2 Members of the Public.

Public Session – Prior to the Start of the Meeting.

MoP 1 spoke in support of P24/S2502/HH. The amendments proposed were minor in extent. Changes to the roof tiles and windows were to improve the appearance of the property and to enable it to better fit in with neighbouring houses.

MoP 2 wished to raise matters arising from the minutes of the last meeting in relation to the discussion on P24/S2193/FUL (GNP8). The minutes did not record the objection raised by MoPs that the site would be developed at too great a density, nor were MoPs' objections reflected in the Committee's resolution not to object to the proposal.

The minutes were amended to reflect the first point. The Chair explained that the Committee took account of the MoPs' objections and all the material considerations including the Neighbourhood Plan policies in reaching its decision

24.20.4. To consider applications and approve response to the planning authority

24.20. 4.1. P24/S2480/HH Cedar Wood House Elvendon Road Goring RG8 OLP

New access with electric gates.

Resolved: Approved unanimously to submit the response: Object. While the drawings show a different location of the access over that proposed earlier in P23/S24299/FUL, the Council continues to urge that Highways carry out an assessment of risk.

24.20.4.2. P24/S2479/HH Cedar Wood House Elvendon Road Goring RG8 OLP

Detached oak frame 3 bay garage / carport.

Resolved: Approved unanimously to submit the response: Object. The Council objected to P23/S4299/FUL noting that the proposed garage in that application was inappropriately sited and too big. Since the design and location of the garage in this application are essentially the same as before, the Council maintains its objection. The application form states that clay tiles would be used on the roof, whereas the drawing indicates natural slate, the Council's preference would be for clay tiles.

24.20.4.3. P24/S2502/HH 76 Wallingford Road Goring RG8 OHN

Variation of Condition 2 (approved plans) and Condition 3 (materials) on application P23/S4189/HH (First floor extension to create two storey dwelling including a self contained annexe). - extension and changes to door and window configuration to add light, addition of higher quality tiles and windows.
