Three Members of the Public.

Public Session – Prior to the Start of the Meeting

The MoPs spoke opposing the application P24/S1136/FUL, Limetree Road. They made the following points: the development was too close to the southern boundary of the two neighbouring properties on Station Road causing shading and disturbance - during construction and any subsequent maintenance; there were objections to the height and dominance of the two storey element of the proposal which would be out of scale with adjacent properties; the design did not accord with the local vernacular and the two storey element had an 'industrial' appearance; the gable end facing Croft Road was too featureless, dominated the road and should be scaled back.

Meeting started 19.30.

24.06.1. To elect a Chair and Vice Chair.

24.06.1.1 Cllr M Stares was unanimously elected Chair of the Committee.

24.06.1.2. Cllr A Smith was unanimously elected as Vice-Chair of the Committee.

24.06.4.1. Meeting held on 14th May 2024.

It was agreed the minutes were an accurate record of the meeting and they were duly signed.

24.06.5. To consider applications and approve response to the planning authority.

24.06.5.1. P24/S1136/FUL Lime Croft Limetree Road Goring RG8 9EY

Demolition of existing dwelling. Construction of 3-bed dwelling with associated landscaping.

Resolved: Approved unanimously to submit the response: OBJECT on the grounds that the two storey element of the proposal is too dominant in relation to the neighbouring properties, in particular to the two adjacent properties which are proposed as non-designated historical assets in the conservation area appraisal. The materials to be used are critical and should be as close to those used in the older properties surrounding the development. The pitched roof is too shallow and incompatible with the local vernacular. If approved, the planting plans in the application, including the lime tree on the corner of Limetree Road and Croft Road, should be strictly adhered to.

24.02.6. To note amendments to planning applications.

The following was noted.

24.06.6.1. P24/S1154/AG Mount Pleasant Farm Goring Heath RG8 7TB
