

# GORING-ON-THAMES PARISH COUNCIL

## Minutes of a Meeting of the Goring-on-Thames Parish Council

Monday 10<sup>th</sup> July 2023 at 19:30, Bellême Room, Village Hall

### Public Session – Prior to the Start of the Meeting

**MoP1:** Representative from the Dr's Surgery – They are running out of space and would like to buy the land currently occupied by the Old Jubilee Fire Station/Parish Council Offices.. The surgery has increasing demands including trying to train new people with insufficient space for everyone to go. The Government is trying to save GP Surgeries by increasing services and the viability of the Goring surgery is threatened if it can't provide the space for those services. There is no central or NHS funding for the project and so the partners would need to take out personal loans to fund the purchase and development. The additional space would be used to provide space for Paramedics, Physicians Assistants, Physiotherapists, more Consulting Space, more training spaces etc. The Government's desire is to deliver more "stuff" locally. The GP Practice would be likely to knock down the current building and rebuild to provide the space. There may be a need to have some private providers in the building to help fund it, but the surgery would be happy to covenant that the additional space would be used exclusively to provide medical services. It may be that to support the Primary Care Network, there could be more people coming into the area for services and car parking may be an issue.
