### **Public Session – Prior to the Start of the Meeting.**

Two MoPs spoke about application P22/S2363/FUL. MoP 1 supported the application. MoP 2 objected to it. While welcoming the reduction in the size of the houses, they would overlook properties opposite; rather than following the curve of Wallingford Road they should be aligned with the neighbouring houses on the same side; plot no. 1 was too close to no. 86 Wallingford Road and the proposed screening was inadequate; the driveway access for no. 67 was directly opposite the proposed access to the site and would be unsafe. Overall, two houses would be preferred rather than three.

*Erection of three detached houses (amended plans and supporting information to change design received 20 June 2024).*

Cllr Stares introduced an information note identifying the changes in the current application from that previously considered. These changes broadly reflected the Parish Council's response to the previous application and were acceptable. In discussion, the location and orientation of the houses and their distance from the road were considered acceptable. Detailed matters in respect of screening, overlooking and sight lines could be dealt with by conditions. The existing path should be closed off as stated in the Design and Access statement. Issues previously raised by the Council were dealt with. The issue of affordable housing provision and CIL payments needed to be brought to the Planning Officer's attention as this site should be considered as one with GNP6 for that purpose.

**Resolved:** Approved unanimously to submit the response: **No Objection** but to attach the note and draw attention to points 1 and 2 at the end and support the recommendations of the Landscape Officer including in respect of the staggering of roof heights.

### **24.16.9. To consider correspondence received.**

The Planning Officer responsible for application P24/S1136/FUL had asked the Committee to indicate if they would be content for the decision to be made by her under her delegated powers in view of her opinion that the application should be allowed after considering the response from the Parish Council.

**Resolved** unanimously to respond that the Parish Council maintains its objection on the grounds that the development is overbearing, and the design is out of keeping with the older properties surrounding it. The roof should be of clay tiles and not slate and the design of the eaves should be in keeping with that of neighbouring properties. The Assistant Clerk to draft a letter accordingly for the approval of the Committee.

### **24.16.10. To confirm the date of the next meeting – Tuesday 13<sup>th</sup> August 2024.**

Confirmed.
