ensure the access does not impact on the use of the field by the footballers, casual walkers, dog walkers etc
156	YES, I AGREE	Agree	YES, I AGREE	No objections

157	NO, I DISAGREE	I do not believe enough people would want to exercise (yoga, tai chi, pilates) outdoors in public.	NO, I DISAGREE	A skate park area could attract teenagers travelling in to Goring by train who could cause a nuisance.
158	NO, I DISAGREE	I do not believe enough people would want to exercise (yoga, tai chi, pilates) outdoors in public.	NO, I DISAGREE	A skate park area could attract teenagers travelling in to Goring by train who could cause a nuisance.
159	NO, I DISAGREE	I appreciate there are covenants attached to this space and its use may therefore be limited. I do agree it could be used for exercise as you suggest and as an area for concerts and outdoor events. However, it could also be made more welcoming to families, perhaps with some small wooden/natural equipment - low balance logs, stepping stones, like a low obstacle course. Seating for people to enjoy drink and food would also be good, including some covered areas.	YES, I AGREE	The current pavilion needs more than simple renovation in my view. It compares very unfavourably with other pavilions in other villages. Ideally, it would be great if there could be a building with an indoor cafe or even bar facility with TV screens where families and/or teens could watch sports and meet.
160	NO, I DISAGREE	I agree with the focus, but not the covered structure.	YES, I AGREE	.
161	YES, I AGREE	Sounds nice	YES, I AGREE	Sounds good
162	YES, I AGREE	Band stand would be great and more seating.	YES, I AGREE	No to covered areas but teenage stuff brilliant!!
163	YES, I AGREE	I don't think there should be a shelter. It will need maintenance and attract vandalism.	NO, I DISAGREE	Yes to pump track, not to skateboard park. No to covered areas - they will just attract vandals and be a focus for nefarious activity.
164	NO, I DISAGREE	Yes, use the area for tai chi, etc, but I am opposed to erection of fixed shelters.	NO, I DISAGREE	I think the changing facilities for football need improving and extra benches would be useful. But again - no shelters please!
165	YES, I AGREE	.	YES, I AGREE	Really important to cater for teens in the village.

166	YES, I AGREE	.	YES, I AGREE	.
167	YES, I AGREE	.	YES, I AGREE	.
168	YES, I AGREE	Not certain about what is meant by a seasonal covered structure, is this a marque? It should not be a permanent structure.	YES, I AGREE	Consider communal gardens/allotments due to the demand in the village
169	YES, I AGREE	Not certain about what is meant by a seasonal covered structure, is this a marque? It should not be a permanent structure.	YES, I AGREE	Consider communal gardens/allotments due to the demand in the village
170	YES, I AGREE	.	YES, I AGREE	I do not agree, however, with the teen space as this could encourage anti-social behaviour. During the summer, teens already gather there in the nights and play loud music and leave a mess. I know as our house borders the field. This is already an issue.
171	YES, I AGREE	I don't think additional covered areas are necessary. Just one seasonal covered structure should be sufficient, otherwise the area will look too cluttered and less restful.	YES, I AGREE	A skate park is a great idea for the youngsters.
172	YES, I AGREE	I think we could make better use of the Rectory Garden, and benches etc would make the area more inviting.	YES, I AGREE	It makes sense for football based activities to be here. NOTE this may be a duplicate submission as power went off just before I completed last time.
173	NO STRONG VIEWS	.	YES, I AGREE	.
174	YES, I AGREE	.	YES, I AGREE	.
175	YES, I AGREE	.	NO, I DISAGREE	Teen space a good idea. Football and tennis should be funded by the clubs, not the public.

179	NO, I DISAGREE	.	YES, I AGREE	.
180	NO, I DISAGREE	People can practice yoga, tai chi and Pilates already without any formal intervention. The less we clutter up our village, the better. A seasonal covered structure would be unsightly. Any structure for a concert should be removed the next day.	YES, I AGREE	Adult and family exercise equipment could also be put here.
181	YES, I AGREE	centre of the community	NO, I DISAGREE	this will only encourage further antisocial behaviour - aware Henley skate park is notorious for illegal drug taking. Regular user of this space and already see underage drinking and smoking on this site and this proposal will only make it far worse! This area is not very visible and therefore bad area for teenage congregations.
182	YES, I AGREE	Would be beneficial to improve usage of this attractive space both for residents and for visitors	NO, I DISAGREE	Think proposal for teen space/skate park at the periphery of this site is a truly dreadful idea. We are daily users of this space & already see under-age drinking & smoking (on occasions we believe illicit drug taking) and littering. Locating this facility on the periphery of the village in an area that has less visible oversight is very likely to exacerbate such behaviour & act as a magnet for antisocial behaviour. Skate parks have a very mixed record on attracting antisocial behaviour. If a teen facility is desired then I believe it should be located far more centrally & visibly within the village.
183	YES, I AGREE	The risk of undesirable activity at a shelter is probably acceptably low at this site but the proposal seems to hint at the creation of a "shanty town" of structures which would be undesirable.	YES, I AGREE	There should be no negative impact on the current uses. The pavilion refurbishment should include provision of a verandah (a la Gardiner) to provide robust emergency shelter.
184	NO STRONG VIEWS	What about including a sandpit?	NO, I DISAGREE	Croquet? That is so middle class! Disagree with that totally. All the rest sounds good

185	YES, I AGREE	Great idea and respectful as next to church.	YES, I AGREE	Area NOT for skate park in my opinion, already FULL at weekends for football, pavilion an embarrassment when team visit and not enough parking - needs priority. Skate park - speak to Henley see how theirs is going? Apparently not great!
186	YES, I AGREE	Great idea and respectful as next to church.	YES, I AGREE	Area NOT for skate park in my opinion, already FUL at weekends for football, pavilion an embarrassment when teams visit and not enough parking - needs priority. 187	YES, I AGREE	Perhaps a prayer garden could be included	YES, I AGREE	It is so important for positive space to be given to young teens
188	YES, I AGREE	Perhaps a prayer garden could be included	YES, I AGREE	It is so important for positive space to be given to young teens
189	YES, I AGREE	This is a lovely place and the mums meet here to let the kids run and enjoy the nature. A shelter would be great.	YES, I AGREE	The benches make all the areas so much more relaxing for the parents and I love all your ideas.
190	YES, I AGREE	.	NO STRONG VIEWS	.
191	YES, I AGREE	It looks nice as it is, but a seasonal covered structure would be perfect for the village starter and concert bands.	YES, I AGREE	YES PLEASE - my kids would have loved a skate park! I think the skate park would be very popular and a croquet area is great for families and friends. (Also please can the football pitches be a dog free zone)
192	YES, I AGREE	Covered areas again could be made ugly!	NO STRONG VIEWS	.

193	YES, I AGREE	Sounds lovely. It's a wonderful spot. Definitely natural, quiet, enhance the area perhaps with a sensory garden - touch, scent. Seasonal bulbs to add to the crocus' that need little attention throughout the year?	YES, I AGREE	Focus sounds right. If teen space at the top of the hill be careful of the busy road to ensure access is safe and controlled. Public toilets would be useful. It can be pretty windy so consider - shelters sounds good but also let's make the teens area welcoming. Football - floodlights, more parking and turnaround area.
194	YES, I AGREE	.	NO, I DISAGREE	I agree to the lower half being used as now, but utilised a great deal by dog walkers, and people like sitting on the benches at the top near hedges and fields, try not to urbanise this village too much so I think again endless structures are too much.
195	YES, I AGREE	Be lovely to make more use of this space.	YES, I AGREE	But I don't think the croquet or covered areas are needed. Pavilion DEFINITELY needs to be refurbished and there DEFINITELY needs to be something for teens.
196	YES, I AGREE	.	YES, I AGREE	.
197	YES, I AGREE	Could also include a petanque (boules) area in what would be a popular location. This is a very quiet sport, compatible with the other proposed activities.	NO, I DISAGREE	This area is unsuitable for croquet. It is neither smooth nor horizontal and preparing an area suitable for croquet would cost tens of thousands. It is also some distance from the village centre, and older residents would find it necessary to use cars to get there (unlike the Gardiner). The other proposed activities are fine, being less used by older residents.
198	YES, I AGREE	I agree.	YES, I AGREE	I agree regarding football, tennis and teen space, but NOT the croquet area. This field is totally unsuitable for croquet, without extensive groundwork development. Please see my comments on the Gardiner Recreation Ground.
199	YES, I AGREE	Great idea, complements location	YES, I AGREE	Padel court would be great. Wrong location for croquet.

200	YES, I AGREE	I think this all sounds good.	YES, I AGREE	Generally these sound like good ideas - except for the "area for croquet" which may be fine for a casual hour or two in the Summer Fun but not as a proper facility for croquet. I think croquet would be a brilliant new activity for the village and would prove very popular - please see my comment on the Gardiner Recreation Ground.
201	YES, I AGREE	This sounds like a good idea.	YES, I AGREE	Overall I agree but 'an area' for croquet would not work on the Sheepcot Recreation Ground due to the slope and rough grass, etc. The provision of proper Croquet would be expensive here (much better in the more accessible and ready-made green at the Gardiner Recreation Ground as mentioned previously) but I am fully supportive of a proper croquet facility for the village.
202	YES, I AGREE	Love the idea of a covered area - a pretty looking band stand perhaps with benches inside?	YES, I AGREE	Only 20 years since I asked the PC to do a skate park - please make it happen!
203	NO, I DISAGREE	I think it should be left as it is without redevelopment for new activities - keep it as it was intended.	YES, I AGREE	Terrific ideas we really need a proper pavilion with loos and the right facilities - it is a real shame for visiting teams for robins matches that currently it is entirely inadequate
204	YES, I AGREE	Quiet space and a covered area would be good	YES, I AGREE	Agree with all but see little value in croquet personally, but if there is sufficient interest with different groups then fine. Multi use is important (football, tennis etc). Good to have more parking. Most important thing is more for teens like skate park, pump track etc and a covered space for them when weather is poor
205	YES, I AGREE	This space works well with minimal fixtures and fittings so please do not overdo these.	YES, I AGREE	The teen space should be closer to the bottom of the hill.

206	YES, I AGREE	A bandstand would be perfect in this location	YES, I AGREE	Football and tennis good. Croquet would need a separate very flat area but would be a good idea if such an area could be provided
207	YES, I AGREE	it would be nice if this open space could also have some shrubs and/or flowers	YES, I AGREE	it would be brilliant if the top of the hill could be made use of . When a skate ramp or similar was suggested many years ago some worthy members of the community suggestion 'the youth ' should go to Wallingford instead !! Has any of this site been considered for additional allotments ? The waiting list for the current site in Streatley , and for those in the centre of the village , is very long.
208	YES, I AGREE	Agree that this should remain a quiet, reflective space.	YES, I AGREE	Agree with suggestions.
209	YES, I AGREE	This is a good idea, especially as the Rectory Garden is underused and uninspiring.	YES, I AGREE	As in our comments for the Gardiner Rec, football (men's, women's and youngsters') should not be restricted to the Sheepcot Rec. There would be a serious danger of over-use, resulting in poor playing surfaces for all users.
210	YES, I AGREE	This is a good idea, especially as the Rectory Garden is underused and uninspiring. 211	NO STRONG VIEWS	This is the one place I agree that cover is needed - for people to sit in peace and reflect. Please try to make it inconspicuous.	NO, I DISAGREE	I don't agree with an area for teens - I think ur would be a waste and unsightly and noisy. I have teenagers and they would not want to go to the top of sheepcot to hang out! I agree that an all weather multi purpose pitch/facility is a good idea to encourage other sports and groups to play - for teenagers this would be far better than a skate/pump park. Please also consider dog walkers - there are a significant number who use this field as one of the few places in winter that is accessible without hills, floods, or the risk of picking up Alabama rot from leaves/mud. Teenagers, dogs and less space may not go so well together? A fenced area with a multi sport pitch with keep them separate and hopefully provide for the needs of both. We live in the countryside and I would rather encourage an appreciation of nature in our youth than provide them with more entertainment. They have enough of that online and through devices. Keep our spaces open, natural and attractive and encourage people to walk, run and enjoy being in nature with all it has to offer. Rather than develop unsightly areas that are noisy and distracting.

212	NO, I DISAGREE	I believe it would be better, if possible, to open up this site and use it as a proper village green right at the centre of the village	YES, I AGREE	Good idea in principle but likely to be expensive.

223	NO, I DISAGREE	Such structures look bad when not in use, but Rectory Gardens are seen by all visitors. So it should be kept as a pure open space.	NO, I DISAGREE	Attracting teens to a space which is large, next to open countryside and relatively unsupervised is likely to promote misbehaviour out of view.

225	YES, I AGREE	Nothing to add. This seems right.	YES, I AGREE	The top part of the Sheepcot is the best place for a teen focussed resource.
226	NO, I DISAGREE	i think the childrens play areas are the most in need & should taken priority. Don't see this as an urgent need	NO, I DISAGREE	Little need for croquet, maybe better use in rectory gardens. More space for football & teen track very much needed, but can't see how there is space for all

231	NO, I DISAGREE	Family picnic area, skate park, playground.	NO, I DISAGREE	Sheepcot is congested by football along and with girls football growing there is increasing need for football. The notion of teen area away from the community is a bad one. Put the teens in Bourdillon field or Rectory Garden.
232	NO, I DISAGREE	Benches = yes, covered area = no	YES, I AGREE	Include other sports. Very limiting. Include volleyball court.

235	YES, I AGREE	Under-utilised at present. Covered structure most welcome. Could this be a bandstand built with flexible use in mind? ie suitable as general shelter/meeting point when not in use as bandstand.	YES, I AGREE	Teen space definitely needed in Goring. Agree with everything proposed

241	NO, I DISAGREE	Disagree only with buildings. I like it as it is - no buildings of any sort but used for events mentioned above in summer.	NO STRONG VIEWS	.
242	NO STRONG VIEWS	.	NO, I DISAGREE	I agree to a skate park as teenagers need somewhere in Goring. Croquet seems unnecessary. Can the GPC please consider providing an allotment site as there is a long wait of 6-8 years for the Streatley Allotment site. Part of Sheepcot would be ideal as there is parking and water.
243	YES, I AGREE	.	YES, I AGREE	.
244	YES, I AGREE	.	NO, I DISAGREE	It would be a tragedy if any of the football pitches are lost. There is already a shortage. I would want to be sure no pitches are lost and there there truly is enough space. There is no real need for more croquet facilities.
245	NO, I DISAGREE	.	YES, I AGREE	See previous comment about shelters.
246	YES, I AGREE	.	NO STRONG VIEWS	It should be football and tennis focussed. There is not room for an additional skate park and this would lead to anti-social behaviour.

253	NO, I DISAGREE	The ban on amplified speech and music in the Rectory Gardens really hinders its use for community events. It has the most central and prominent position of any of our spaces, but any stringed instruments or voices are immediately drowned out by the first passing car. It is such a shame we cannot take full advantage of this prominent central during community events such as the Jubilee Celebrations or the GAP Festival.	YES, I AGREE	.

261	YES, I AGREE	.	YES, I AGREE	.
262	NO STRONG VIEWS	I am puzzled by the 'seasonal covered structure' as several past proposals to put things in Rectory have been turned down by GPC on the basis that the bequest that provided the Field was restrictive of its use. Because of this the PC put up a sign. What has changed to allow a 'seasonal covered structure'	YES, I AGREE	Would croquet not be better catered for on bowls green at Gardiner? Equipment for Frisbee Golf would be a good idea too.
263	YES, I AGREE	.	YES, I AGREE	Football pitches are well used. Croquet is a waste of space there. Leave it on bowling green. Skate park will also take a lot of space. Would be better at Bourdillon. Extra parking is needed and new pavilion.

266	YES, I AGREE	maybe additional adult exercise equipment.	NO, I DISAGREE	Additional activities mean additional cars and parking problems in the area. Certainly not teen space, presumably unsupervised unlike The football matches _____ as this would encourage individuals from outside the village

268	NO, I DISAGREE	For my reservations, see above. I think this is a very under-used space. It is not welcoming and people are deterred from entering because of the wall and the gate. I would remove the gate. It could easily accommodate a sensory garden, or teenage/adult exercise equipment without disturbance to the environment. Both would give passers by a reason for entry.	YES, I AGREE	For my reservations, see above. SODC's infrastructure plan for LP35 points out that Goring is lacking teenage exercise/play equipment and needs, as a minimum, a MUGA. Sheepcot would be a good location as its (probably) the only space big enough to accommodate it and the space is underused, apart from at weekends. With teenage visitors, we often visit Blewbury's wonderful playground. The visitors rate it as an excellent experience. Your consultant is presumably familiar with their equipment and layout - including a pump track and skate ramps. This is what Goring needs most and Sheepcot is a discrete place to locate it without causing inconvenience to neighbours. The pavilion is in dire need of refurbishment - and could be extended to add a new parish office if that is required. A public toilet is also essential here.
269	YES, I AGREE	covered area of GOOD DESIGN for seasonal cover only. What does "seasonal" mean in this context?	YES, I AGREE	*NO* covered area otherwise I agree Zip wire please.
270	YES, I AGREE	The construction of a seasonal covered structure is providing a place for people to hang out and would not contribute to the serenity of the space.	YES, I AGREE	The car parking for activities that attract large groups is not available at the present, any redevelopment should increase the car parking significantly and consider green solutions for the surfacing with sustainable drainage.

283	YES, I AGREE	.	NO STRONG VIEWS	.
284	NO STRONG VIEWS	More seating required,	NO, I DISAGREE	.
285	YES, I AGREE	I understand there are restrictions in place for Rectory Garden but I think it is desperately under-used and rather bleak currently. Any improvements welcome.	YES, I AGREE	I strongly support the suggestion to develop a teen space here. The village currently lacks amenities for teenagers.
286	NO STRONG VIEWS	More seating required	NO, I DISAGREE	.

287	YES, I AGREE	.	YES, I AGREE	.
288	YES, I AGREE	.	YES, I AGREE	.
289	YES, I AGREE	This would be a much more appropriate place for the croquet lawn	YES, I AGREE	Sheepcot is heavily used and should be a focus of this exercise. There is definitely a need to an updated pavilion at Sheepcot. The tennis club needs to invest in more lights and resurfacing and needs a lease appropriate for that ambition. A padel court would enhance Goring's appeal too. A multipurpose court would be good, especially if adjacent to the teens area (e.g. For basketball). The football pitches suffer from heavy use can't expect them to handle any more capacity (e.g. From gardeners) without introducing all-weather surfaces. Sheepcot isn't a good place for croquet - it needs a flatter drier area with less footfall. Goring offers nothing for teens, the skatepark, multipurpose Court and teen area are all important, but space will be a challenge.
290	NO, I DISAGREE	No structure needed - it would reduce the openness and space of what is already a small area.	NO, I DISAGREE	Edge of village, edge of AONB vista is not a place for pump tracks or skate parks! Beauty, peace and quiet needs to be retained.
291	NO STRONG VIEWS	Keep it as it is, but improve benches.	YES, I AGREE	Yes but NO to pump track or skate park, it will never be used sufficient to justify.
292	NO STRONG VIEWS	Might be good proposal.	NO, I DISAGREE	Skatepark would be horrendous. We are a village not a town. Better near the tennis courts if really needed to ensure no suspicious activity. Near station and lots of current thefts from cars. Are these individuals from elsewhere or village?
293	YES, I AGREE	.	YES, I AGREE	.

296	YES, I AGREE	No covered areas. No concerts and should be left as quiet space as was the wish of the benefactors.	NO, I DISAGREE	Leave as is, no covered areas. (GEN COMMENT AT BOTTOM: All seems like urbanising. Leave as village NOT as Reading.)
297	YES, I AGREE	No covered areas. No concerts and should be left as quiet space as was the wish of the benefactors.	NO, I DISAGREE	Leave as is, no covered areas. (GEN COMMENT AT BOTTOM: All seems like urbanising. Leave as village NOT as Reading.)

305	NO STRONG VIEWS	I believe this space should be left as is	YES, I AGREE	I strongly support the plan for a teen space at the top of the hill.
306	NO STRONG VIEWS	.	YES, I AGREE	.
307	YES, I AGREE	.	YES, I AGREE	Definite need for something outdoors for older children & teens in the village. This is a top priority as they are uncatered for.

308	NO STRONG VIEWS	No keen on \'seasonal covered structure\'	YES, I AGREE	Would need to expand car park if making into a \'multi-purpose\' area.
309	NO STRONG VIEWS	No keen on \'seasonal covered structure\'	YES, I AGREE	Would need to expand car park if making into a \'multi-purpose\' area.
310	YES, I AGREE	.	YES, I AGREE	.
311	NO STRONG VIEWS	.	YES, I AGREE	Long overdue to do something for teenagers. Sadly too late for our children! Croquet...really?
312	YES, I AGREE	.	YES, I AGREE	.

316	NO STRONG VIEWS	.	YES, I AGREE	.
317	YES, I AGREE	.	YES, I AGREE	.

318	YES, I AGREE	.	YES, I AGREE	.
319	YES, I AGREE	There are lots of trees for shelter. Spending money in this way seems wasteful to me, especially in the current climate when many services are struggling for finances.	YES, I AGREE	I think it is better to concentrate on refurbishing the pavilion rather than spending money on shelters, which will be costly to erect and maintain.
320	YES, I AGREE	This space is under utilised and would suit the proposals.	NO, I DISAGREE	The proposal would make this amenity over used. It already cannot cope with the parking requirements of current users. Increasing the usage will also bring with it extra noise. It also enhances the chance of anti social behaviour towards local residents in Gatehampton Road and Whitehills Green.
321	NO, I DISAGREE	This area was left to the village with certain conditions which should be respected. More seating is a good idea	YES, I AGREE	It is about time that teenagers were considered
322	NO STRONG VIEWS	.	YES, I AGREE	.
323	YES, I AGREE	.	YES, I AGREE	.
324	NO, I DISAGREE	It can provide a quiet reflective space at the moment without structures and shelters. Event organisers can provide necessary cover for each occasion.	NO STRONG VIEWS	Again I question the need for shelters.
325	YES, I AGREE	It has been under used for years with nothing to attract residents or visitors	YES, I AGREE	There is definitely a need for space for teenage children from the village. It is already a much used space for football and tennis but does need a much larger parking area. Gatehampton Road and Whitehills Green provide most parking at the moment.
326	YES, I AGREE	Any use would be preferable to what is a -waste of useable space at present	YES, I AGREE	Any teen facility would be a welcome improvement

327	NO, I DISAGREE	I guess you've understood the covenant applied to this area of Goring. Urbanisation with permanent shelters. A band stand for music sort of goes against quiet relative space.	NO STRONG VIEWS	Whist I agree the pavilion needs a revamp, I do have concerns re suggestions of a teen space given that there are already reports of anti social behaviour in this area. That said this would be the best site for the family gym equipment and the very middle class croquet playing. Parking is available which is a valuable asset. This could become the Goring Sports Centre.
328	NO STRONG VIEWS	Ok as is	NO, I DISAGREE	I think a skate park/pump park anywhere in the village would be a very bad idea! Henley and Sonning Common skate parks/pump tracks (see articles in Henley Standard and Henley Herald) have experienced many problems with vandalism, broken glass from bottles, evidence of drug taking, loud noise, gangs from other areas corogregating and generally being unsociable and bullying children, to the extent that some parents deem them as no go areas for their children. It would also be extremely noisy for the residents nearby and I feel it would be an eyesore in such a beautiful area. A BIG NO!
329	YES, I AGREE	Leave open	YES, I AGREE	More floodlighting for exercise after school and work. Toilet facilities updated, parking improved. Screening between activities to enhance ball sport play as very windy
330	NO STRONG VIEWS	No strong views	YES, I AGREE	Not sure the croquets is necessary but the teen area is a good idea. I think the tennis courts are very important and every effort made to maximise these. They are great for people of all ages and a great focus for the village
331	YES, I AGREE	Seems reasonable, although the building of covered areas seems to be excessive	NO, I DISAGREE	The ongoing use for football and tennis seems reasonable. The building of covered areas seems to be unnecessary. Additionally, Sheepcot and the other open area in this survey seem unsuitable for the building of a pump track and skate park. Particularly if these would be unsupervised areas. Noise pollution may be a problem. A US study indicates that noise levels can be up to 96 decibels for such facilities.
332	YES, I AGREE	Good idea	YES, I AGREE	Good idea
333	YES, I AGREE	A great space for non-sport related activities and some low exercise.	YES, I AGREE	Having lived near Sheepcot this facility is extremely valuable for Tennis enthusiasts and the current facilities should remain. The Pavillion building is old and outdated and needs to be single story modern structure away from the residential area if possible due to very noisy groups of Sat/ Sun children and an absolute eyesore. Any multi- purpose court should be situated at the back of the field with the skate park and away from residential area.

334	NO STRONG VIEWS	None	YES, I AGREE	Better tennis facilities would be great. Not sure how a 'multi-purpose' court would work with the tennis club. How would it be managed / funded / kept in good condition? Not keen on having a pump/skate park at the top as the constructions never looks appealing and being on the top of the hill visible from quite a range of locations.
335	NO STRONG VIEWS	Another area not used much by my family but plans seem in line with the location in the village and the historical intentions for this area. Proximity to busy junction leaves it less suitable for activities for younger kids.	YES, I AGREE	A great open space which is possibly under utilised by residents outside of football/team sports
336	YES, I AGREE	Lovely idea	NO, I DISAGREE	Yes to the tennis and football. The skate parks are notoriously difficult to manage anti-social behaviour and quite torn lead to other areas being damaged e.g the new tennis area. Football, tennis and other sports would be ample facilities.
337	YES, I AGREE	Very underused central space	YES, I AGREE	No comments
338	YES, I AGREE	yes - more reflective would be good after all it is next to a graveyard and church but allowing for summer outdoor activities...	YES, I AGREE	if the teen skate park is too far away they won't use it - focus more on the adult sport ie football and tennis - croquet????
339	YES, I AGREE	None	YES, I AGREE	There needs to be a space for 12 plus, where it's well lit and accessible. My concern is sheepcote isn't accessible for all children to get to and the parking isn't adequate.
340	YES, I AGREE	A more open aspect to the garden would enhance it enormously, and say to people 'come on in!'. At present, the surrounding walling is rather forbidding.	YES, I AGREE	Definitely need facilities for teens to let off steam. Multi-activity courts (plural) a good idea. Not at all sure about a croquet facility.
341	YES, I AGREE	agreed approach but lower priority	YES, I AGREE	Needs upgrading but don't lose the sense of the wider space for those looking to picnic and relax.

342	NO STRONG VIEWS	no strong views.	YES, I AGREE	Sounds sensible.
343	NO, I DISAGREE	Keep as intended when donated for public use.	YES, I AGREE	the teen space sound like a good idea
344	YES, I AGREE	Sounds good and more suitable for adults.	YES, I AGREE	Sounds sensible.
345	YES, I AGREE	If evening events are to take place, it is worth considering whether the lighting should be improved to showcase the Church.	YES, I AGREE	This is and should remain a multi-sports field. Adding to facilities and modernising the existing is a very good use of fund and with appeal to a broader interest group. The changing rooms absolutely need an upgrade.

358	YES, I AGREE	Shelter areas not really necessary.	YES, I AGREE	Shelters are not needed.
359	YES, I AGREE	The Rectory Garden should stay a quiet space.	YES, I AGREE	.
360	YES, I AGREE	.	YES, I AGREE	.
361	YES, I AGREE	Sensitive area so covered areas should have a 'traditional feel'	NO STRONG VIEWS	Skate parks are too noisy. Other aspects are OK.

362	NO STRONG VIEWS	Maybe the perfect place for a quiet game of croquet?	YES, I AGREE	We need a large, purpose built clubhouse to support all the great community/volunteer led activity that takes place at Sheepcot.
363	YES, I AGREE	.	YES, I AGREE	.
364	YES, I AGREE	.	YES, I AGREE	Again, for me, football is the most important but I like the add-ons as long as pitches and clubhouse are still available.
365	YES, I AGREE	.	YES, I AGREE	.
366	YES, I AGREE	MORE litter bins will be needed.	YES, I AGREE	Some good ideas here - but more activities = more people = the need for MORE litter bins.
367	YES, I AGREE	MORE litter bins will be needed.	YES, I AGREE	Some good ideas here - but more activities = more people = the need for MORE litter bins.
368	YES, I AGREE	BUT I do not agree with even a seasonal covered structure. Keep as a breathing space in the centre of the village.	YES, I AGREE	BUT the area at the top of the hill should be left as it is as a natural area. I feel very strongly about this.
369	YES, I AGREE	.	YES, I AGREE	.
370	YES, I AGREE	.	NO, I DISAGREE	We are not happy about skate board area - it will encourage others from outside village to come.
371	NO STRONG VIEWS	.	YES, I AGREE	.

372	YES, I AGREE	.	NO, I DISAGREE	We do not believe there is enough space for a skate park or croquet. Perhaps the money could be more sensibly spent than this.
373	NO, I DISAGREE	No covered or developed areas or seasonal structures. A very valuable tranquil area in the centre of a very busy village.	NO, I DISAGREE	No covered areas.
374	YES, I AGREE	.	NO, I DISAGREE	Think it should be left as it is. Could do with more seating, etc. Don't know where you mean 'top of hill' - are you referring to the top of the chalk path/cemetery area? Certainly do not want a skate park area or a pump track - people wouldn't be able to let their dogs off the lead!
375	NO STRONG VIEWS	.	YES, I AGREE	.
376	YES, I AGREE	.	YES, I AGREE	Top of Sheepcot a very suitable area for teens. They need their own space and some activities.
377	YES, I AGREE	I have concerns that shelters may become tatty, littered and a place to drink/smoke.	YES, I AGREE	Would use skate park area.
378	NO, I DISAGREE	Please leave as natural as possible and DO NOT build covered areas. We are in danger of ruining our natural spaces.	YES, I AGREE	Agree to all. But please consider whether we really need the covered areas.
379	YES, I AGREE	.	YES, I AGREE	.
380	NO, I DISAGREE	Do not build in the Rectory Garden. It is a valuable vista and whatever is put in will detract.	NO, I DISAGREE	Forget croquet. Too minority. Add some play equipment. A multi-purpose, 5 a side court would be good.
381	NO, I DISAGREE	.	YES, I AGREE	.

382	YES, I AGREE	.	NO STRONG VIEWS	.
383	YES, I AGREE	.	YES, I AGREE	.
384	YES, I AGREE	With provision for summer fetes too.	NO, I DISAGREE	Croquet out of the question here - older people play - needs to be in centre of village.
385	YES, I AGREE	.	YES, I AGREE	I think a putting green or crazy golf area could bring finance.
386	YES, I AGREE	.	YES, I AGREE	I think a putting green or crazy golf area could bring some finance.
387	NO STRONG VIEWS	.	NO STRONG VIEWS	.
388	NO, I DISAGREE	.	YES, I AGREE	.
389	YES, I AGREE	A measured walking path for light exercise	YES, I AGREE	Better facilities and create a mound for pump track or similar top right by planning top end for flatter football pitch and use spoil.
390	YES, I AGREE	Agreed	NO, I DISAGREE	Probably not flat enough for croquet. Skate park is unsuitable. It will cost a lot to build and maintain. Likely to be noisy. If it is like other skate parks, ugly and scruffy.

391	YES, I AGREE	Not too much built structure would be good.	YES, I AGREE	Nothing to add.
392	NO, I DISAGREE	Think it is lovely the way it is. One can contemplate as it is.	NO STRONG VIEWS	May be a thought to trim down the ambitions to develop the space to include all the suggestions currently on the table. Croquet does not belong there, but in Gardners Recreation Ground. Access to the top of the hill will likely be made by bicycle. Consider the damage to the grass. Consider also size of skate park etc. and numbers of teens it would attract.
393	YES, I AGREE	I like this idea.	YES, I AGREE	This a good idea. Family orientated exercise equipment should be focused on this location and not the cricket field.
394	YES, I AGREE	the idea of keeping this area for quieter exercise and entertainment in general would be a good move as it is in the center of our peaceful village.	YES, I AGREE	generally this is a good space for the said activities, I am sure too it would be welcomed by many teenagers to have a skate board and pump track area.
395	YES, I AGREE	nice idea	YES, I AGREE	Really support introducing some teen space. Additional litter bins would be required!!
396	YES, I AGREE	No covered areas	YES, I AGREE	No covered areas
397	YES, I AGREE	Some low maintenance plants or bushes to make the Rectory Garden more interesting and to encourage more insects would be nice	YES, I AGREE	I do not support Croquet - there are not enough players to form a team/s and I expect the running costs for Croquet are very high - constant grass cutting with specialised equipment - unless the people who play are willing to pay for the Croquet courts I do not support. The Football and Tennis Clubs are both invaluable to the local community providing outlets for both young and old - the Tennis Club currently has 130 juniors and 160 adults of which 8 playing members are over 80. The Tennis clubhouse, subject to COVID, provides teas and coffees (and soft drinks for juniors) free of charge to the members - 30/40 adults who play on Tuesday and Wednesday mornings. Also the Tennis Club has been - and will to continue to be - fully self funded with future plans for full refurbishment of the courts, a toilet (planning permission received), an upgraded clubhouse and additional lighting due to the increasing demand for more court time during the Autumn and Winter months.

398	NO, I DISAGREE	Again Money not needed to be spent here, Idea is good but I don't think it will benefit, Money is desperately needed elsewhere	YES, I AGREE	Croquet?? Can that not be added to the bowling green. This area is needed for teens and football for sure, Facilities are in desperate need of updating. With the volume of football teams that we now have the changing rooms need to be made bigger and suitable
399	YES, I AGREE	Consider reviewing the 'rules' and reinstating a board	YES, I AGREE	Areas for teens seem to be low on the priority list.
400	YES, I AGREE	same view about covered areas as earlier	YES, I AGREE	there is little for teenagers to do in Goring so a skate park is a good idea
401	YES, I AGREE	It should be a reflective area because of its proximity to the church	YES, I AGREE	Happy for football to continue to be played here. The turf and grass would not be suitable for cricket
402	YES, I AGREE	It should be an area for quiet reflection because of its location near to the church	YES, I AGREE	Happy that football should continue to be played there as the field would not be suitable for cricket
403	NO, I DISAGREE	would spoil its current look	YES, I AGREE	This is the best area for sporting activities whilst Gardiner is kept for cricket and bowls.
404	NO, I DISAGREE	The Rectory Garden is a perfect enclosed spot to sit quietly and enjoy the centre of Goring safely for all ages. I would support a little more seating, but it does not need covered areas	NO, I DISAGREE	The Sheepcote Rec., has grown in use as a sports ground. I am not sure why there are quite so many football pitches there now. Please bear in mind that this rec., is also used by all age groups including recreational walking and dog walkers. The area at the top is perfect as an open space with a lovely view. I would support a skate park, and a few more benches, but no covered areas. It would spoil it if this area is allowed to be cluttered with too many different things going on. The car parking would have to be increased at what I would imagine considerable cost too.
405	NO, I DISAGREE	Leave as is. I believe that the original deed of gift of this, then private, area included specific conditions on use and maintenance. Terms should be adhered to.	NO, I DISAGREE	Current use by noisy teenagers at unsocial hours has caused difficulty for bordering householders.
406	YES, I AGREE	Some easily maintained shrubs could be used to add visual interest. The rectory garden looks most un-inviting at the moment. I would imagine that whoever donated the land to the village would like to see it being used rather than sitting ignored as it is now	YES, I AGREE	I do question the inclusion of croquet. I imagine that there are a very few people with loud voices who want to play croquet rather than a great mass of people who are desperate to take up the sport. If there really is a demand would it not be more sensible and cost effective to use the beautiful flat area where the bowls club was.

407	NO STRONG VIEWS	I have no views about this area.	YES, I AGREE	It is a good idea to have an area geared to teen-agers as they are not catered for elsewhere.
408	YES, I AGREE	It is at the heart of the village, this sounds like a great idea.	NO, I DISAGREE	If the football club are forced out of Gardiner then they would need more space at Sheepcote not less! Re-furb the pavillion is a good idea, but the idea that you can squeeze in a croquet lawn and a skate park is ludicrous! There are always complaints about teens having BBQ's and leaving bottles and litter at Sheepcote this would presumably only get worse. Will Sheepcote be locked at night? Who would be required to lock it up? What are the costs involved and who will be paying for this? Absolutely agree that there should be more teen-focused activities in the village but this is not the answer. I think the council are trying to resolve (?) too many things and therefore clutching at ideas. Has the parish council considered a Youth Club in the village? There are at least 2 council buildings that do not appear to be used. If a number of people wish to play croquet there is a croquet lawn in Blewberry so very local.
409	YES, I AGREE	Except with respect to shelters which are unnecessary for the purpose suggested, but could provide a high maintenance haven for anti-social activities	NO, I DISAGREE	This proposal if fully implemented would in my view be an over-development of this area and be an excessive investment for a village the size of Goring. Shelters are not really needed for the purpose suggested, but could provide a high maintenance haven for anti-social activities
410	YES, I AGREE	Suggestions sound sensible. I don't know this area but if it is accessible 24/7 I suggest caution creating permanent covered areas as noted in my comments on the Gardiner Rec ground. Thanks	YES, I AGREE	The suggestions sound sensible. Given the area is generally a decent distance from residential houses it seems a better location for equipment to attract more visitors rather than the other locations that have houses nearby. Could anything be done at this location to expand parking? I notice at busy times cars park on the grass edge right outside the house near the entrance.
411	YES, I AGREE	None	YES, I AGREE	None

412	YES, I AGREE	Agree, but not to covered shelters/structures which would adversely impact on the garden	YES, I AGREE	I agree with most, but not the croquet which could be much better located on the available bowling green in Gardiners Field, away from the other teenage activities. Football, tennis and other teenage facilities would all go well together.
413	YES, I AGREE	But I disagree that there should be any structures built which would detract from the calm and peace of the garden.	YES, I AGREE	But I think croquet would work better on Gardener's field where an ideal space will soon become available. Football, tennis and teenagers go very well together. I think a skate park here would be a fantastic addition to Goring and is an amenity that is very much needed. The area at the top of the hill would be an ideal location.
414	YES, I AGREE	.	YES, I AGREE	.
415	YES, I AGREE	A place to relax on a bench with a book!	NO STRONG VIEWS	.
416	YES, I AGREE	.	YES, I AGREE	.
417	YES, I AGREE	Do you need to build shelters everywhere - it must add considerably to the cost and will be a litter magnet.	YES, I AGREE	Please think BIG re teenage activity.
418	YES, I AGREE	.	YES, I AGREE	.
419	YES, I AGREE	Brilliant idea. Meditation is very important.	YES, I AGREE	Football can be rather noisy (having played the game) and so Sheepcot is probably best.

420	NO, I DISAGREE	Rectory Garden can be used for the proposed use without any additional structure or development (which would be detrimental to the space)	NO, I DISAGREE	I disagree with the provision of a skate park/pump track in Goring.

431	YES, I AGREE	All good suggestions, this are should be used more than it currently is.	YES, I AGREE	Excellent ideas
432	YES, I AGREE	This is an important space, centrally located, it should be attractive (flower borders, etc) and well maintained at all times. Our talented community (musicians and actors) should be able to perform here.	YES, I AGREE	.
433	YES, I AGREE	Partly agree. Feel this area is under-used. Not so sure about yoga, etc. Wouldn't participants want some privacy. Agree re non-amplified concerts and lots of community events, as central to the village. More planters from Goring-in-Bloom if possible.	YES, I AGREE	Agree with facilities for teenagers. Much needed. Please leave space for walkers too.

436	YES, I AGREE	.	YES, I AGREE	.
437	YES, I AGREE	.	YES, I AGREE	.

438	YES, I AGREE	This sounds like a relatively inexpensive and uncontraversial idea, so I have ranked it top.	YES, I AGREE	I didn't rank this higher, even though I am very much in favour of better facilities for teenagers, because there are lots of different suggestions within this outline plan. I'm unclear what a multi-purpose court would be used for, who it would be available to and when. If available to all at any time, then presumably the pavilion would have to be made available to all at any time - the plan does mention that 'the pavilion will need to be refurbished to suit'. This would require much careful thought about who would clean the toilets and how often etc. The area at the top of the hill does seem like a suitable place for a teen space/skate park area so I would be in favour of this. The addition of benches and covered areas seems sensible and uncontraversial.
439	YES, I AGREE	I agree with all the above, it should be a quiet area as it is next to the church and graveyard. A place where people can sit and reflect.	YES, I AGREE	This is an area we visit two or three times a week to walk the perimeter, an area which is crying out to bring into the 21st century so again I agree with all the above. The only reservation we have is the dog walkers who do not clear up behind them. Some days it is bad.
440	YES, I AGREE	Again , I agree in principle but would appreciate more information on a 'seasonal covered structure' . I would recommend something in keeping with the heritage and architecture of the village centre	YES, I AGREE	Teenagers need facilities to suit their interests and this proposal supports that . Every effort should be made to ensure that it doesn't detract too much from the natural beauty of the space .
441	YES, I AGREE	I agree with the current thinking shown above.	YES, I AGREE	I agree with the current thinking shown above.
442	NO STRONG VIEWS	Benches yes, but do we need too much 'street clutter' why not enhance the space with a community orchard.	YES, I AGREE	Pavilion needs extension to support huge nos. of people using Sheepcot. All weather training facility essential.
443	NO, I DISAGREE	No need for change.	NO, I DISAGREE	The top of the hill should be left as it is. Any development there would spoil the views and peace and tranquility.
444	NO STRONG VIEWS	.	NO STRONG VIEWS	.
445	YES, I AGREE	.	NO, I DISAGREE	Refurbishment of pavilion is fine. At present all football pitches are in use Sat & Sun, as well as tennis courts. Where is the extra area coming from to provide pump tracks or skate park?

446	NO STRONG VIEWS	Although the noise from constant traffic would not make it quiet relective space!!	NO STRONG VIEWS	Sports is already widely in use here and might draw attention to the fact of nighttime activities from teenagers making a nuisance which I think will increase with skate park. Parking here is used by commuters who don't want to pay at station. This will have impact on people parking in Whitehills Green over residents drives.
447	NO, I DISAGREE	Covered cause issues unappreciative people!!	YES, I AGREE	Teens do need something
448	YES, I AGREE	.	YES, I AGREE	.
449	NO, I DISAGREE	A village bandstand is inappropriate for an Oxon village and the same for specific uses. Covered area would encourage activity such as drug exchange and sales.	NO STRONG VIEWS	.
450	YES, I AGREE	This area is hardly used at the moment. It would be nice if more plants flower beds etc could be introduced to make it a real garden. Why not ask GiB for their advice/suggestions, as they have already done a great deal in making the village more attractive, and have won 3 gold medals for their efforts?	NO STRONG VIEWS	No strong views

458	YES, I AGREE	.	YES, I AGREE	We are worried about teenagers trying to access the top of Sheepcot via the road at the top (Reading Road?) where there's no pavement – also, what about lighting? Better to have down at the bottom. The car park also needs to be increased as at the weekends it is overflowing onto Gatehampton.

461	YES, I AGREE	Seems a good approach considering how central the space is in the village	YES, I AGREE	I support the suggestion for a teen area and for the refurbishment of the pavilion that state of which is an embarrassment to the village. Less supportive of a croquet area-is that really a priority?

468	YES, I AGREE	It's under-utilised at present. However shelters could create a hangout location for under-age drinking, given its nearness to the pubs.	YES, I AGREE	It would be good to have croquet in the village, though this could work at the Gardiner Field, taking over the bowling green. I used to enjoy playing when I was at college, but have not had the opportunity since.

489	NO STRONG VIEWS	Its currently a very dull, uninviting space yet right in the heart of the village. The large trees are claustrophobic	YES, I AGREE	Blewbury play area, orchard and fields are a great example of community engagement. Can Goring learn from there experiance?

493	YES, I AGREE	A simple open covered structure for concerts may be appropriate subject to further review, but no additional shelters are required, They are costly and a litter and maintenance liability for little appreciable benefit. They are also an eyesore.	YES, I AGREE	No shelters are required, They are costly and a litter and maintenance liability for little appreciable benefit. They are also an eyesore. I have reservations about the pump track / skate park.

494	YES, I AGREE	All changes sound good.	NO, I DISAGREE	Strongly disagree with skate park/pump track. Magnet for trouble, would attract teens from outside area, noisy, eye-sore. Look at problems with skate park in Henley. Hardly ever see anyone on skate boards so hard to see the demand for this. Other recommendations are ok.
495	YES, I AGREE	I think it should be kept as a quiet selective place.	YES, I AGREE	The larger area of all Goring public spaces is ideal for larger sport interests.
496	NO, I DISAGREE	I think its fine as it is. More things going on the more people fighting for parking spaces etc. Maybe put in a firmer area in the sheepcote field where there is plenty of parking. Possibly to the side of the pavilion away from the sports pitches.	NO STRONG VIEWS	Not sure about the Teen space and how many skateboarders are likely to make regular use of it.
497	YES, I AGREE	Agreed due to its location it should remain peaceful	YES, I AGREE	With the focus to remain on invited sports teams, consideration should be made to enlarging the car park which is already too small to cope with all the visitors as there can be so many different activities taking place at the same time.
498	YES, I AGREE	Current thinking would be of benefit to the local community	YES, I AGREE	Current thinking would be of benefit to the local community
499	YES, I AGREE	It would be good for the village to make better and more frequent use of this under-used central space	YES, I AGREE	I agree with this but with a proviso that amplified music is not allowed in this area
500	YES, I AGREE	Or could have these activities in Ferry Lane Open Space.	YES, I AGREE	Table tennis tables?

501	NO, I DISAGERE	More edifices!! Why try and urbanise further. It will look like a bus station with covered shelters!!	NO STRONG VIEWS	It's not really suitable for croquet as the grass is too uneven. Otherwise ok.

507	YES, I AGREE	.	YES, I AGREE	.
508	YES, I AGREE	A quiet, reflective place is most appropriate.	YES, I AGREE	Developing this for sports is the best option. A multi-purpose court, e.g. for netball, would enhance sporting provision in the village. This would also be the place for outdoor exercise equipment. A pump track would be preferable to a skate park as they (ie pump tracks) encourage a more diverse range of users (as well as fewer accidents!)
509	NO, I DISAGERE	.	NO, I DISAGREE	.
510	YES, I AGREE	.	YES, I AGREE	Firstly a much larger car park is required before any changes are made.
511	NO STRONG VIEWS	Why can't the croquet lawn be in the Rectory Garden.	NO, I DISAGREE	With over 350 members of Goring FC and Goring Robins as the biggest sporting club in village more parking and more pitches are needed and a better pavilion than the monstrosity that is there at the moment

512	YES, I AGREE	A bandstand of some sort would be good. Otherwise I'd leave it alone.	YES, I AGREE	There is nothing in Goring for teens. My son has to take the train to go to Henley skate park but would love to be able to skate here in Goring. The space at the top of Sheepcot would be perfect.

540	YES, I AGREE	This sounds lovely	YES, I AGREE	This all sounds great. The teenagers would really appreciate the park. There would need to be good fencing around some of the sport facilities though. Also, I play competitive croquet and am a Club Coach for croquet, so this sounds very exciting. Not just because it would obviously be convenient for me but because it is a great game for all age groups. At my current club we still have people playing the their late eighties. To encourage older primary children and teenagers to play too would be wonderful. The courts would need regular maintenance.

574	NO STRONG VIEWS	No strong views selected as no answer given - forced answer. I am doubtful about how covered areas at The Rectory Garden might be used. They should not be too inviting or comfortable. Who would be responsible for cleaning etc of these spaces?	YES, I AGREE	n/a

577	NO STRONG VIEWS	I don't like the idea of a 'seasonal cover and structure' = I think it would spoil the ambience. Quiet, and for exercise, fine.	NO STRONG VIEWS	Because it slopes a lot, some suggestions would be very expensive. But the village could benefit from one or more horizontal pitches.
578	NO, I DISAGREE	Do not add any structures to this peaceful field. Leave it as it is	NO, I DISAGREE	Leave the open field for general use and continue to support cricket and tennis. definitely no teen area as it will become vandalised and a location for drug use. FRONT OF SUREY VERBATIM: We are very lucky to have a number of lovely green spaces, please do not spoil them by adding urban clutter. 589	YES, I AGREE	but No covered areas for shelter, as they might be unsightly in the middle of the village	NO STRONG VIEWS	(No crossed out) Croquet good idea, multi-purpose court for netball & basketball good idea. Not a skate board park as wrong area for that and unsightly
590	YES, I AGREE	but No covered areas for shelter, as they might be unsightly in the middle of the village	NO STRONG VIEWS	(No crossed out) Croquet good idea, multi-purpose court for netball & basketball good idea. Not a skate board park as wrong area for that and unsightly
591	YES, I AGREE	The seasonal shelter should be made as unobtrusive as possible in its positioning as this is the main focal point in the centre of the village and an ugly structure (used once or twice a week/month) would detract from the peaceful and beautiful nature of this area.	YES, I AGREE	You might be better trying to put the croquet pitch on the Gardiner Rec as this is a flat area. Sheepcot Recreation Ground slopes from the car park up which might make croquet difficult.
592	NO, I DISAGERE	I don't know how a covered area offering shelter goes hand in hand with quiet and reflective space....	YES, I AGREE	No comment, other than avoiding littering and picnicking.

593	YES, I AGREE	Very good idea.	NO, I DISAGREE	I have reservations about skate park. Not a big enough area and too close to houses.
594	YES, I AGREE	It would make better use of the area, which is currently under utilised	YES, I AGREE	Agree if the facilities are upgraded. Also, an area similar to that in South Stoke for older children would be advantageous.
595	YES, I AGREE	Should accept dogs and have a dog poo bin	YES, I AGREE	It is an EXCELLENT idea to have a skate park. This would allow teens and young people to be more randomly active and not be to a schedule of team sports. Having dedicated teen active space will make their lives much healthier and happier.
596	YES, I AGREE	Sounds perfect	YES, I AGREE	Good ideas and good to have a teen area.
597	NO, I DISAGREE	Above is OK but this is not a good place for wellbeing exercise because it is noisy and public. The access steps from GVH should be improved to allow GVH users to better able to provide refreshments and toilet facilities for concerts.	NO, I DISAGREE	Sheepcot would be a good place for play equipment similar to that at Streatley Rec. with picnic tables and toilets available. Maybe on the right hand side going up the hill. I don't think older kids would go up to the top for activities. I think the car park should be expanded as the new equipment will attract more users. I would fence an area at the top for dog exercise and make that the only place they can be off the lead. The kissing gate access from Whitehills Green needs widening and the dog bin moved to one side so users don't have to pass so close to it.
598	YES, I AGREE	Again, covered areas may be a problem, as will encourage people to congregate , especially in the evenings	YES, I AGREE	Not covered areas, as encourages people to congregate, leave litter, etc
599	NO STRONG VIEWS		NO, I DISAGREE	I believe there ought to be a much more ambition plan at sheepcot to include new pavillion and venue for village events including music and arts as GVH is no longer big enough to support the population. Goring deserves and could have a fantastic arts and sports venue for the generations to come
600	YES, I AGREE	Good area for outdoor music	YES, I AGREE	This is the right place for teenage area - skate park idea seems popular from what I've seen...

601	NO STRONG VIEWS	See previous comments re shelter.	NO, I DISAGREE	I do not know what a pump track is. Do not forget there is a right of way across Sheepcot rec, which is already blocked by football pitches.
602	YES, I AGREE	Sounds good, but please provide litter bins as well. More welcoming signage? I'm sure people don't enter as it looks a bit official.	YES, I AGREE	And bins please.
603	YES, I AGREE	n/a	YES, I AGREE	n/a
604	YES, I AGREE	There should be only limited number of shelters located along the perimeter of the garden.	YES, I AGREE	The additional facilities are good for the village people.
605	YES, I AGREE	Good diversity for sports and cultural activities	NO, I DISAGREE	Don't like the idea of concrete skate park on green area of exceptional quality and views of the hills behind
606	YES, I AGREE	This is good, but at the moment it does not cater for this. It is too bare and boring. There are only a couple of benches and few would want to sit so near the entrance. Many would prefer more privacy which could be provided by more greenery, bushes maybe. Also few want to sit under lime trees as they drop sticky stuff over you.	NO, I DISAGREE	It needs more variety for those with other interests. Tennis is good, but do they really need so many football pitches? There is still space there for a play area, eg top left corner.

607	YES, I AGREE	I think this would make a good area for Croquet to be played. Agree more benches needed but strongly disagree with covered area as this will become a public toilet and drug are during the evening. The trees give shelter from the sun and rain.	YES, I AGREE	This area has always worked well for the football and tennis clubs over many years. A new pavilion for both clubs is desperately needed. As you can see the area at the top of Sheepcot is also used for football. If this is taken away then even more teams will be lost. I don't think a skate park is very environmentally friendly. There is one at Cholsey and whenever I have been there it is never being used. Money could be better spent elsewhere. I agree a lot more benches are needed but again I disagree about covered areas for the same reasons of them becoming a public toilet and drug meeting place.
608	YES, I AGREE	...again, not sure about covered areas	YES, I AGREE	Brilliant plan!
609	YES, I AGREE	But.... permanent structures would need to be very special and not spoil the beautiful trees and tranquility. Nothing square!	YES, I AGREE	Croquet area is an excellent suggestion. Definitely more seating needed. Skate park etc would be great for teenagers. Needs to be environmentally pleasing to the area. Plenty of rubbish bins required!

610	YES, I AGREE	I think the balance between the five areas has been thought through well.	YES, I AGREE	I think the balance between the five areas has been thought through well.
611	YES, I AGREE	Agree	YES, I AGREE	Agreed, facilities for teenagers necessary. I am Not sure what a pump track is but the skate park is a good idea
612	YES, I AGREE	Good idea	YES, I AGREE	Plenty of space for all activities
613	YES, I AGREE	BUT NO TO THE BANDSTAND!! This would quickly become a target for vandals.	YES, I AGREE	Move the all purpose family area here from the Gardner. Make it truly family for all ages
614	YES, I AGREE	The area would make a conveniently placed "central location" to the village with close access to shops, pubs and the river.	YES, I AGREE	Although more out on the outskirts of the village, it would be ideas to have these "larger" facilities where there is more space.
615	NO, I DISAGERE	Rectory Gardens was left to the village as a place for quiet leisure and enjoyment for all. Concerts are fine but please do not erect shelters. Trees abound there and give wonderful shelter from both rain and sun.	YES, I AGREE	Put the exercise equipment here and NOT in the cricket ground.
616	YES, I AGREE	Aren't there restrictive covenants to deal with?	NO, I DISAGREE	No to the teen space, which would just be concreting over a valuable green space, and inviting crime. Croquet also a non-starter in my view. The equipment will quickly be broken or lost

617	YES, I AGREE	Keep tranquil, in keeping with its location next to the churchyard. A good site for a sensory area. Should be somewhere to sit quietly, perhaps with a small water feature that would encourage wildlife. A suitable rest place for pedestrians walking between the villages, sheltered by the trees. But: no permanent covered structure.	YES, I AGREE	My agreement is subject to consultation with and approval by local residents. Existing footpaths and right of way to burial ground and elsewhere must be respected. No shelter.
618	YES, I AGREE	agreed, that one of the spaces offers equipment for silent enjoyments	YES, I AGREE	sheepcote is on edge of village and suitable for the more noisy entertainment, especially suitable for older kids and teens as well as sports
619	YES, I AGREE	n/a	YES, I AGREE	n/a

621	YES, I AGREE	Yes	YES, I AGREE	The plan sounds great
622	YES, I AGREE	Xx	YES, I AGREE	Teen area is much needed.
623	YES, I AGREE	A covered structure would be very useful. Temporary marquees are expensive and security overnight is an issue.	YES, I AGREE	I would welcome an area for croquet but feel that priority should be given to facilities for teens as proposed.

624	NO STRONG VIEWS	I cant imagine exercise areas would be warrant the cost. Keep to seating etc	YES, I AGREE	seems sensible
625	NO STRONG VIEWS	Be good to have this diverse space	YES, I AGREE	We def need to cater for the teens
626	NO STRONG VIEWS	No Comment	YES, I AGREE	This area is probably most suited to the activities you suggest.
627	YES, I AGREE	I agree	YES, I AGREE	Teenage focus
628	NO, I DISAGERE	Check the covenant. No covered spaces please. Will attract antisocial behaviour, discarded needles etc. Should have more biodiversity. Yoga and Tai chi already possible. Make it lighter and more welcoming.	NO, I DISAGREE	There should be an area of equipment for primary and young teens along the southern boundary such as the wonderful set up at Blewbury. There is massive amount of space for parents younger siblings etc to picnic. There is ample parking and kids already walk of cycle to the SF for tennis and football. Inappropriate for croquet and very expensive to construct when there is a perfect lawn on the Gardiner field.

629	YES, I AGREE	N/A	YES, I AGREE	N/A
630	YES, I AGREE	Ice ideas	YES, I AGREE	We need teen spaces. Also large picnic benches for family meet ups and possible a more rustic play equipment. Whole family areas to meet and play. Similar to blewbury park near graveyard.
631	YES, I AGREE	This space is central in the village and some covered seating here would be less likely to attract unwelcome behaviour eg noise, of groups of young people than some other more secluded areas in the village	YES, I AGREE	All sounds good. This all seems to be very expensive and a large part of the council budget?
632	YES, I AGREE	This is a central village location and should be preserved as such, especially given its proximity to the church	YES, I AGREE	NA
633	YES, I AGREE	During the pandemic when any concerts and other events could only be held outside this was an ideal location, especially as it is in the heart of the village. Its proximity next to the Goring Village Hall would make it a welcome additional facility for events being held there.	YES, I AGREE	The village is badly in need of facilities for teens and this is an ideal area as it would potentially cause noise disturbance to relatively few households.
634	YES, I AGREE	Agree	YES, I AGREE	Agree
635	YES, I AGREE	Would make this a more useable space	YES, I AGREE	Village has lacked facilities for teens for years
636	YES, I AGREE	I agree with the proposition.	YES, I AGREE	I agree with the proposition.

637	NO, I DISAGERE	Again I think any erected structure will encourage a place for any group or groups to hang around and deposit rubbish spray graffiti and leave litter around. Regarding a non amplified structure in this area, we only have to look at what happens when we had the G.M. Remembrance weekend for those of us in ear shot know what that brings. So I say no to any structure in this Gifted area to the village in remembering the families loss of a beloved daughter. At one time the Police explained why kids from outside the village come to Goring, at their reasoning was that Goring has multiple exits from the village should the Police need to be called. Wallingford road, Streatley high street, Thames road, Station road,Goring high street, and the River bank.	NO, I DISAGREE	My reason for note voting along with some of these suggestions are as follows, skate parks and the like from what I have seen in other places encourage spray painting graffiti, rubbish, litter, and when the kids grow up and no longer need this kind of ramp skate park they fall into disuse and an eyesore. Again a sheltered area promotes a place to hang around and mischief.
638	YES, I AGREE	Sounds good	YES, I AGREE	Sounds good
639	NO, I DISAGERE	I think it would be perilous to offer covered shelter so near two pubs. It will become overspill and possibly encourage anti social activities, such as drug selling and swapping (already evidenced by the litter along that stretch). I would prefer to see this developed as a more sheltered garden with shrubs to provide more variety in terms of exploring and also encouraging wildlife. The courtyard gardens of London and Oxford provide some ideas.	NO STRONG VIEWS	The access/egress at the top left of the ground as viewed from the car park is on to a dangerous part of the main road into Goring. Improving access from the Cleeve area into the Sheepcot field would be a good idea.
640	YES, I AGREE	Feel any covered area needs to be portable and as previously stated would not endorse covered seating as could lead to anti social behaviour	YES, I AGREE	Covered areas, especially as Sheepcot is on the edge of the village could lead to problems with anti social behaviour. Agree that there is a need for an area where older children can meet in a structured way.
641	NO STRONG VIEWS	Sounds about right.	YES, I AGREE	Yes I agree.

642	YES, I AGREE	n/a	YES, I AGREE	n/a
643	YES, I AGREE	Not too many covered areas. Needs to be open and easy to walk around	NO STRONG VIEWS	n/a
644	YES, I AGREE	Not too many covered areas. Needs to be open and easy to walk around	NO STRONG VIEWS	n/a
645	YES, I AGREE	n/a	YES, I AGREE	Love the idea of doing more for the teens. Floodlight for the football?
646	YES, I AGREE	n/a	NO, I DISAGREE	Bad Idea. Access to the road at top dangerous. Encouraging drug use. Noisy for residents.
647	YES, I AGREE	n/a	NO, I DISAGREE	Bad Idea. Access to the road at top dangerous. Encouraging drug use. Noisy for residents.
648	YES, I AGREE	Village hall toilets should be accessible from outside, so that those carrying out activities on rectory garden do not have to traipse through activities in the village hall, when they need to use the facilities	YES, I AGREE	Again better toilet facilities
649	YES, I AGREE	Leave as is.	YES, I AGREE	Totally inadequate facilities for the hundreds of people that use it for football. Add some exercise equipment around the edges to improve it as an exercise space.
650	YES, I AGREE	Yes, needs to be peaceful to bear in mind neighbouring houses.	NO STRONG VIEWS	Not sure about the skate park, they seem to generate problems, but would be willing to wait and see.
651	NO STRONG VIEWS	No views	NO STRONG VIEWS	No views
652	NO, I DISAGERE	Agree your suggestion.	NO STRONG VIEWS	Useful as it is.

653	YES, I AGREE	N/A	YES, I AGREE	N/A
654	YES, I AGREE	Definitely no loud music please.	NO, I DISAGREE	Skate park might be better nearer the pavilion, although local residents might not think so. But happy to have something for young people here. Croquet might be better beside the bowling green on Gardiner.
655	YES, I AGREE	This is an excellent space in the centre of the village and quiet, reflective activities should be encouraged.	YES, I AGREE	The teen space is very important and the skate park and pump track would be great ideas.
656	YES, I AGREE	It would be good to have some flowering shrubs or garden areas.	YES, I AGREE	These suggestions are good.
657	YES, I AGREE	It would be lovely to use it for outdoor exercise	YES, I AGREE	It would be great for the teenagers to have a skate park in the village
658	NO STRONG VIEWS	.	YES, I AGREE	The area for teens should be closer to the bottom of sheepcot. This follows how other recreational spaces, in other areas are designed. I fully support a space for teens but naturally at this age there is risk of anti social behaviour, drinking, smoking etc. keeping it closer to the entrance / road / houses will deter this and make it safer. We don't want it tucked away, out of site.
659	YES, I AGREE	In addition to these proposals, as the most highly visible open space in the centre of the village it could be made very much more attractive by sensitive planting in a soft palette of colours.	NO, I DISAGREE	Because the Sheepcot is a rough and sloping surface, the establishment of a croquet lawn, including levelling and drainage, would be extraordinarily expensive. Sheepcot is a much more exposed and windy venue for a slower-moving sport such as croquet, and is also too far out of the centre of the village for many older players to walk to. A croquet area can be provided at minimal cost by re-purposing the bowling green at the Gardiner Recreation Ground which is being vacated by Goring Bowls Club.
660	YES, I AGREE	Like idea of attractive performance area.	YES, I AGREE	Love idea of pump track and skatepark!

661	NO, I DISAGERE	No shelters	NO, I DISAGREE	Waste of public money
662	NO, I DISAGERE	Please don't urbanise this calm, green space. If necessary replace existing benches but covered areas would be an intrusion. Grass a pleasant thing to exercise on.	NO, I DISAGREE	A skate park would be very intrusive and noisy so not the best idea. What is a pump track? Both sound very expensive. Yes to upgrade parish tennis court, Croquet level area. This field is already well used by footballers, tennis players, fitness people and dog-walkers. Don't destroy these activities just for the sake of it. There is already a problem with drugs here I believe, and people coming on the train for that purpose, buildings and seating and skate park may very well exacerbate these problems. I think the community should beware!
663	YES, I AGREE	An 'off the wall' suggestion but it would be made much more of an inclusive 'village green' by removing the wall dividing it from the village. I accept the planners would probably never agree but at present it is too 'separate' from the village to be useful.	YES, I AGREE	A skate park at te top of the hill will never work! It's a great idea and village certainly needs one - but no teenager would walk up the hill! A much better location would be down nearer the car park.
664	YES, I AGREE	n/a	YES, I AGREE	older kids definitely need something, however, there are not enough football pitches at present.
665	YES, I AGREE	In this location a covered area, in effect a small bandstand, is a good idea.	YES, I AGREE	The pavilion should be demolished and a new, much larger, one built with decent facilities. The existing one is quite disgusting and not fit for purpose. It is particularly inadequate as a football pavilion with only one toilet and no changing facilities to speak of.
666	YES, I AGREE	I entirely agree with this approach	YES, I AGREE	I entirely agree with this approach. Blewbury has the kind of recreation ground that would suit Goring-on-Thames
667	NO STRONG VIEWS	If organisers hold instructional classes(yoga/pilates) and are making money from the venture, they should be paying a fee to GPC.	YES, I AGREE	An all weather court for netball, basketball etc is needed also a skatepark required.
668	NO STRONG VIEWS	I would hate to be seen doing yoga in such a prominent place! Quiet reflection, seats, flowers, and perhaps reducing the number of trees. Maybe adding ground based games for the children ie hopscotch, long jump, a maze etc	YES, I AGREE	Sounds good

669	YES, I AGREE	Amazing initiative. Reminds me of New York's Central park with an area for adults.	YES, I AGREE	We visited recently friends in Corsham and our children enjoyed the BMX cycling park. It does not look complicated or too concrete. But so much fun for older children. There is a photo example <a href="https://images.app.goo.gl/vB6sNoSFtNiW1rWj6">https://images.app.goo.gl/vB6sNoSFtNiW1rWj6</a>
670	YES, I AGREE	Agree, but I think any covered shelters should be around the edge (against the hedge), and not be too obtrusive	YES, I AGREE	Agree, but would the pump track/skate park be better placed towards the bottom or side of field where it doesn't impact so much on the view up the hill? If it is located at the top of the field, the row of small trees should ideally be retained.
671	YES, I AGREE	Gentle exercise would be the best use for this area.	YES, I AGREE	A skate park would be a great addition.
672	YES, I AGREE	It should have a more diplomatic and welcoming sign saying what it's for rather than what's not allowed.	YES, I AGREE	Anything to encourage sport is welcome.
673	YES, I AGREE	Nice idea	YES, I AGREE	Sounds good
674	NO STRONG VIEWS	No strong views	YES, I AGREE	100% the village would absolutely benefit from having a skate park and pump track.
675	NO, I DISAGREE	A "quiet reflective space" is not the place for "non-amplified concerts and outdoor events". You can't have both at the same time - this is a contradiction in terms. The Rectory Garden should, however, be made more attractive by some sensitive planting. It is bare and boring at the moment. More seats are definitely needed too.	YES, I AGREE	The suggested changes are appropriate. The top of the Sheepcot is ideal for a skate park etc. How about a zip wire? Other villages round here have them. The provision of shelters might lead to their use for anti-social behaviour.

676	YES, I AGREE	Yes	YES, I AGREE	Absolutely! Pump track would be an amazing addition to our village. They bring a sense of community combining all ages! Brilliant for families going and old 100%
677	YES, I AGREE	This is not suitable for major change	YES, I AGREE	This is right approach
678	YES, I AGREE	This is a focal point in the village and should be planned carefully.	YES, I AGREE	This is an area of the village with the most space. If a skate park/pump track is created, will GPC pay for it to be maintained on a regular basis?
679	YES, I AGREE	Love to improve and expand the use of the Rectory Garden	YES, I AGREE	Very excited to see the Skate Park/Pump Track idea.
680	YES, I AGREE	No comment	NO, I DISAGREE	Croquet? No one plays it. And the amount of money proposed to refurbish adequate facilities is an incorrect use of funds.
681	NO, I DISAGERE	I don't feel a covered structure is necessary	YES, I AGREE	More sports facilities would be good
682	NO STRONG VIEWS	I would just like to see this space used more.	NO, I DISAGREE	I don't understand the wording above. The Pavilion definitely needs urgent refurbishment, but again with football being played all of the way up the pitch (and recently, significant funding being put into improving the quality of the pitches, I don't understand why anything being built at the top would be being considered for example. So I agree to football and tennis being there and pavillion to be refurbished, but unsure whether anything else is needed, certainly not croquet.
683	YES, I AGREE	It would be great to have an outdoor concert area	YES, I AGREE	It would be great to have a teenage space and activites at the top of the field

684	YES, I AGREE	The structure would need to blend into the background	YES, I AGREE	The pavilion is in dire need of being updated and the field should welcome different field sports, not just football
685	NO, I DISAGERE	This area should be left as a quiet space. It can be used for occasional village fetes etc	YES, I AGREE	Big space better for teenagers
686	YES, I AGREE	sounds good	YES, I AGREE	Sounds excellent. Teens definitely needs a area to go and this would be a good one.
687	NO STRONG VIEWS	The priority is older children.	YES, I AGREE	Many other local villages offer this type of equipment already so would be great to have in our village and in my opinion, this area should be top priority & a great location for it.
688	NO, I DISAGERE	Rectory Garden is the ideal location for adult exercise equipment. No other permanent structures should be erected.	NO, I DISAGREE	The greatest need is for the car park to be enlarged to accommodate visiting supporters and relieve pressure on parking spaces in Gatehampton Road.
689	YES, I AGREE	I remember, some years ago, there was a suggestion that the trees in the Rectory Garden should be cut down and new ones planted. Although the idea was rejected at the time, I would like the council to consider what they plan to do in the future. The large trees are beautiful but they do make the garden quite dark at times. At some point new trees and shrubs will need to be planted.	NO, I DISAGREE	I agree about the football, tennis and possible area for croquet (though I might choose the Gardiner Recreation Ground for croquet). I'm not sure about the pump track or skate park area at the top of the recreation ground. For me, the recreation ground moves from an organised sport area to the more natural countryside beyond. Developing the top end of the recreation ground would spoil that transition. However, I might be persuaded if I had more information to see what was being proposed.
690	YES, I AGREE	Agree	YES, I AGREE	Something for older children/teens is really important

691	YES, I AGREE	Great idea, as long as it is aesthetically sympathetic to its immediate context.	YES, I AGREE	This sounds great
692	YES, I AGREE	.	YES, I AGREE	Skate park seems extremely popular with older primary school and teenage children. Would massively add value to the village environment for families.
693	YES, I AGREE	no comments	YES, I AGREE	the introduction of a skate area/rollerskating space would be wonderful
694	YES, I AGREE	It would be nice to keep this area as a more quiet reflective space.	NO, I DISAGREE	A continuing focus for the football and tennis, yes. Refurbishment / replacement of the Pavilion / changing rooms definitely. As mentioned previously, with the increasing membership numbers of the various Goring football teams, there is constant weekend demand for availability on all of the football pitches that we already have. Losing any of the pitch space would have a significant impact on the Goring Robins / United teams.
695	NO, I DISAGERE	This was bequeathed to the village by a grieving parent and it should be left as a quiet space	YES, I AGREE	Sheepcote has potential for greater utilisation
696	YES, I AGREE	I think this suits the area well	YES, I AGREE	It would be great to have a dedicated area for teens, they get such a bad rep but they are so segregated from society, no one wants them hanging around so they have nowhere to go. It's a really difficult age to be so would be great to have something for them. Would also love a climbing frame down the bottom on Sheepcot by the tree for kids to play on.

697	YES, I AGREE	I agree	YES, I AGREE	I agree
698	YES, I AGREE	This sounds good.	YES, I AGREE	I agree with much of the approach but I feel like croquet is not a priority given the number of pitches required by the football club which serves so many children - girls and boys - across so many ages. This seems more in line with Rectory Gardens than alongside football pitches and a skate park. I'm strongly in favour of Skate facilities if they can be accommodated to serve older children and provide a place to hang out. I neighbour Sheepcot and have no issue with skate facilities.
699	YES, I AGREE	Great	YES, I AGREE	Ok
700	YES, I AGREE	Agreed	NO, I DISAGREE	Yes except Covered area not required
701	YES, I AGREE	N/a	YES, I AGREE	Sounds good 👍
702	NO, I DISAGERE	Please leave "as is"	NO, I DISAGREE	Do not invest in croquet If anything invest for teens
703	YES, I AGREE	no further comment	YES, I AGREE	very much agree that there should be facilities for older children

704	YES, I AGREE	no comment, it seems sensible to go this way next to the church.	NO, I DISAGREE	I have some concern with teenage pump track or skate park at the top of the Sheepcote from the point of view of AONB, views from Hollies and Lardon, emergency access and security/policing. All need to be thoroughly thought through and consulted with the appropriate authority/expertise. I support the use for football, tennis and croquet
705	YES, I AGREE	At the moment it looks rather sad and uncared for so anything would be an improvement.	NO STRONG VIEWS	Sounds expensive!
706	YES, I AGREE	This is such a wasted space in the centre of our village. It's a superb venue that should be used more. I can imagine croquet on there too. It needs to be more welcoming.	YES, I AGREE	so much potential here!! Something we can all be proud of.
707	YES, I AGREE	No specific suggestions but yes, a quiet and reflective space	YES, I AGREE	No specific suggestions
708	NO STRONG VIEWS	Sounds good but will it actually be used?	YES, I AGREE	Great idea
709	NO STRONG VIEWS	No strong view	YES, I AGREE	Very good idea
710	NO, I DISAGREE	I think it should remain as it is, a relaxing area for general enjoyment of the peace and quiet. More seating could be provided.	NO STRONG VIEWS	No strong views, but who will pay for the Skate Park? I don't think it should come from Council funds.
711	YES, I AGREE	Again, there are plenty of trees to provide shade. A SMALL seasonal covered structure might be useful. Because this area is used for events 'rain or shine' a small rain shelter might be appropriate, but only if it was discreet and very carefully sited so that it was not intrusive. This garden is very much part of the character of the centre of Goring and should remain unspoilt.	NO STRONG VIEWS	I find this emphasis on shelter from rain and sun rather odd. We are a village and these are not urban parks. People tend to put up with vagueries of English weather and not need a lot of shelters!

712	YES, I AGREE	really good,, it is definitely a reflective area	YES, I AGREE	perfect set up for this area
713	YES, I AGREE	i think it is a good idea to make this area a more communal space as it is right in the heart of the community and could be used in a very good way	NO, I DISAGREE	I think sheepcote should be used for football and tennis, it could also be used for croquet but I don't think a skate park should be put there as I don't believe there would be enough room for that as well as all the activities that already go on there
714	NO STRONG VIEWS	Seems reasonable	YES, I AGREE	Sounds excellent, especially if something could be done about the dog poo there too!
715	NO STRONG VIEWS	.	YES, I AGREE	.
716	YES, I AGREE	Great idea	YES, I AGREE	This village needs something for the teenagers and a place for them to go and use a skate park/ basketball etc is a very high necessity for this village
