

**B4009 HIGH STREET (GORING-ON-THAMES)
PROPOSED TRAFFIC CALMING**

NOTICE IS HEREBY GIVEN that Oxfordshire County Council under the Road Traffic Regulation Act 1984 & the Highways Act 1980 (section 90) proposes to construct the following traffic calming features on the **B4009 High Street** in Goring. These proposals are being put forward to improve road safety within the town centre:

- Raised Table 'Informal' Crossing Point – full width flat top hump 4m long x 75mm high, with 2 x 1.2 metre ramps with gradients no steeper than 1 in 15, to be located approximately 40* metres east of the junction with Manor Road.
- Build-Out Feature – to be 2.5m wide (narrowing the carriageway to 3.25 metres) with 2 x Glasdon bollards with retroreflective bands, to be located at the existing give-way road markings by 'The Arcade' approximately 47* metres south-west of the junction with Cleeve Road.
- In addition to the above features, realignment & improvement of the footway adjacent to Nos.1 & 10 High Street is also planned.

* All dimensions are approximate, taken from the centre of the junction to the centre of the feature.

Documents giving more detailed particulars of the scheme are available for public inspection online by visiting: <https://consultations.oxfordshire.gov.uk>.

Objections to the proposal, specifying the grounds on which they are made, and any other representations should be sent in writing to the address below (or via the web address above) no later than **28 August 2020**. The County Council will consider objections and representations received in response to this Notice. They may be disseminated widely for these purposes and made available to the public.
