Regulation 62A Monitoring Report for Parish and Town Councils

The Community Infrastructure Levy (CIL) imposes a charge on certain new developments, based on the size of the properties being built. This is designated to underwrite the cost of improving the infrastructure within the District. Goring-on-Thames Parish Council receives 25% of this Levy for developments carried out within its own Parish, as there is a Neighbourhood Plan in effect. This report is required by Regulation 62A of the CIL Regulations 2010 (as amended). It must be published by 31 December each year and made available on the Parish Council website and forwarded to South Oxfordshire District Council (SODC).
