

Appendix X

Proposed New Street Names.

A new street name is needed for the road accessing the development behind Stow House.

The developers, in consultation with estate agents, suggested the following options:

1. Thameside Gardens
2. Thameside View
3. Riverview Gardens
4. The Riverside

In Consultation with Councillors, it was noted that the development was neither beside the Thames nor had a direct view of it. Two alternatives were suggested.

1. Stow Close
2. Thames Close

Councillors are asked to agree how they wish the street to be named.
