

APPENDIX N.1

NOTICE OF MOTION TO COUNCIL

To be referred to Committee (if yes, specify which)	No – Place & Assets Working Group have discussed already																				
Title of Motion	Signs for Community Speedwatch																				
Proposed by	Toby Thurston																				
Proposed Resolution	The council approves the expenditure of up to £400 plus VAT to purchase police-approved warning signs for the Community Speedwatch Group.																				
Background (provided by the proposer)	The Community Speedwatch Group has now started work, and they have approached the Travel and Transport Committee to ask if the Parish Council would install the warning signs that the Thames Valley Police recommend. T&T have approved the request and agreed to ask full council for the money. The group need one free-standing swing-sign and four post-mounted static warning signs. The swing-sign is for the CSW group to use each time they run a session. The other four signs will be fix to appropriate poles or lamp posts in the village, near to the police-approved observation sites. The wide "banner" type signs that they have in Streatley are not appropriate because we already have the RHS competition signs under the village entrance name signs. Products available from https://signwizzard.co.uk/  Procurement and arranging for installation to be delegated to the Assistant Clerk.
