For the period 1st April 2022 – 31st March 2023

Expected Standard	Evidence of Achievement	Areas for Development
1. Scope of internal audit	Terms of reference were (re)-approved by full council on 15 June 2022 Scope of audit work takes into account risk management processes and wider internal control. Terms of reference define audit responsibilities in relation to fraud.	Standing Orders and Governance Documents are formally reviewed throughout the year, with Standing Orders Approved as suitable for use at the Annual Council Meeting – this has been delayed to the July 2022 meeting as part of a full Governance Review. Audit responsibilities are reviewed annually and address concerns of ways to protect against fraud.
2. Independence	Internal Auditor has direct access to those charged with governance (see Financial Regulations). Reports are made in own name to council. Auditor does not have any other role within the council.	Confirmed.
3. Competence	No evidence that internal audit work has not been carried out ethically, with integrity and objectivity.	Confirmed.
4. Relationships	Responsible officers (Clerk, RFO etc) are consulted on the internal audit plan and on the scope of each audit, (evidence is on audit files). Responsibilities for officers and internal audit are defined in relation to internal control, risk management and fraud and corruption matters. The responsibilities of council members are understood; training of members is carried out as necessary.	Confirmed, though training is determined as it is locally available, based on need. Clerk, Assistant Clerk and all Councillors are provided information about all opportunities for training, and to support this effort funds are budgeted each year.
5. Audit planning and reporting	The audit plan properly takes account of corporate risk. The plan has been approved by the council. Internal Auditor has reported in accordance with the plan.	Confirmed. For the audit plan, see Financial Regulations. Internal audit report received by the council on 15 June 2022 was in accordance with the audit requirements.
