

On busy weekends, some of the more popular litter bins get full to overflowing before the regular collection time. This is unsightly and a health nuisance. In order to encourage better use of the bins, many councils now have stickers on their bins, to say “If this bin is full, please take your litter home”.

The proposed design is restrained and appropriate for the heritage status of the centre of the village.

GORING-ON-THAMES
PARISH COUNCIL

THANK YOU

**If this bin is full, please
take your litter home**
