GORING-ON-THAMES PARISH COUNCIL

25.16.5. To receive an update on the progress with the Bourdillon Field playground.

The opening was now to be at 11am on Thursday 24th July. Work remaining to be done included cleaning up the existing picnic table, basketball frame and retained memorial bench; strimming back all the ivy along the school boundary ready for the opening. Decisions need to be made about the location of the new benches and bins. Wire fencing behind the basketball court and on the school boundary needed to be removed. Otherwise the grass needed to be strimmed and watered before the opening and the edges bedded in.

For the opening, Cllr Filipova-Rivers had been invited; Proludic will provide bunting and balloons, sweets and goody bags. The Parish Council was organising an ice cream cart to attend and would provide cold drinks and a gazebo and table. The Heras fencing would only be removed by Proludic shortly before the opening to maintain security.

Arrangements needed to be made for getting feedback on the use of the playground and this would be considered at the next Committee meeting.

25.16.6 . To review and agree the next steps for the Gardiner Field playground. Appendix A

The application for grant from SODC was progressing and was likely to be made by the end of August. A Planning Application for the 4m extension to the playground had been submitted and the aim was to issue the Invitation to Tender for the renewal of the playground by the end of the week (subject to agreement by Council members). Expressions of interest from potential suppliers have already been received and Proludic would be providing an outline of possible options.

It was agreed that an evaluation group should be formed to assess the tenders and that should consist of the same members and with same evaluation criteria (possibly with minor variations) as the evaluation group for Bourdillon.

25.16.7. To review the Action List and agree any further actions. Action List

The draft Action List was considered and changes would be made before the next Committee meeting to reflect current progress.

25.16.8. To confirm the date of the next meeting: Date to be agreed.

The date of the next meeting was agreed to be Tuesday 26th August at 7.30pm.

There being no further business to be transacted, the Chair closed the meeting at 11.50am.
