Dear Mr Duffield

RE: Concerns Regarding Enforcement

On behalf of Goring-on-Thames Parish Council, I am writing to ask for your help in addressing concerns on enforcement. We are worried about the enforcement of infringements. They appear to be no longer a priority and do not get the attention needed to address issues if at all, or even in a timely manner.

Examples of recent inaction on Enforcement:

[P22/S1285/FUL](#) - Dorvic, Fairfield Road, RG8 0EX - not built in accordance with the approved drawings – reported to enforcement

[P20/S0665/FUL](#) - West Croft, Cleeve Road, RG8 9BG- not built in accordance with the approved drawings – reported to enforcement

[P22/S1992/FUL](#) - 2 Elvendon Road, RG8 0DU - not built in accordance with the original application [P19/S1832/FUL](#) and approved drawings. Both the Parish Council and neighbour reported infringements at the start of the build which led to a committee hearing which then approved the plans. This developer has on their website that they have a 'strategy' of numerous planning applications to accomplish their overall objective.

I trust you consider the above of value and hope that the Planning Officers are briefed with the points we raise.

Yours faithfully

For and on behalf of the Goring-on-Thames Parish Council
Mrs L White
Assistant Clerk to the Council.
