### **Public Session – Prior to the Start of the Meeting.**

The MoP spoke to object to agenda item 4.4, P24/S2771/HH. They were not opposed to the extension to the rear but objected to the two-storey extension on the southern elevation, adjacent to no. 67a Wallingford Road. It was considered to be too overpowering and intrusive as it was close to the boundary between the two properties. The window on the upper floor of the side extension would allow a view into a bedroom of no. 67a and the side extension would breach the 45 degree rule applied to windows on the front of no. 67a.
