... provide either copies of or access to the following sources of information:

- All relevant emails on the subject of the closure
- Records of telephone conversations
- Relevant memoranda including hand written notes
- Agendas and minutes of Parish Council meetings where the closure issue was discussed.

Your request has been handled as a request for information under the Freedom of Information Act 2000. We have considered your request and are providing the attached documents – See **Attachments_2.pdf**.

Regarding item 1 in my earlier letter, I had incorrectly identified one e-mail as having the same content, as it appeared to be a forwarding of the original. Please see attached to this letter, a 2nd version of "Goring Lock and Thames Path Works" from the environment agency

If you are unhappy with the way your request has been dealt with you may request an internal review. This will be carried out within 20 working days of the request for a review being received. If you remain unhappy with the result of the review you can ask the Information Commissioner to

look at your concerns. We will provide you with details of the internal review process when you request it. The process will vary depending on the type of request and who is available to review the process within the timescales.
