**Licensors: Goring on Thames Parish Council**

**Licensee: Goring on Thames in Bloom**

Land in the North West Corner of the Gardiner Recreation Ground, as shown in Red in the Plan but excluding the Boundary railing and supports, Electricity substation, Thames Water box, Lime tree, the beech hedge therein and the area where mowings from the cricket square are deposited.

**STATEMENT OF PLANS**

In the gardening season covering summer 2024 to spring 2025, Goring on Thames in Bloom will carry out any weeding, trimming and removal of dead plants and shrubs that are necessary, as part of its on-going maintenance of the area. Dead plants or shrubs will be replaced with similar species to maintain the current design of the garden. The bed will be edged to keep it neat.

Goring on Thames in Bloom has no plans to make any changes to the garden, which is now mature since its inception in 2014.
